**Prior Council Action:** March 2, 2006; April 6, 2006

**Boards and Commission Action:**

On April 6, 2006, Council approved amendments to the City Code regarding vertical mixed use. The ordinance was amended from the dias to provide that cocktail lounges and restaurants located in a neighborhood plan area may use the parking reduction only if approved by Council. The ordinance that was signed did not contained this provision. This amendment reflects Council's action of April 6, 2006 regarding cocktail lounges and restaurants.
