RE: Case C14-06-0018 – 6203 Berkman

Staff recommends that this case be indefinitely postponed.

The applicant has amended his original request for rezoning to multi-family medium density district zoning (MF-3) and is now requesting neighborhood commercial – mixed use – conditional overlay combining district zoning (LR-MU-CO). As such, new legal notice will be sent out for the case and it will be returned to Planning Commission for a public hearing.
