Recommendation

For More Information: Charles Muela 974-7124, Mike Boyle 972-0252, Laura Bohl 974-7064.

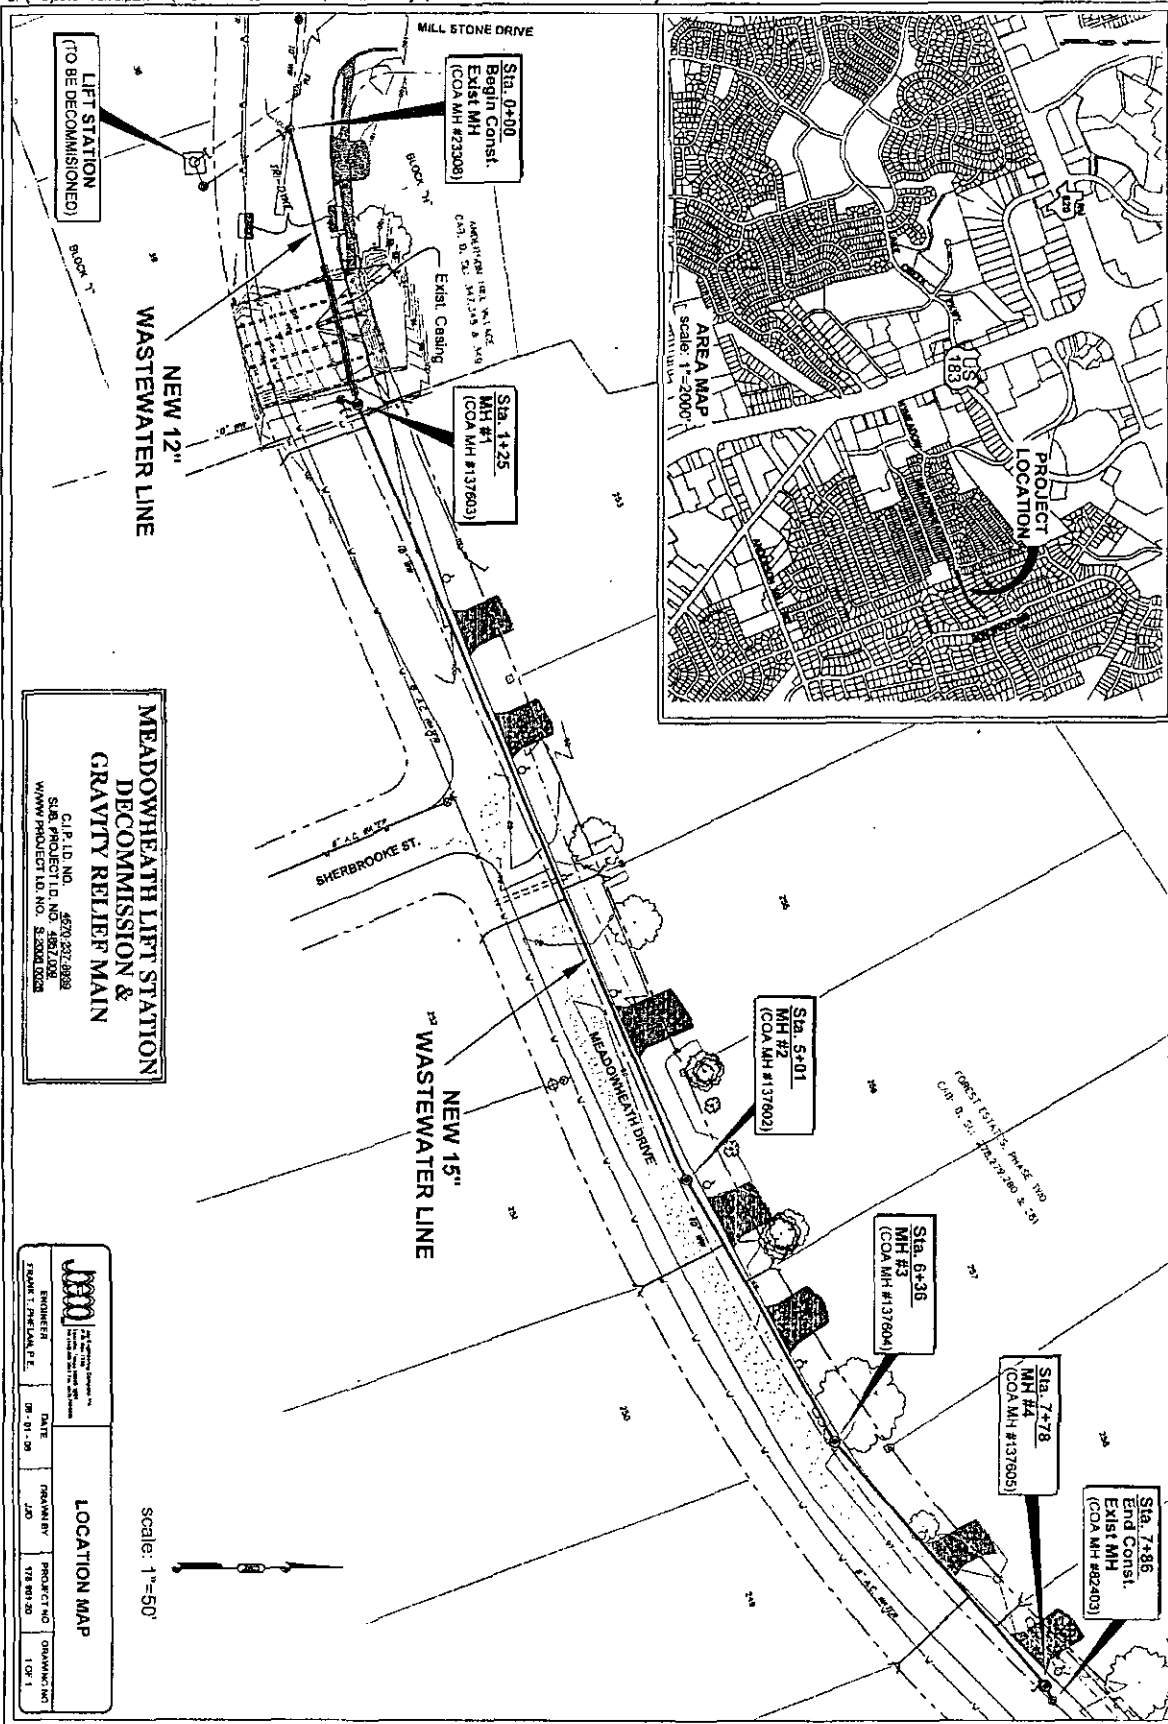

Purchasing Language: Lowest of four bids received.

MBE/WBE: 17.59 % MBE and 5.52 % WBE subcontractor participation.

Boards and Commission Action: Recommended by the Water and Wastewater Commission.

This project is a result of an agreement between the City of Austin and the Anderson Mill Municipal Utility District (M.U.D). This construction contract will provide for decommissioning the lift station that is currently part of the Anderson Mill M.U.D. In addition, about 800 linear feet of 15-inch diameter wastewater main will be installed to provide service for a mostly residential area located in the north section of Austin near U.S. 183 and Lake Creek Parkway. The wastewater main will be installed at the intersection of Millstone and Meadowheath Drive.

The contract allows 130 calendar days for completion of the project. Work is expected to begin in November 2006.
