September 28, 2006 Item #110

#### ORDINANCE NO.

## AN ORDINANCE AMENDING THE CITY CODE TO ADD CHAPTER 10-7 RELATING TO POOLS AND SPAS AND CREATING OFFENSES; AND REPEALING CHAPTER 25-12, ARTICLE 3 OF THE CITY RELATING TO SWIMMING POOLS.

### BE IT ORDAINED BY THE CITY COUNCIL: OF THE CITY OF AUSTIN:

PART 1. The City Code is amended to add Chapter 10-7 to read

# CHAPTER 10-7. POOLS AND SPAS

ARTICLE I. GENERAL PROVISIONS.

### § 10-7-1 APPLICABILITY.

This chapter applies in the zoning jurisdiction.

### § 10-7-2 DEFINITIONS.

# (A) In this chapter:

- (1) PRIVATE FACILITY means a pool or spa that serves not more than two dwellings.
- (2) PUBLIC FACILITY means a pool or spa that is governed by the state pool and sparregulations.
- (3) STATE POOL AND SPA REGULATIONS means the regulations adopted by the state of Texas to regulate public pools and spas, and includes the following, as amended from time to time:
  - (a) Health and Safety Code Section 341.064 (Swimming Pools And Bathhouses), Section 341.081 (Authority Of Home-Rule Municipalities), Section 341.082 (Appointment Of Environmental Health Officer In Certain Home-Rule Municipalities), Section 341.091 (Criminal Penalty), and Section 341.092 (Civil Enforcement);
  - (b) Health and Safety Code Chapter 757 (Pool Yard Enclosures); and

1 2	<ul> <li>(c) Texas Administrative Code Title 25, Part 1, Chapter 265, Subchapter L (Standards For Public Pools And Spas).</li> </ul>	K
3 4	(B) A term used in this chapter that is defined in the state pool and spa regulations has the meaning assigned to it by the state pool and spa regulations.	
5	§ 10-7-3 HEALTH AUTHORITY DESIGNATION; ENFORCEMENT.	
6 7	(A) In accordance with the state pool and spa regulations, the health authority is designated as the:	
8	(1) environmental health officer; and	
9	(2) local regulatory authority.	
10 11	(B) The health authority is authorized to enforce the state pool and spa regulations. The health authority may delegate enforcement to a City employee.	
12	ARTICLE 2. BUILDING PERMITS.	
13	§ 10-7-21 BUILDING PERMIT REQUIRED.	
14 15 16 17	(A) Except as provided in Subsection (B), a person may not construct or structurally alter a public facility, a private facility, or an enclosure for a public or private facility unless the building official has issued a building permit for the construction or alteration.	
18 19	(B) A building permit is not required for a prefabricated wading pool with a capacity of less than 5,000 gallons.	
20	§ 10-7-22 PERMIT ISSUANCE.	
21 22 23 24	(A) Except as provided in Subsection (B), the building official shall issue a building permit after determining that the construction plans for a public facility, private facility, or enclosure for a private facility comply with the applicable provisions of Chapter 25-12 ( <i>Technical Codes</i> ).	
25 26 27 28 29	(B) For a public facility, the building official may not issue a building permit unless the director of the Watershed Protection and Development Review Department and the health authority have approved the construction plans in accordance with Section 25-12-56 (Construction Plans).

<b>m</b> 1	ARTICLE 3. PRIVATE FACILITIES.
2 ·	§ 10-7-41 ENCLOSURE REQUIRED FOR PRIVATE FACILITY.
3 4	(A) The operator of a private facility located outdoors shall enclose the facility in the manner prescribed by this section.
5	(B) The enclosure:
6	(1) must be at least four feet in height;
7	(2) may include a fence, wall, or building;
8 9	(3) may not include an opening large enough to permit the passage of a four- inch diameter sphere; and
10	(4) must be constructed in accordance with the Building Criteria Manual.
11	ARTICLE 4. PUBLIC FACILITIES.
12	§ 10-7-61 COMPLIANCE WITH STATE POOL AND SPAREGULATIONS.
13	A public facility must be constructed, maintained, and operated in accordance with
$\mathbf{D}^{14}$	the state pool and spa regulations.
15	§ 10-7-62 CONSTRUCTION PLANS.
16	(A) A person-may not construct or structurally alter a public facility unless the
17 18	director of the Watershed Protection and Development Review Department and the health authority have approved the construction plans.
19 20	(B) A person who seeks to construct or structurally alter a public facility must submit the construction plans to the Watershed Protection and Development
21	Review Department and the health authority for review.
22 23	(C) The construction plans must comply with the requirements of the Building Criteria Manual and include:
24	(1) the proposed design of the public facility;
25	(2) a description of the construction materials; and
26 27	(3) the mechanical plans, including a description of the equipment make and model.
Ð	

i		
1 2 3	(D)	The director of the Watershed Protection and Development Review Department shall approve the construction plans after determining that the plans comply with Title 25 (Land Development).
4 5 6	(E)	The health authority shall approve the construction plans after determining that the construction plans comply with this chapter and the state pool and spa regulations.
7	§ 10-7-63	WATER QUALITY TESTS AND REPORTS.
8 9	(A)	The operator of a public facility shall test the water quality and report the results as required by state pool and sparregulations
10 11 12	(B)	In addition to the requirement of Subsection (A), for a Class C or Class D public facility the operator shall test the water quality and record the results no less often than:
13 14		(1) each day of operation, for a public facility that is in use not more than one day a week; or
15		(2) for a public facility that is in use more than one day a week:
16 17		(a) once a day, two days a week, if the operator is on-site less than 32 hours a week; or
18 19		(b) once a day, four days a week, if the operator is on-site 32 hours or more a week.
20	(C)	The operator of the public facility-shall:
21		(1) retain the test result records for at least one year; and
22 23		(2) provide the test result records to the health authority when requested by the health authority.
24	§ 10-7-64	INSPECTIONS.
25	(A)	The health authority may inspect a public facility at any reasonable time.
26 27 28 29	(B)	If access to a public facility is restricted by a locking mechanism, the operator shall provide the health authority with a key, access card, lock combination, or other the means to unlock and enter the facility.

§ 10-7-65	OPERATING PERMIT REQUIRED.
(A)	A person may not operate or exercise control over a public facility without an operating permit.
(B)	A person who seeks to operate or exercise control over a public facility must file an application for an operating permit with the health authority annually. The application must include:
	(1) the operator's name and address;
	(2) the location of the facility; and
	(3) other information as required by the health authority.
(C)	Except as provided in Section 10-7-66 (Denial Or Suspension Of Operating Permit; Appeal), the health authority shall issue an operating permit if the public facility complies with the requirements of this chapter.
(D)	A permit is not transferable.
(E)	The operator shall retain the operating permit at the public facility and permit the health authority to inspect it at any reasonable time.
§ 10-7-66	DÉNIAL OR SUSPÈNSION OF OPERATING PERMIT; APPEAL.
(A)	The health authority may deny an application for an operating permit or suspend an operating permit if:
	(1) the public facility does not comply with the requirements of this chapte
	(2) the health authority determines that the public facility is hazardous to pool users or the public; or
	<ul> <li>(3) the operator does not:</li> <li>(a) pay the permit fee;</li> </ul>
	(b) provide accurate operational records to the health authority; or
	(c) permit the health authority to inspect the public facility.
(B)	After determining that public facility does not comply with this chapter or th the operating permit should be suspended, the health authority may:
	(1) close the facility;

**()**<sup>28</sup>

	(2) notify the operator of the closure;
	(3) place a sign at the facility indicating the closure; and
	(4) lock the entrance to the facility.
(C)	The operator of a public facility may appeal the health authority's denial or suspension of an operating permit to the City Council.
	ARTICLE 5. OFFENSES.
§ 10-7-81	OFFENSES.
(A)	A person who violates this chapter commits a Class C misdemeanor punishable by:
	(1) a fine not to exceed \$500; or
	(2) if the person acts with criminal negligence, a fine not to exceed \$2,00
(B)	Each day that a violation occurs is a separate offense
(C)	Proof of a higher degree of culpability than criminal negligence constitutes proof of criminal negligence.
PART 2.	Chapter 25-12, Article 3 (Swimming Pools) of the City Code is repealed.
PART 3.	This ordinance takes effect on, 200
