For More Information: Steve Aden, Supervising Sr. Buyer, 974-2021.

Purchasing Language: Lowest bid of two bids received

MBE/WBE: This contract will be awarded in compliance with Chapter 2-9D of the City Code (Minority-Owned and Women-Owned Business Enterprise Procurement Program). No subcontracting opportunities were identified, therefore no goals were established for this solicitation.

This contract is for the purchase of a Flygt Model 3300 submersible pump for the Austin Water Utility's Shoal Creek Liftstation. Currently there are three pumps at the liftstation, two of which are damaged. This contract will allow for the replacement of one of the two damaged units. Upon delivery, the department will install the new pump and begin the rebuilding of the damaged pump.

MBE/WBE solicited. 2/2 MBE/WBE bid: 0/0

PRICE ANALYSIS a. Adequate competition. b. Ninety-one notices were sent, including two MBEs and two WBEs. Six solicitations were issued. Two bids were received with no response from MBEs/WBEs. One "No Bid" was received. c. The pricing offered represents a 28% increase to the last purchase made July 2002. This increase can be attributed to the rising production and material cost.

APPROVAL JUSTIFICATION a. Lowest bid. b. The Purchasing Office concurs with the Austin Water Utility's recommended award. c. Advertised in the Austin American-Statesman and on the Internet.
