The Avery Ranch Areas (total approximately 71 acres in Williamson County) include 240 proposed single-family lots and one proposed commercial section. These areas are currently in the City's limited purpose jurisdiction (annexed April 24, 2000). This is a consensual annexation that does not meet the requirements to be included in a municipal annexation plan (MAP), and is being annexed for full purposes in accordance with the terms of the developer's request for annexation and the limited purpose annexation Regulatory Plan.

The Council is scheduled to consider an ordinance approving this annexation at the January 11, 2007 meeting. If approved the effective date will be January 22, 2007.
