This contract is for the lease of 32 copy machines to be installed at Austin Public Library locations. These digital copiers will replace 32 analog copiers currently on lease from Xerox and Sharp. Copiers installed in public areas of the libraries will be equipped with coin/currency acceptors and TracSystems copy card readers. Library patrons may purchase pre-loaded "copy cards", which are currently used by the patrons to pay for computer print-outs. Patrons will now be able to use the same cards to operate the copiers.

The lease pricing represents a 1% decrease from the last contract award in August, 2005.
