RE: "No Contact Solicitations"

The approved Anti-Lobbying and Procurement Ordinance requires that the City Council and impacted City Boards or Commissions be notified of what solicitations are in the "No Contact Period" as defined in Chapter 2-7, Article 6, Section 2-7-105 of the Austin City Code. Attached is the listing of solicitations issued by the Purchasing Office, Capital Contracting Office, and all other delegated authorities.

As of February 17, 2015, a brief presentation on the Anti-Lobbying Ordinance and the use of the No Contact Solicitations List is attached. If you have any questions, please contact the Purchasing Office at (512) 974-2500.

For your reference, the full text of the Anti-Lobbying Ordinance can be found at <http://www.austintexas.gov/edims/document.cfm?id=161145>

Questions regarding the ordinance requirements may be directed to Sabine Romero in the City's Law Department.

If you have questions regarding any of the solicitations listed in the attachment, please contact the individual specified.

As provided in the April 8, 2009 memo to staff and board and commission members, there is an annual requirement to disclose conflicts of interest resulting from relationships with City vendors within seven (7) business days after the date a conflict is known.

Anti-Lobbying Ordinance, FY15: General Information

City of Austin, Texas

Financial Services Department

Introduction

- The Ordinance (enacted 2007) eliminates lobbying for contract awards.
- The Ordinance restricts contact between bidders (who are called “respondents” in the Ordinance) and City staff, including Mayor, Council and Board and Commission members involved in the contract award process.
- The Ordinance applies to solicitations that are expected to require City Council’s approval for award of contract.
- The Ordinance is sometimes referred to as “No Contact”.
- “No Contact” begins the day the solicitation is published and continues until the solicitation is cancelled or contract(s) are signed.
- An “Authorized Contact Person” is identified for each of these solicitations.
- A “No Contact” listing of these solicitations is updated and published once a week.
- If a solicitation is identified on the “No Contact” list, any questions about the solicitation should be referred ONLY to the Authorized Contact Person at the telephone number provided on the list.

Where is the No Contact List published?

- Solicitations in the “No Contact” period are identified on a list prepared by the Purchasing Office.
- The list is updated once a week.
- The No Contact list is published on the Internet in the Online Contract Catalog – Reports section.
