SUBJECT: Micro-Mobility Rider Behavior Ordinance (May 23 Council Meeting)

The purpose of this memorandum is to confirm the intent of the Austin Transportation Department to provide a Recommendation for Council Action (RCA) related to micro-mobility rider behavior and safety on the May 23 City Council meeting. The Austin Transportation Department will work with the Law Department to post this item on the City Council agenda addendum, which will allow for time to adequately incorporate feedback from the community to date.
