

## 350 Vehicle Towing and Impound

### 350.2.2 DRIVING A NON-CITY VEHICLE

Non-City vehicles should not be driven by police personnel unless it is necessary to accomplish a legitimate law enforcement objective, such as moving ~~move~~ a vehicle a short distance to eliminate a hazard, preventing ~~prevent~~ the obstruction of traffic, complying ~~or to comply~~ with posted signs, or maintaining the integrity of an undercover operation. Employees should be mindful of the liability incurred when operating non-city vehicles and only operate the vehicle for the shortest distance necessary to accomplish the objective.
