If your reported Ending Count does not match these numbers, please go back through your data and be sure you didn't miss something (i.e., animals in foster, adoptions, transfers, etc.). If all animals have been accounted for and the reported Ending Count is different, please indicate in the comment section.

COMMENTS: 2 of the cats that were brought in to the shelter for a euthanasia request were not euthanized; both were transferred to another animal welfare organization. 4 of the euthanasia request dogs were also not euthanized; 1 dog was returned-to-owner, and the other 3 were transferred to another animal welfare organization.
