### TRAVIS COUNTY REGISTERED DANGEROUS DOGS

(Pre March 15, 2005)

All registered dangerous dogs in Travis County should never be running at large. They are court ordered to be restrained at all times and should be wearing a large tag stating they are dangerous dogs. They have attacked in the past. They also carry a \$100,000 insurance policy under their homeowner's policy. If they attack again the court could order them put to sleep.
