Chapter 380 Business Expansion Incentive Program

Scoring Rubric
2019

This Scoring Rubric outlines the Minimum Requirements and Community Benefits the City of Austin is looking for in Business Expansion projects that request an incentive. Businesses completing the Business Expansion Incentive Application should keep these priority items in mind. The more the project can clearly evidence, describe and/or commit the priority items below, the higher the project will score.

Minimum Requirements

<table>
<thead>
<tr>
<th>Basic Requirements:</th>
<th>Project Type Requirements:</th>
</tr>
</thead>
<tbody>

Community Benefits on Page 2 ➔
### Community Benefits

**Talent Development:**
- Career ladder
- Educational opportunities and training, such as upskilling and training workshops
- Entry-level talent development programs, apprenticeships, paid internships, coop learning, work-study, etc.
- Collaboration with local schools for talent pipeline development through recruitment, internships, apprenticeships and education about industry opportunities
- Partnerships with colleges and community colleges
- Parental leave, child care programs
- Tuition reimbursement

**Employment Opportunity:**
- New employment opportunities and retention efforts for Targeted Hiring populations
- Engage a qualified third party to assist with retention of Targeted Hiring employees

**Mobility Solutions:**
- Commitment to solutions that offset traditional transportation impacts of the project, such as roadway congestion, neighborhood parking, transit needs and pedestrian/bike developments

**Neighborhood Connection:**
- Job creation near workers
- Location in an underserved neighborhood, district or community, the project deliver goods or services to the surrounding community
- Training opportunities for neighborhood residents
- Integrate workforce housing development or communal green space and parks
- Create and actively encourage employees to participate in volunteer opportunities in the neighborhood culture
- Participation in local arts and culture organizations, and/or other initiatives that amplify Austin’s neighborhood culture
- Inform and allow employees to take paid time off to vote in elections

**Sustainable Business Practices:**
- Zero Waste and resource recovery initiatives, such as, recycling and/or reuse programs
- Move the community closer to net zero greenhouse emission goals and are in line with the reductions mandated in the climate plan (25% reduction every 10 years), and getting to net zero carbon emissions by 2050
- Engage in environmentally friendly and sustainability-focused business operations that lower vulnerability to drought and flood risk
- Participation in the City of Austin’s Mobility Plan
- Disaster or emergency preparation plan
- Encourage employees to participate in sustainability measures

**Business Type / Sector / Industry Diversification:**
- Cooperatively owned or managed or has democratic forms of representation for their workforce, or will it build projects using workers that have democratic forms of representation in their workplace
- Business in a lower wage sector and choosing to pay employees above the City living wage
- New investment in a new industry to potentially create a new cluster or bring additional types of industries to Austin

**Diversity, Inclusion, & Equity/Hiring:**
- Diversity, inclusion, and equity at the executive level
- Diversity, inclusion, and equity in positions of leadership and management
- Diversity, inclusion, and equity across the workforce
- Polices or other programs to enhance diversity, inclusion, and equity
- Recruitment and retention efforts that produce equity measures, provide pathways for underrepresented minorities, and reduce racial/gender disparities

**Quality of Life Enhancements:**
- Create benefits for the workforce and proximate residents, such as focusing hiring on local workers, enveloping and/or subsidizing wrap-around services such as parental leave, childcare programs, sick leave, FMLA and other quality of life enhancements
