

REQUESTED INFORMATION

AFFORDABLE HOUSING BOND COMMITTEE MEETING

The following information is responsive to requests for additional information from the Committee:

1. The Committee requested additional information regarding the "very low income" category on the "populations served" slide, providing more specific numbers for the reported categories including seniors, children, and persons with disabilities.

Answer: Data collected provides GO Bond funded developments have provided affordable housing opportunities for 64 seniors, 249 female heads of households, and 150 persons with disabilities. The data includes numbers of occupied units to date in these categories. The unit totals noted in the presentation provided by staff in February includes both occupied and to-be-built units.

2. Provide information on when the CIP funding would be needed for the Colony Park infrastructure.

Answer: NHCD anticipates construction for the Colony Park development could begin on the third and final year of the planning agreement with HUD. The agreement with HUD was initiated in February 2012.

3. Web site providing additional information on affordable housing investments that have been funded or partially funded with General Obligation Bonds.

Answer: The Web site is at: <http://austintexas.gov/department/return-investment-roi>. Information can be sorted a number of different way including by Median Family Income (MFI) served; Clientele Served; where projects fall on the Housing Continuum; Applicants; Award Amount; location.
