

Campaign Sign Recycling

You can help keep Austin clean and green by recycling your campaign signs. This will require some planning ahead on your part.

Signs must meet these guidelines to be recycled:

- Signs made of polypropylene Coroplast™ will be accepted. **If you would like to recycle your signs, be sure to specify this material when you place your order for signs with your sign shop.** All sizes and colors of polypropylene Coroplast™ signs are acceptable, but signs must not have any vinyl lettering or vinyl overlays.
- Signs must not have stakes or hardware attached when they are dropped off for recycling.
- You may place metal sign stakes in a separate box and drop them off to be recycled as well.

Signs meeting the requirements above may be dropped off for recycling

Monday through Friday
From 8:00 a.m. – 3:00 p.m. at:

Texas Disposal Systems Materials Recovery Facility
3606-C FM 1327
Creedmoor, Texas 78617
(512) 421-1300
