III. GUIDELINES FOR ARTWORK DONATIONS

When artwork donations are proposed for placement with any City of Austin agency or department, such proposals shall be reviewed by entities that may include but are not limited to City employees, community stakeholders (individuals or groups), and a Working Group. The process outlined below assumes that the Donor has an application for artwork donation which includes drawings or photos and/or a maquette or model, or has a finished work of art to donate. Applications are accepted year round, and a minimum of two months is required between submission and the Arts Commission review.

Review Process (Step-By-Step) for Permanent Artwork Donation:

STEP 1: The Donor submits a completed Artwork Donation Application with required attachments to the Cultural Arts Division (CAD). CAD staff shall assemble the appropriate City Department Review Committee (DRC). It is recommended that the Donor discuss the proposal with CAD staff prior to completing the form, as this may be helpful and time-saving and will ensure that the application is complete.

STEP 1a: As part of the Artwork Donation Application, the Donor shall provide evidence of that a minimum of 10% funding for the total cost for creating, purchasing, and installing the artwork is secured.

STEP 2: The Donor or the Donor's representative will present the application to the AIPP Panel at a regular meeting of the AIPP Panel. The Panel will review the application based upon the **Review Criteria**. The purpose of this review is to determine the feasibility of the artwork. A User Department representative will attend the meeting. The Panel may approve the Artwork Donation Application, may approve the Artwork Donation Application with comments, or may decline to approve the Artwork Donation Application. The AIPP Panel's recommendation will go forward to the DRC.

Proposals for artworks that require extraordinary maintenance expense or interfere with department operation without the prior approval of the Director of the User Department responsible for the art after installation cannot be approved.

Proposals of artworks that are deemed unsafe cannot be approved.

STEP 3: The Donor or the Donor's representative will present the Artwork Donation Application to the DRC, which will also evaluate the application based upon the **Review Criteria**. The purpose of this review is also to determine the feasibility of the artwork.

The User Department has the discretion to present the Artwork Donation Application to any of its respective boards and commissions prior to Arts Commission action. Departments have the ability to conduct additional internal or external reviews or public presentations regarding the Artwork Donation Application. The City may postpone review and/or recommendations if a proposed site is currently involved in master planning.

STEP 3a: The recommendations from the AIPP Panel and the DRC will be forwarded by CAD staff to the User Department Director for User Department approval. If the proposed site for the artwork is in a Prominent Location (see II. Definition of Terms), the Artwork Donation Application, along with the recommendations from the AIPP Panel and the DRC, will be forwarded by CAD staff to the City Manager's Office for information.

STEP 3b: The Artwork Donation Application will be forwarded by CAD staff to the Arts Commission, along with the recommendations from the AIPP Panel and the DRC.

STEP 4: The Donor or the Donor's representative will present the Artwork Donation Application to the Arts Commission. A User Department representative will attend the meeting or provide comments in writing in advance of the meeting. The Arts Commission may vote to approve the Artwork Donation Application, approve the Artwork Donation Application with comments, may form a Working Group to review the Artwork Donation Application or may decline to approve the Artwork Donation Application.

STEP 4a: If the Arts Commission forms a Working Group, a Chair will be appointed for further review of the Artwork Donation Application. The Arts Commission Working Group shall consult with the DRC and the AIPP Panel and the appropriate boards, commissions, and other associations that may be needed for inclusion.

The Working Group shall not exceed the maximum number of commissioners allowed (including the commissioner serving as AIPP Panel liaison) and consist of no more than three members of the AIPP Panel, as outlined by the Board and Commission Ordinance. The Working Group can include other professional experts, community representatives, or City staff, as recommended by the DRC and appointed by the Arts Commission.

STEP 4b: The Working Group will review the recommendations from the AIPP Panel and the DRC and the Artwork Donation Application based upon the Review Criteria. The Working Group may recommend that the proposal be accepted, accepted with modifications, or declined.

STEP 4c: If the Working Group review results in a recommendation to accept the donation with modifications, the Donor will have the option to resubmit a modified proposal to the Working Group. Recommendations for modification must be clearly defined to ensure the changes meet Working Group expectations.

STEP 4d: The final recommendation of the Working Group is presented to the Arts Commission.

STEP 5: The Donor or the Donor's representative will be present when the final recommendation of the Working Group is presented at a regular monthly meeting of the Arts Commission. The Arts Commission may vote to approve the Artwork Donation Application, approve the Artwork Donation Application with comments, or may decline to approve the Artwork Donation Application.

STEP 5a: If the Artwork Donation Application is approved, the CAD staff will forward Arts Commission's recommendation to the User Department Director and the City Manager's Office for information. The City Manager will forward a memo to City Council regarding recommendations for accepted donations to be sited in a Prominent Location (see II. Definition of Terms).

STEP 6: The Donor will enter into an Agreement with the City of Austin for the Donation of Artwork that contains the terms of acceptance, once the artwork donation approval process has been successfully completed and the artwork is accepted. The agreement spelling out all requirements for the artwork shall be executed prior to the City's formal acceptance of the artwork.

STEP 6a: As part of the Agreement, the Donor will complete the installation of the donated artwork within 24 months from the date of Arts Commission approval. If the installation is not complete within this time frame, approval of the donation or loan is automatically rescinded. The Donor may request an extension from the Arts Commission before the 24 month window for installation of the artwork is closed. Once the deadline passes, the Donor may submit another application if interested. Donors are limited to two applications per artwork.

Step 6b: As part of the Agreement, the Donor will either provide maintenance and repairs at no cost to the City or contribute 2% of the total value of the artwork or \$5000 (whichever is less) to the City's Public Art Fund. If an appraisal is determined necessary by the City, obtaining an appraisal prior to execution of the agreement is the responsibility of the Donor. If the Donor is responsible for providing necessary and agreed-upon maintenance and repairs, and fails to do so, the City has the right to remove the artwork.

In general and except as provided herein, donations shall be accepted without restrictions or conditions. In cases where there are restrictions or conditions attached to the proposed donation, the Donor's conditions shall be considered by the User Department and City Law Department to ensure they are consistent with City policies. The agreement shall require

liability insurance and/or permits during installation and may require the Donor to provide engineer-sealed and as-built drawings.

All accepted artwork donations will be subject to the City of Austin Artwork Acquisitions and Deaccessioning Policy. All artworks shall be accessioned by the Cultural Arts Division and covered under the City's fine arts insurance policy for the stated value. It is the responsibility of the User Department to enter into a Routine Maintenance Agreement with the Donor or to perform ongoing routine maintenance of accepted artwork donations, to share any and all maintenance records with the Cultural Arts Division to ensure comprehensive record keeping, and to alert AIPP to any damage that would require repair or restoration.

Artwork acceptance governed by other City procedures is set forth under **Exceptions to this Policy**.

STEP 2: The Lender or the Lender's representative will present the Artwork Loan Application to the Department Review Committee (DRC) (see II Definition of Terms), which will evaluate the application based upon the Review Criteria. The purpose of this review is also to determine the feasibility of the artwork.

The User Department has the discretion to present the Artwork Loan Application to any of its respective boards and commissions prior to Arts Commission action. Departments have the ability to conduct additional internal or external reviews or public presentations regarding the Artwork Loan Application. The City may postpone review and/or recommendations if a proposed site is currently involved in master planning.

STEP 2a: The recommendations from the DRC will be forwarded by CAD staff to the User Department Director for User Department approval. If the proposed site for the artwork is in a Prominent Location (see II. Definition of Terms), the Artwork Loan Application, along with the recommendations from the DRC, will be forwarded by CAD staff to the City Manager's Office for information.

STEP 2b: The Artwork Loan Application will be forwarded by CAD staff to the Arts Commission, along with the recommendations from the DRC.

STEP 3: The Lender or the Lender's representative will present the Artwork Loan Application to the Arts Commission. A User Department representative will attend the meeting or provide comments in writing in advance of the meeting. The Arts Commission may vote to approve the Artwork Loan Application, approve the Artwork Loan Application with comments, may form a Working Group to review the Artwork Loan Application or may decline to approve the Artwork Loan Application.

STEP 3a: If the Arts Commission forms a Working Group, a Chair will be appointed for further review of the Artwork Loan Application. The Arts Commission Working Group shall consult with the DRC and the AIPP Panel and the appropriate boards, commissions, and other associations that may be needed for inclusion.

The Working Group shall not exceed the maximum number of commissioners allowed (including the commissioner serving as AIPP Panel liaison) and consist of no more than three members of the AIPP Panel, as outlined by the Board and Commission Ordinance. The Working Group can include other professional experts, community representatives, or City staff, as recommended by the DRC and appointed by the Arts Commission.

STEP 3b: The Working Group will review the Artwork Loan Application based upon the Review Criteria and the recommendations from the DRC. The Working Group may recommend that the Artwork Loan Application be accepted, accepted with modifications, or declined.

STEP 3c: If the Working Group review results in a recommendation to accept the Loan with modifications, the Lender will have the option to resubmit a modified proposal to the Working Group. Recommendations for modification must be clearly defined to ensure the changes meet Working Group expectations.

STEP 3d: The final recommendation of the Working Group is presented to the Arts Commission.

STEP 4: The Lender or the Lender's representative will attend when the final recommendation of the Working Group is presented at a regular monthly meeting of the Arts Commission. The Arts Commission may vote to approve the Artwork Loan Application, approve the Artwork Loan Application with comments, or may decline to approve the Artwork Loan Application.

STEP 4a: If the Artwork Loan Application is approved, the CAD staff will forward Arts Commission's recommendation to the User Department Director and the City Manager's Office for information. The City Manager will forward a memo to City Council regarding recommendations for accepted Loans to be sited in a Prominent Location (see II. Definition of Terms).

STEP 5: The Lender will enter into an Agreement with the City of Austin for the Loan of Artwork that contains the terms of acceptance, once the artwork Loan approval process has been successfully completed and the artwork is accepted. The agreement spelling out all requirements for the artwork shall be executed prior to the City's formal acceptance of the artwork.

STEP 5a: As part of the Agreement, the Lender will complete the installation of the loaned artwork within the 9 months from the date of Arts Commission approval. If the installation is not completed within this time frame, approval of the loan is automatically rescinded. The Lender may request an extension from the Arts Commission before the 9 month window for installation of the artwork is closed. Once the deadline passes, the Lender may submit another application if interested. Lenders are limited to two applications per artwork.

Step 5b: As part of the Agreement, the Lender will provide maintenance and repairs of the loaned artwork at no cost to the City. If the Lender fails to provide necessary maintenance and/or repairs, the City has the right to remove the artwork.

In general and except as provided herein, Loans shall be accepted without restrictions or conditions. In cases where there are restrictions or conditions attached to the proposed Loan, the Lender's conditions shall be considered by the User Department and City Law Department to ensure they are consistent with City policies. The agreement shall require liability insurance and/or permits during installation and may require the Lender to provide engineer-sealed and as-built drawings.

All accepted artwork loans will be subject to the City of Austin Artwork Acquisitions and Deaccessioning Policy. All artworks shall be accessioned by the Cultural Arts Division and covered under the City's fine arts insurance policy for the stated value. It is the responsibility of the User Department to enter into a Routine Maintenance Agreement with the Lender or to perform ongoing routine maintenance of accepted artwork Loans, to share any and all maintenance records with the Cultural Arts Division to ensure comprehensive record keeping, and to alert AIPP to any damage that would require repair or restoration.
