

**Agreement  
City of Austin  
Circuit Events Local Organizing Committee  
(American Le Mans Series 2013)**

The City of Austin, a home-rule municipal corporation located in Hays, Travis, and Williamson Counties, in the State of Texas, (City) acting through, its duly authorized agent the City Manager, and Circuit Events Local Organizing Committee, a Texas non-profit corporation, (CELOC) acting through its duly authorized director or officer, enter into this Agreement (Agreement), upon the terms and conditions set forth below.

RECITALS:

1. Tex. Rev. Civ. Stat Art 5190.14 § 5C, the Events Trust Fund Act (Act) and rules related to the Act, found at 34 Tex. Admin. Code, Chapter 2 Subchapter B, as amended and supplemented (collectively, the Rules), were passed and enacted for the purpose of attracting and securing eligible events to Texas. The Texas Comptroller of Public Accounts (Comptroller or State) is tasked with administering the Act and the Rules. The Act at 5C(a)(3), defines eligible events (Event). CELOC has proposed American Le Mans Series (commonly known as “American Le Mans”), whose site selection committee is American Le Mans Series, as an eligible Event under the Act. The subject American Le Mans event (American Le Mans Event) will be held during September 20 – 22, 2013 at the raceway facilities of Circuit of the Americas (COTA) in Austin, Texas.
2. The Act at 5C(a)(2), provides that a municipality that contains a site selected by a site selection organization for one or more events, such as the Circuit of the Americas Track now located in the City, is an eligible “Endorsing Municipality” for purposes of establishing an Events Trust Fund (ETF) as authorized under the Act at 5C(d) thus making local and state funds available to attract, secure, and hold an eligible event, such as the American Le Mans Event.
3. The Act at 5C(b) authorizes an Endorsing Municipality or a local organizing committee (Local Organizing Committee), such as CELOC, to request that the Comptroller estimate the incremental increases in certain local taxes (Local Increment) and state taxes (State Increment) that will be attributable to the Event.
4. The Act at 5C(d) and (d-1) authorizes the City, or its designee, to fund the ETF in an amount up to the estimated Local Increment. Under this Agreement, CELOC, as the City's exclusive designee, has agreed and committed to fund the Local Increment on behalf of the City; the Act at 5C(f) authorizes the State to fund the ETF with \$6.25 for each dollar of estimated Local Increment, but not more than the estimated State Increment
5. The Act at 5C(d-1) and (e) authorizes the City to determine whether the Local Increment will come from sales, use, and mixed beverage tax collected and retained by the State; hotel occupancy tax collected and remitted by the City; surcharges; any other source; or

any combination of sources. However, under this Agreement, CELOC has agreed and committed to fund the Local Increment on behalf of the City.

6. If CELOC does not fund the Local Increment on behalf of the City, the City may terminate this Agreement, under Section 25 below.
7. The Act at 5C(k) authorizes disbursements to CELOC as the "Local Organizing Committee" on the prior approval of the City.
8. The parties acknowledge and agree that City will solely and exclusively utilize CELOC as its designee (Designee) to provide the Local Increment, and that this Agreement does not affect Comptroller's responsibility to provide City's tax revenues to the City. This agreement does not require the expenditure of City funds into the ETF.
9. On December 10, 2012, the CELOC Board of Directors voted to request, and COTA has submitted a formal letter requesting, that the City (i) act as the Endorsing Municipality for purposes of establishing an ETF for the Event, and (ii) authorize CELOC, as the local organizing committee, to submit a request to the Comptroller to determine the incremental increase in the receipts of various taxes for the Event.
10. On December 13, 2012, the City, by resolution of City Council, approved the City to act as "endorsing municipality" for the event, to approve and appoint CELOC as the Local Organizing Committee for the Event, to approve CELOC to apply to the site selection organization for the Event, to hold the Event in Austin, Texas in September of 2013, and approve CELOC to make application to the Comptroller for and on behalf of the City as the endorsing municipality for participation in the ETF.
11. On January 22, 2013, CELOC made application to American Le Mans Series, as the site selection committee for American Le Mans (the "Site Selection Organization") for an American Le Mans Event to be held in Austin, Texas for September of 2013. On January 23, 2013, the City received a letter from the Event Site Selection Organization, confirming that, after an international highly competitive selection process, the Site Selection Organization has chosen Austin as the sole location for the September, 20 – 22, 2013 Event.
