Dear Mr. Ott:

You recently submitted a request to establish an Events Trust Fund, certifying that the statutory requirements for the establishment of an Event Trust Fund have been met and that the economic materials supplied by you and your staff are accurate. Our office has completed an analysis of your request.

The results of the analysis show the State of Texas will realize an incremental increase in tax revenue due to this event. As per statute, an Events Trust Fund will be established. Please note that this letter does not constitute an approval for reimbursement. Any reimbursement is subject to meeting other statutory requirements, including the timely submittal of an appropriate event support contract and any other documentation as required by the Office of the Comptroller.
