Artist Biography or Organizational History (150 words)

The goals of the Creative Ambassador Program are to enhance Austin’s profile worldwide as a center of creativity; support the local creative community; and facilitate dialogue between regional, national, and international agencies.

How will you be able to help achieve these goals in your role as a Creative Ambassador? (100 words)

By signing this document, I authorize the City of Austin Cultural Arts Division to publish my contact information, artist bio, and photo on the City of Austin website in the event that I am chosen as a Creative Ambassador.
