**2016 exhibition**

# Welcome to the 12th Annual People's Gallery Exhibition!

Each year the Cultural Arts Division of the Economic Development Department presents the People's Gallery exhibition, designed to showcase regional artistic endeavors and to encourage public dialogue, understanding, and enjoyment of the visual arts. Since 2005, Austin City Hall has been an annual showcase for works by Austin-area artists. The goal of the program is to present a series of exhibitions that reflect the artistic excellence and diversity of Austin and promote the City's cultural and economic initiatives. The works presented span a range of sensibilities and materials while holding to a high standard of quality in the field. The success of this program would not be possible without Austin artists, galleries, collectors, and museums, which generously loan their artwork to the exhibition for the enjoyment of residents and visitors.

## Exhibition Hours

The 2016 exhibition will be on display from February 26, 2016, through January 6, 2017. Visitors can view the exhibition during regular business hours, Monday–Friday, 8 a.m.–5 p.m.

## Featured This Year

The 2016 exhibition includes over 150 works by approximately 100 artists. A panel of arts professionals reviewed 1200 entries submitted by over 350 local artists and arts organizations. The panelists this year were Nick Ramos, Curator for the Georgetown Art Center and Owner of Graphismo; Artist and Curator Hector Hernandez; and Hollis Hammonds, Artist and Chair of Visual Studies at St. Edward's University. The exhibition was managed and designed by Exhibition Coordinator Suzanne Burton with assistance from Terra Goolsby.

Located on the first floor is a special exhibit by individuals who are clients of Caritas of Austin. Through comprehensive, relationship-based services, Caritas of Austin turns crisis into stability and empowers people toward the life they want. Caritas believes that a thriving community derives its strength from providing all members the opportunity to be self-reliant.

On the second floor is a special exhibit featuring artworks by students in the Austin Independent School District (AISD). The AISD Visual Arts Program seeks to provide quality, arts-rich education for each and every child in Austin ISD.

## The People's Choice

Each year the public is invited to vote for their favorite artwork! Gallery visitors can submit their top three choices by paper ballot. The ballots and ballot box are located in the second floor lobby of City Hall. Each person is allowed only one ballot, and no anonymous ballots will be accepted. "The People's Choice" is selected from among the top-recommended artworks each year. Previous People's Choice artworks and other artworks from the City's permanent collection are ineligible for this year's vote. Voting ends October 28, 2016, and the winner will be announced with next year's People's Gallery exhibition.

## Support Your Local Artists

Many of the works in the exhibition are for sale by the artist. Pricing and contact information are included in the gallery guide. Artworks that are not for sale are labeled "NFS."
