

EMS – Transport Count by Destination

Description This table shows the count of patients transported to each system-approved receiving facility by month. The current facilities included in the list are:

- Cedar Park Regional Medical Center
- Dell Children's Medical Center
- Heart Hospital of Austin
- Lakeway Regional Medical Center
- North Austin Medical Center
- Saint David's Children's Hospital
- South Austin Medical Center
- Saint David's Emergency Center - BeeCave
- Saint David's Emergency Center - Cedar Park
- Saint David's Emergency Center - Pflugerville
- Saint David's Medical Center
- Saint David's Round Rock Medical Center
- Seton Medical Center Austin
- Seton Medical Center Hays
- Seton Medical Center Williamson
- Seton Northwest Hospital
- Seton Southwest Hospital
- Scott & White Hospital - Round Rock
- University Medical Center Brackenridge
- Westlake Medical Center

The table includes a destination of “Other/Missing” for cases where data is either absent, incorrect, or reflects a transport to another facility.
