

Wildland Urban Interface Code Areas

City of Austin

Wildland-Urban Interface areas are developed or developable properties within 150 feet of a 40 acre or larger wildland area and/or within 1.5 miles of a 750 acre or larger wildland area

The property boundaries and easements are for informational purposes and may not have been prepared for or be suitable for legal, engineering, or surveying purposes. Unless otherwise noted on the drawing they do not represent an on-the-ground survey and represent only the approximate relative location. The boundaries have been produced by the Austin Fire Department Wildfire Division for the sole purpose of geographic reference. No warranty is made by the City of Austin regarding specific accuracy or completeness.
