

GUIDANCE FOR FAITH-BASED SERVICES, PLACES OF WORSHIP & FUNERALS

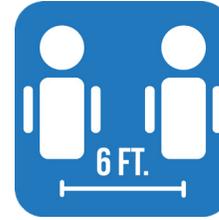

Recommendations:

Online and virtual services are strongly recommended and encouraged.

Designate an area inside reserved for the at-risk population, or offer a service for at-risk population attendees only.

Ensure 6 feet of space between attendees, whether standing or sitting. Keep at least 2 empty seats between non-household members.

Train employees & volunteers on appropriate cleaning & disinfection, hand hygiene, & respiratory etiquette.

Encourage the use of face coverings amongst attendees, staff & volunteers.

Do not allow employees or volunteers to come to work if they have had contact in the past 14 days with someone confirmed to have COVID-19.

Practice sanitation practices like disinfection of surfaces, seats after each service. Disinfect any objects touched by attendees.

If providing meals, have meals individually packed for each employee, volunteer, or attendee.

Make hand sanitizer, disinfecting wipes, soap and water, or similar disinfectant readily available.

Recommendations for Attendees:

- Attend services virtually or online when available.
- Wear a fabric face covering.
- Consistently maintain 6 feet of distance between yourself and attendees that you do not share a household with.

- Check your symptoms before leaving your home to attend a service. Do not attend if you are experiencing any of the COVID-19 symptoms, such as cough, fever, body aches & chills, sore throat or loss of taste or smell
- Wash or disinfect your hands before and after attending a service.
- Stay home if you have had contact in the past 14 days with someone confirmed with COVID-19
