Austin Housing Finance Corporation

November 3, 2023

To Whom It May Concern,

Enclosed is our application for funding application for Austin Housing Finance Corporation Rental Housing Development Assistance funding for Q2, 2023-2024.

Last quarter we had requested \$2,215,019. Based on updated fundraising progress, this amount has increased to \$2.7 million, but is the maximum we will request from AHFC for this project. That would bring the total the city has committed to this project in RHDA funds to \$6.7 million. While this would be a substantial investment that we would be grateful to receive, it keeps city funds to less than 1/3 of the total budget, and is substantially less than what the County has allocated to the project. It also keeps the city's total investment to \$83,750 per unit, which we believe is in-line with prior city awards.

In denying our prior application last week, AHFC cited two factors: "Uncertainty Around Other Funding Sources" and "Uncertainty Surrounding the Affordability Unlocked Agreement." We take these critiques seriously, and should have firm progress on both fronts in the next few weeks.

We understand that the city and county are engaging in serious discussions regarding the funding for these projects. We look forward to also engaging both the city and the county – and private sources – in further discussion around this application, so that a full and firm capital stack is established by the end of the year.

Thank you,

Quincy Dunlap

Urban Empowerment Zone I: Austin, Texas

Development Name: Urban Empowerment Zone I (UEZ I)

Construction Type: New Construction

Target Population: Permanent Supportive Housing for Current People Experiencing or People At-Risk of Homelessness

Number of Units: 80 units

Number of Buildings: One four-story, elevator-served building with offices and community spaces

Capital A Housing - a local Austin developer of affordable and mixed-income housing - has partnered with the Austin Area Urban League to develop Urban Empowerment Zone (UEZ I). The project's primary goal is to expand Austin and Travis County's homelessness response system by providing at least 80 units of permanent supportive housing for current people experiencing or people at-risk of homelessness. Capital A Housing is developing the site as a turn-key building, and handing it over to Austin Area Urban League to be both the 100% owner/operator and the supportive services provider.

This project is part of the Travis County Supportive Housing Collaborative, in which seven local non-profits have banded together to coordinate the allocation of \$50 million in American Rescue Plan Act funding administered by Travis County, to construct new supportive, homelessness response housing. The other members of the Collaborative are A New Entry, Integral Care, Caritas of Austin, Family Eldercare, LifeWorks, and SAFE Alliance.

Because this is a supportive housing project, any revenue in excess of normal operational expenses will go towards providing wraparound supportive services. Any payments towards debt would reduce the available cash flow to redirect into supportive services. For this reason, it is imperative that UEZ I and projects like it are debt-free and able to fully utilize ongoing net operating income for supportive services for its residents.

This project and the RHDA funding would then become a key part in securing the housing to adequately respond to the needs of our neighbors experiencing homelessness, which has been prioritized by our community and its leaders. This project in particular was selected to apply for RHDA funding due to the city's emphasis on allocating resources specifically to housing chronically homeless individuals. This represents a large but effective investment of city resources in not only securing housing, but doing it in a development designed from the ground up to contribute to the success of its residents, and to dramatically reduce the need for scarce ongoing funding for support services.

This development is an all-hands effort. Austin Area Urban League is uniquely qualified to house and serve that population and Capital A Housing, as an experienced developer of

affordable housing, is the perfect partner to manage all aspects of development and deliver a completed building quickly during this time of crisis. The County has committed millions in capital funding (\$8.5 million has been dedicated to this project). The City has already been helpful, with its award last year of \$4,000,000, along with the Development Services Department, at the direction of City Council, agreeing to expedite the permitting process across all departments, reducing the expected approval time by six to eight months.

About the Community:

- 80 units comprised of 60 studio apartments and 20 one-bedrooms.
- Third-party property management to prevent conflicts of interest (still TBD but are considering Volunteers of America).
- Community spaces including an indoor multipurpose room, offices, an on-site laundry room, and single-entry/controlled-access reception area.
- Supportive services by Austin Area Urban League.
- 100% of the units in this building are reserved for individuals coming off the Coordinated Entry list.

A letter from ECHO supporting this application has been included, but not a Continuum of Care MOU, because all parties agreed that an MOU specifically tailored to Permanent Supportive Housing (instead of CoC) would function better as an agreement. We expect to execute an agreement between ECHO, Austin Area Urban League and Capital A Housing.

About the Residents:

For underwriting purposes, the following breakdown is being submitted to the City and TDHCA:

- 15 units for individuals making < than 30% Area Median Family Income
- 65 units for individuals making < than 50% Area Median Family Income

However, if this application and the voucher funds are approved, it is our intent that no residents be required to pay any rent, and that potentially all residents have no income. This is permanent supportive housing for Austinites at risk or currently experiencing homelessness.

About the Services:

Austin Area Urban League will provide intensive supportive services for all residents. Please see later in the application for examples of the types and levels of service.

About the Location:

The UEZ I has good transit access and is located on an Imagine Austin Corridor.

Financing:

- \$8.5 million in Travis County ARPA funds;
- \$4 million in Philanthropic Donations
- \$4 million committed in AHFC RHDA funds
- \$2.7 million in current AHFC RHDA request

We have applied for up to 80 project-based vouchers through a HACA notice of funding availability. While we did not receive those vouchers, we plan to apply to future HACA or City of Austin NOFAs. However, those vouchers are not assumed as part of the capital stack in this application and are not essential to construction. They would help pay the supportive services costs and ensure that all units can be offered to youth without regard to ability to pay.

Copies of the resolutions from the Travis County Commissioners Court earmarking the ARPA funds for the Collaborative projects have been included in this application.

This project also has no land acquisition cost because a tax abatement agreement currently being negotiated with the Housing Authority of Travis County that involves the owner/landlord of this site is expected to also generate the donation of land as well as annual subsidies for the support services budget. This has substantially reduced project cost.

Timing and Submission:

Austin Area Urban League RHDA Request #2 – UEZ I

This application has been filed by Capital A Housing. Austin Area Urban League's leadership has authorized basing the application on our plans for the site, and their board is expected to fully approve the project before final AHFC award of funds.

The Urban Empowerment Zone I project was the recipient of an RHDA award of \$4,000,000 in the summer of 2022. Since then, the Austin Area Urban League and its development coordinator Capital A Housing have worked to complete the project's capital stack. As with many other real estate projects during the turbulent market conditions of the 12 months, construction costs increases have surfaced in the development budget. The Texas Department of Housing and Community Affairs HOME-ARP NOFA was oversubscribed, and corporate philanthropic giving has been diminished as certain industries are impacted by the economic environment.

We appreciate the City of Austin's continued partnership on this project to provide deeply affordable supportive housing and the consideration for an additional request of RHDA.

Point of Contact

Conor Kenny, Principal

512.968.3050

conor@civiltudegroup.com

Capital A Housing is an Austin development company that specializes in residential projects with a heavy income-restricted affordable housing component. Capital A Housing maintains close relationships with Civiltude, an Austin civil engineering firm, and Constructinople, an Austin construction company, that together allow Capital A to handle affordable and market-rate housing development from soup to nuts. Capital A Housing and Constructinople specialize in development and construction for housing non-profit and governmental clients, as well as their own projects.

While Capital A Housing is a relatively new company, founded in 2018, its leadership is well versed in affordable housing in Austin, from construction to sales to policy. Capital A has a new 17-townhouse development in north-central Austin, "A at Lamppost", nearing its completion in 2022. A at Lamppost was the first project to be built under the city's Affordability Unlocked policy, which principal Conor Kenny worked on during his tenure at the city's Planning Commission. Capital A also partnered with the City of Austin to secure \$1.3 million in development assistance funding to keep 100% of the units there below-market-rate, with buyers falling below 80% of the city's Median Family Income.

Austin faces significant challenges in creating adequate affordable housing in the coming years, and Capital A Housing is deeply invested in meeting that challenge. Capital A's developments and overall strategy are built around Austin programs like Affordability Unlocked and Housing Development Assistance funding, the state's Low-Income Housing Tax Credit programs, and the Austin Transit Partnership's upcoming anti-displacement programs. Capital A applies its extensive knowledge of these policies and programs not only for its own developments, but also for other developers, in part because Austin's affordable housing needs are so great. Capital A also specializes in harmonizing its projects with the city's strategies around housing, transportation, and other intersecting issues, as well as with the needs and wishes of the city's diverse neighborhoods and communities.

CAPITAL A HOUSING

Project Experience

Project Name

A at Lamppost

Total Construction Cost

\$4,700,000

Unit Count or Sq ft.

17 multi-bedroom units

Location

12500 Lamppost Lane, Austin, TX 78727

Completion Date

2022

Capital A Housing's "A at Lamppost" development, at 12500 Lamppost Lane, contains 17 multi-bedroom, family-friendly, townhouse-style homes for purchase all by families making 60-80% of Austin's Median Family Income. It is the first development utilizing the "Affordability Unlocked" ordinance to break ground in Austin. The development qualified for the "Tier 1" ordinance provisions, which waive or relax city requirements for parking, setbacks, and density levels for projects with at least half of their units being income-restricted. A at Lamppost was financed in part with \$1.3 million from the City of Austin's Ownership Housing Development Assistance program, and is on-track for completion by May of this year. The development team included several team members for A at St. Johns: Capital A Housing as Developer, Civiltude as Civil Engineer, Constructinople as General Contractor, and Guadalupe Neighborhood Development Company handling buyer qualification screening and general affordability compliance.

CAPITAL A HOUSING

Project Experience

Project Name

Blackland CDC Alley Flats

Total Construction Cost

\$454,686

Unit Count or Sq ft.

Location

2106 Chicon St, Austin, TX 78702

2203 Salina St, Austin, TX 78702

1910 Salina St, Austin, TX 78702

Completion Date

October 2020

Owner

Blackland CDC

The Blackland CDC Alley Flats were built by A at St Johns team members Constructinople as the General Contractor and Community Powered Workshop as the Architect. These income restricted Alley Flats were designed in collaboration with Blackland CDC to fit behind existing single family residences. Three 2-bed, 2-bath accessory dwelling units were completed on an expedient 7 month timeline.

CAPITAL A HOUSING

Project Experience

Project Name

Jordan at Mueller

Total Construction Cost

\$26,700,000

Unit Count or Sq ft.

132 units

Location

2724 Philomena St, Austin, TX 78723

Completion Date

December 2019

Capital A Housing President Eyad Kasemi and St Johns Village's civil engineer Civiltude designed the site for the Jordan at Mueller, receiving a site development permit in a record four months. Open in 2019, the Jordan is located in the Mueller neighborhood in East Austin. This new community provides 132 deeply affordable, service-rich homes for low-income families. The Jordan features housing for people making about 50 to 60 percent of the median family income, with 14 units reserved for families who are homeless or at risk of homelessness. The Jordan was built utilizing low-income housing tax credits from the Texas Department of Housing and Community Affairs and bond funding via the City of Austin's Rental Housing Development Assistance program.

CAPITAL A HOUSING

Project Experience

Project Name

La Vista de Lopez

Total Construction Cost

\$5,800,000

Unit Count or Sq ft.

27 units

Location

809 E. 9th St, Austin, TX 78702

Completion Date

Est December 2022

La Vista de Lopez will be a 27 unit income-restricted affordable housing building for seniors near the heart of downtown. It will be fully ADA-compliant and will be income-restricted for seniors making less than 50% Austin's Median Family Income. It is being developed by some members of the A at St. Johns team, including developer Guadalupe Neighborhood Development Corporation and civil engineering by Eyad Kasemi of Capital A Housing and Civiltude. The nine-story tower is being built adjacent to a historic property on land purchased through financing from the Austin Housing Finance Corporation.

1 units

Location

1608 Cedar Avenue, Austin, TX 78702

Completion Date

December 2019

The Cedar Alley Flat was built by St Johns Village team members Constructinople as General Contractor, Civiltude as civil engineer, and Community Powered Workshop as architect. The 3 Star Green Building home is income-restricted for a 3 person family at 80% of Austin's MFI or below. Designed in collaboration with the landowners to fit behind an existing home by Community Powered Workshop's Alley Flat Initiative, the Cedar Alley Flat is the kind of thoughtful infill housing that Capital A Housing aims to deliver in addition to other forms of missing middle housing.

1.C. Statement of Confidence

All consultants and the professional team engaged are all local to Austin and have experience working on Austin-based, affordable housing projects. Eyad Kasemi and Faye Kazi began their involvement in the development of affordable housing in Austin through their Civil Engineering firm, Civiltude, founded by Kazi ten years ago. While Civiltude has worked on projects outside of Austin, this has only been for engineering services. Kasemi developed the first City of Austin Affordability Unlocked project, A at Lamppost.

Urban Empowerment Zone I

RHDA Funding Application

Attachments 2. Principals Information

2. Principals Information

Capital A Housing has engaged the following high-quality development team to oversee the development of the Urban Empowerment Zone I:

Lead Developer	Capital A Housing
Supportive Service Provider / Owner	Austin Area Urban League
Civil Engineer	Civilitude
Architect	TBD
General Contractor	TBD
Property Management	TBD

Please see the attached documentation of experience for the team members listed above. Each team member has vast experience in the development of affordable housing and intimate familiarity with the funding sources scheduled for this project.

Conor Kenny

Principal and Director of Public Affairs

Conor Kenny is a longtime government, politics, and policy professional at the local, state, and federal levels, having worked for a variety of government-focused non-profits and the state government. He has been deeply engaged in Austin housing and development policy as a member of the city's Design Commission and Planning Commission, where he served as chair and led the commission's Transportation Working Group and the Land Development Code Re-Write working groups on residential and non-residential zoning. At Capital A Housing he performs a wide variety of roles, including planning, community engagement, advocacy, government relations, strategy, and business development. Mr. Kenny specializes in putting together projects that are responsive to the city's - and particular neighborhoods' - needs and priorities, for development that breaks the usual mold and is welcomed by communities.

Community Engager Experience

A at Lamppost, Austin, TX

Capital A Housing's "A at Lamppost" development, at 12500 Lamppost Lane, contains 17 multi-bedroom, family-friendly, townhouse-style homes for purchase all by families making 60-80% of Austin's Median Family Income. It is the first development utilizing the "Affordability Unlocked" ordinance to break ground in Austin. The development qualified for the "Tier 1" ordinance provisions, which waive or relax city requirements for parking, setbacks, and density levels for projects with at least half of their units being income-restricted. A at Lamppost was financed in part with \$1.3 million from the City of Austin's Ownership Housing Development Assistance program, and is on-track for completion by May of this year. The development team included several team members for A at St. Johns: Capital A Housing as Developer, Civiltude as Civil Engineer, Constructinople as General Contractor, and Guadalupe Neighborhood Development Company handling buyer qualification screening and general affordability compliance.

2011 Franklin Ave, Austin, TX

Community engagement representative for EM Franklin LLC's 2011 and 2015 Franklin Ave development. Collaborating with the City, Developers and most importantly with the neighborhood communities in order to achieve a development that is most suitable for the neighborhood.

ST Georges Green, Austin, TX

Capital A Housing's "A at St. Georges Green" development, at 5300 St Georges Green, is an affordable housing community that will provide eight rental units affordable to households earning 50% or less of Median Family Income. This high-impact property will be nestled in a single-family, high-opportunity neighborhood right off of Manchaca and Stassney Lanes and a stone's throw from Austin Community College's South Austin campus. The project will provide affordable homes in a family-centric neighborhood where the average market rent is \$1,487 per month

A at E St Johns Ave, Austin, TX

Community engagement representative for Capital A Housing's A at St Johns. Collaborating with the City, Developers and most importantly with the neighborhood communities in order to achieve a development that is most suitable for the neighborhood.

Eyad Kasemi, EIT
President

Mr. Kasemi is a civil engineer with a construction management academic background. He has over 12 years of experience in land acquisitions, land development, and pro formas. Mr. Kasemi also has worked effectively using financing instruments in the capital stack to maximize IRR for over 6 years. Through years of experience, he has developed a deep understanding and expertise in identifying infill properties with development potential and managing multiple consultants and contractors from feasibility to move-in ready as well as recapturing properties in floodplains or infrastructure burdened and optimizing infrastructure requirements through negotiations with municipalities.

Jordan at Mueller, Austin, TX

Capital A Housing President Eyad Kasemi and St Johns Village's civil engineer Civiltude designed the site for the Jordan at Mueller, receiving a site development permit in a record four months. Open in 2019, the Jordan is located in the Mueller neighborhood in East Austin. This new community provides 132 deeply affordable, service-rich homes for low-income families. The Jordan features housing for people making about 50 to 60 percent of the median family income, with 14 units reserved for families who are homeless or at risk of homelessness. The Jordan was built utilizing low-income housing tax credits from the Texas Department of Housing and Community Affairs and bond funding via the City of Austin's Rental Housing Development Assistance program.

La Vista de Lopez, Austin, TX

La Vista de Lopez will be a 27 unit income-restricted affordable housing building for seniors near the heart of downtown. It will be fully ADA-compliant and will be income-restricted for seniors making less than 50% Austin's Median Family Income. It is being developed by some members of the A at St. Johns team, including developer Guadalupe Neighborhood Development Corporation and civil engineering by Eyad Kasemi of Capital A Housing and Civiltude. The nine-story tower is being built adjacent to a historic property on land purchased through financing from the Austin Housing Finance Corporation.

Waterloo Terrace, Austin, TX

Project Manager for 132-unit permanent supportive housing for single adults on 2.5 acres near the Mo Pac Expressway and Parmer Lane intersection - near the Domain, job opportunities, medical services at St. David's Hospital and the Walnut Creek Greenbelt. Eyad performed grading, drainage, utilities and site plan production and permitting.

Colony Park, Austin, TX

Located in Northeast Austin, the project site offers a unique opportunity to meet the needs of the community & provide a catalyst for economic development & growth for the area. Funded through a US HUD Sustainable Communities Challenge Grant to further its six livability principles, the development will incorporate best practice strategies for energy-efficient, building design, water conservation & zero-waste technology to create a model sustainable & livable mixed-use, mixed-income community. Civiltude provided utility infrastructure design services for the 258-acre masterplanned community and Eyad served as a design team member

Fayez Kazi, PE, LEED AP
Principal

Mr. Kazi has over 24 years of experience providing public and private sector clients with entitlements and the design, management and construction of site development projects. Mr. Kazi has worked on ADA improvements projects to complex site development and roadway projects. Mr. Kazi brings a unique combination of technological savvy, professional service, technical knowledge and enthusiastic commitment to his clients. His strengths also include a deep understanding of the permitting process, environmental sensitivities, grading and drainage as demonstrated by the list of selected projects below:

Lakeline Station Apartments, Austin, TX

128-unit SMART Housing multi-family development with Learning Center, Trail and Sidewalk to Lakeline TOD Station in the northwest corner of Rudledge Spur and 620 North. The project was within the Northwest Park and Ride TOD district which required partial street and pedestrian improvements in both City and TxDOT public right of way. The project also required a water main extension through private property. Civiltude provided context sensitive site design and permitting which includes pavement repair and expansion, street parking and pedestrian path improvements along the southern most section of Rutledge Spur (one of eight local mobility areas to be studied by the City). The team resolved various challenges along this narrow street including above ground electrical infrastructure, topography, and existing trees.

Cardinal Points Apartments, Austin, TX

120-unit SMART Housing multi-family development at the southwest corner of Four Points Dr and River Place Blvd. The project site has several critical environmental issues such as caves, underground voids, golden cheeked warblers endangered species, and densed inventory of trees. In addition to developing the site, Civiltude also assisted Foundation Communities to extend almost one mile of sidewalk to connect the site to the nearest job center and modify Four Points Drive

Guadalupe Saldana Apartments, Austin, TX

Project Principal & Project Manager for 90-unit fully affordable detached condominium and single-family Netzero development in East Austin. Design included flood plain modeling and modification, low-impact development techniques such as raingardens and biofiltration pond.

Sierra Vista Apartments, Austin, TX

Civiltude teamed up with the non-profit consultant Community Powered Workshop to design Foundation Community's Sierra Vista Apartments. First developed in the early 1980's, the site had entered a state of disrepair and required extensive interior renovation and site improvements, including several foundation repairs and bringing parking & pathways into ADA compliance.

Gaston Place Apartments, Austin, TX

Civiltude collaborated with HACA, AHA! and Community Powered Workshop to design a 27-unit complex in northeast Austin. Gaston Place Apartments provides one and two-bedroom apartments for households with incomes below 50% of the median family income.

Firm Overview & History

Civiltude is a local, Asian minority-owned engineering and planning firm, established in early 2010.

Founded by Fayez Kazi, PE, Civiltude's core principle is to deliver effective design solutions and experienced project management competitive to large companies while providing personal, flexible and timely communication that only a small, nimble firm can provide. Nhat Ho, PE, has been with Civiltude since its inception, starting as an engineer prior to joining the management team in 2014 and more recently becoming named President of Civiltude in 2021.

Civiltude brings the full package of technical and permitting knowhow, positive working relationships with City staff, as well as experience in interfacing with neighborhoods and other community stakeholders. Our leadership team brings a combined 65 years of experience in delivering various project types, including field engineering with daily interaction with property owners. Our extensive experience with SMART housing projects (a type of certification by the City of Austin), public schools and downtown high-rise developments with compressed permitting timelines has enabled our team to test, benchmark and optimize effective permitting strategies.

Additionally, as the prime engineers for various public entities including the City of Austin, our team has successfully cultivated positive working relationships with reviewers at several levels across multiple regulatory bodies. Most importantly, our team's past and present service on the City of Austin's Planning Commission, Water and Wastewater Commission, Environmental Commission as well as several non-profit boards and neighborhood associations puts us in a unique position to facilitate conversations, resolve issues and build neighborhood goodwill and consensus in the community.

When it comes to growth, our focus is not only on our team size and expanding public and private sector portfolios but also deepening trust with our clients. In 2010, our team of three dedicated our expertise to serving public school and affordable housing segments which were largely underserved, especially when there were fewer and smaller projects. In 2012, Civiltude was selected to provide water, sanitary, and reclaimed small diameter pipeline design and permitting for the Greenwater Downtown Redevelopment project, a public private partnership between Trammel Crow and the City of Austin. In 2013, we performed chilled water large diameter pipeline design for Austin Energy as part of Nueces and West 2nd Street extension to Shoal Creek Bridge. In 2014, as part of the winning masterplan team for Colony Park Sustainable Community, Civiltude began providing utility layout, capacity analysis, and pipeline design and permitting, both small and large diameter, for 208-ac planned community with over 12 miles of public roadways. By 2015, with the two principals serving as the lead engineers for an energetic team of nine, Civiltude had laid the foundation for structured and sustainable growth not only in project volume but also complexity, diversity and scale.

Civiltude has experience as both a sub-consultant and a prime for public sectors projects, collaborating with several reputable firms working in the public works sector such as RPS Espey, Alan Plummer, Lockwood, Andrews & Newnam, we take pride in our direct contracts with clients, especially public entities. Specifically, Civiltude was recently awarded a \$1M prime contract by the City of Austin to provide field engineering for sidewalk and urban trail improvements. Civiltude currently serves as the design engineer for over five major public school projects over \$200M in combined construction cost as well as a trusted advisor to Austin ISD, Round Rock ISD and San Marcos CISD.

Today, with our team size of 31 employees, Civiltude maintains a diverse and balanced portfolio with projects spanning both public and private sectors including but not limited to public infrastructures such as pipelines, roadways, trails, ponds, and parks; educational and sports facilities; tax credit and market-rate multi-family housing; master planned communities; and mixed-use complexes for office, retail, entertainment and industrial. Our core services include land feasibility studies; site and infrastructure construction documents; site permitting and acceleration strategies; bid review, value engineering and cost control; project management; and construction administration. Civiltude specializes in pipeline design, site and right-of-way permitting and acceleration, and karst void mitigation. Our clients are just as diverse, from individual home owners, to public entities, neighborhood associations, housing authorities, non-profit affordable housing providers, transportation authorities, and private developers.

Gaston Place Apartments

Founded by leaders in Austin's disability rights community, Accessible Housing Austin! (AHA!) is excited to be breaking ground later this year for AHA! at Briarcliff. The 27-unit complex in northeast Austin will provide one and two-bedroom apartments for households with incomes below 50% of the median family income. Six of the units will be designated as "deeply affordable."

In keeping with its mission to provide affordable and accessible housing for tenants with disabilities, AHA! will exceed federal integration standards with half of the units being accessible and the other half adaptable.

Civiltude worked closely with AHA! & HACA to minimize public sidewalk improvements required by the City of Austin under subchapter E. We also assist the successful partnership with Public Works that built the missing section of sidewalk in front of the site which further reduced project construction cost. Civiltude assisted HACA in understanding and resolving issues related to the unified development agreement due to complex site ownership structure.

Colony Park

208 acres master planned community including Colony Loop Drive extension and several new streets with above ground and underground infrastructures to serve a mixed use development.

Civiltude provided preliminary utility plan for the entire masterplan and construction plans for water, wastewater and reclaimed water in the Phase 1 street extensions. The project features several miles of roadways with seventeen street sections, some with very limited public right-of-way width. Civiltude played crucial role in facilitating conversation between Austin Water Utility and street design consultant in order to achieve the desirable sections while still accommodating necessary utilities. The team also assisted with resolving issues related to erosion hazard zone, critical environmental feature buffer, and creek crossing for streets and bridges. Civiltude prepared Service Extension Request analysis to optimize offsite improvements as well as designed phase 1 construction plans for water, reclaimed and wastewater improvements on site.

Greenwater Redevelopment

Public-private partnership redevelopment project in Downtown Austin to extend West 2nd Street for two blocks from San Antonio to Shoal Creek Bridge and Nueces Street from Cesar Chavez to West 2nd Street alley including all utilities.

Civilitude designed and permitted 900 LF of 16" water, 800 LF of 12" wastewater, 300 LF of 8" reclaimed water, and 400 LF 24" supply & return chilled water main extension. Civilitude's Principal and project manager, Mr. Nhat Ho, personally resolved major field issues and facilitated meeting with reviewers and inspectors on site to ensure project continuation. Examples of field issues are bypass pumping for tie-in to a major 42" wastewater main, assessment of major box manholes, and curve wastewater line with fiber-glass manholes due to dry utility conflicts.

Trails at Vintage Creek – Foundation Communities – Austin, Texas

Design Engineer on two separate contracts for water utility improvement and construction documents to upgrade water meter connections and a structural retaining wall design. Responsibilities include working with Austin Fire Department, Austin Water Utility, and commercial building inspectors, preparing construction plans, spoils calculation, and specifications for reuse of elevated pathways.

Sierra Vista Apartments – Foundation Communities – Austin, Texas

Project Principal on three separate contracts beginning with a tree & topographical survey of 9-acre tract with existing multi-family apartment units. The survey was used to provide a report with profiles of the accessible paths and sections at every 5' to help identify non-compliant slopes. Involvement led to preparation of well plugging plan and permitting through the Barton Springs Edwards Aquifer Conservation District for a 4' wide, 37' deep unrecorded well on the property. Currently developing construction plans for sidewalk & grading to provide ADA accessibility and improve drainage. Design includes 315 LF stormwater line & area inlets and site improvements for proposed Learning Center.

Greenwater Redevelopment – Trammel Crow – Austin, Texas

Project Principal for site/civil construction documents and permitting for utility infrastructure design for \$550 million redevelopment project of the former City of Austin Green Water Treatment Plant that will provide nearly 2 million square feet of new space. Planned development includes high-rise mixed use buildings, apartment residential units with provisions for affordable housing, hotel, office and retail space. Nueces Street and 2nd Street will be extended through the site to connect the Second Street and Seaholm Power District.

Presidium Riverside Apartments – Cadence McShane – Austin, TX

Project Principal for site/civil construction documents and permitting for utility infrastructure development will provide 1, 2 and 3 bedroom apartments and amenities.

Jenkins Design Center Office Complex – Jenkins Custom Homes – Bee Cave, TX

Project Principal for the civil/site design for office complex on a 1-acre tract in Bee Cave, Texas. Development included a 7,000 SF Luxury Home Idea Center at Jenkins Park Plaza with high-end custom home fit and finish within walking distance of the Hill Country Galleria and residential apartments. Designed with professional architects, engineers and artists in mind, the site incorporates an interior tree grove and rock outcropping into the visual aesthetics. Civiltude team designed and permitted the first full infiltration raingarden in the City – educated local government and regulatory officials. Contaminant removals satisfied the stringent water quality regulations of the City of Bee Cave while promoting low impact development thus enhancing the site.

Colony Park – City of Austin – Austin, Texas

Located in Northeast Austin, the project site offers a unique opportunity to meet the needs of the community & provide a catalyst for economic development & growth for the area. Funded through a US HUD Sustainable Communities Challenge Grant to further its six livability principles, the development will incorporate best practice strategies for energy-efficient, building design, water conservation & zero-waste technology to create a model sustainable & livable mixed-use, mixed-income community. Civiltude provided utility infrastructure design services for the 258-acre masterplanned community

Nhat M. Ho PE, LEED GA
President

Mr. Ho brings over ten years of versatile experience from different areas of **civil engineering, structural engineering**, architectural design, Revit modeling and production drafting. His integrated civil and structural knowledge ranges from stormwater management systems, wet utilities, and sports running tracks to retaining structures, spatial arrangement of buildings and site integration. His land development experience includes site feasibility studies, zoning changes, subdivisions, and commercial site plans. He has cultivated relationships with review staff, especially at the City of Austin, and has built a reputation for effective and responsible design. His in-depth expertise includes utilities, innovative water quality management and accelerated site plan permitting. Specifically with RRISD & AISD, Mr. Ho has extensive knowledge with the inter-local agreements and dedicated review teams that control school projects for the City of Austin.

Trails at Vintage Creek – Foundation Communities – Austin, Texas

Design Engineer on two separate contracts for water utility improvement and construction documents to upgrade wa-ter meter connections and a structural retaining wall design. Responsibilities include working with Austin Fire Department, Austin Water Utility, and commercial building inspectors, pre-paring construc-tion plans, spoils calculation, and specifica-tions for reuse of elevated pathways.

Sierra Vista Apartments – Foundation Communities – Austin, Texas

Field Engineer responsible for quantifying soil volume and dynamic cost estimate for contract work re-quired to plug a 4’ wide, 37’ deep unrecorded well discovered on the prop-erty. Work also included site investigation, coordination with licensed well driller, and on-field direct response regarding material and procedure of the plugging process.

Greenwater Redevelopment – Trammel Crow – Austin, Texas

Project Manager designing utility infrastructure to serve the redevelopment of the former Green Water Treatment Plant. Responsible for producing water, wastewater and chilled water construction documents and obtaining development permits with Austin Water Utility and Austin Energy on an accelerated timeline. Performed coordination with other entities to avoid conflicts with a congested downtown underground utility network while existing in harmony with the aboveground Great Streets elements.

Edison Riverside Apartments - Presidium - Austin, Texas

Project Manager leading site permit, license agree and providing construction documents and permitting for utility infrastructure design for 353 unit residential apartments, leasing office and resident amenities.

The Yard Redevelopment – The Yard LLC – Austin, Texas

Project Principal overseeing the public water and wastewater improvements to serve over 150,000 SF of mixed use redevelopment. In charge of wastewater capacity analysis for over 8,000 properties near the project site to develop accurate demand for the proposed

Colony Park Masterplan – Urban Design Group – Austin, Texas

Project Manager in charge of preliminary utility plan, Service Extension Request, design and permitting of phase 1 infrastructures. Working closely with the urban planner to provide utility placement for multiple street cross sections to allow narrow urban street width.

Woodbridge Subdivision - Polis Properties - Austin, Texas

Project Manager for subdivision construction documents and permitting for public street, utility, and storm-water infrastructure design for 9 lot subdivision in Austin. Design included over 800 LF of 8” water and wastewater lines. The development will provide 18 duplex housing units in East Austin close to downtown.

Fox Sparrow Subdivision - Verdant Frontiers - Cedar Park, TX

Project Manager for site/civil construction documents and permitting for public street, utility, and stormwa-ter infrastructure design for 17 lot subdivison in Cedar Park. Design included over 1,710 LF of 8” water and wastewater lines.

Mike Reyes PE
Director of Civil Engineering

Mr. Reyes's career includes more than 14 years of extensive experience in the design, construction management, review, and approval of civil engineering land development projects throughout the Greater Austin area and the State of Texas. Current projects consist of the design and construction management of several concurrent municipal and private projects in Central Texas. Duties include working closely with clients and development teams, feasibility studies, site development, drainage and innovative water quality design, utility design, regulatory permitting through local and state agencies, cost estimating and construction management as demonstrated by the list of selected projects below:

CLMP220 Mobility Rotation List - Phase 2 - City of Austin - Austin, Texas

QA/QC for civil engineering on several projects under this rotation list. The successful completion of these projects required close coordination with City agencies, a thorough knowledge of local conditions and construction practices, familiarity with TDLR and ADA accessibility regulations, efficient deadline setting, and the ability to respond to public input during the design and construction processes.

Austin Water Utility Smart Meter Installation - ACLARA - Austin, Texas

QA/QC for Civiltitude's traffic control plan for over 150 sites of Data Collection Unit installation across Austin Water's service area. Civiltitude works closely with Aclara and construction vendors in developing optimized traffic control scenarios based on means and methods. Civiltitude also collaborates with Austin transportation department staff in developing pre-approved new traffic control details specifically for the workflow of this public project.

BondWide Technical Review & Permitting Support - AECOM & McKissack&McKissack - Austin, Texas

Project Manager that provided technical peer review for the civil discipline to ensure code compliance, constructability and risk mitigation for the District. We also reviewed, benchmarked and developed permitting strategies for the design team to ensure the project's success.

Highland & Brownie Park - City of Austin - Austin, Texas

Project Manager for the improvements at Highland and Brownie Park. Mike leads/coordinates the site permitting, and site plan exemption for both sites.

Fontain Plaza - RedLeaf Properties & Austin Community College-Highland - Austin, Texas

Project Manager for the site, drainage, and utility relocation and improvements at Fontaine Plaza, a former mall surface parking lot transformed into an urban park. Coordinated ADA compliant paths throughout the park to connect to the internal circulation routes of the Highland Campus.

Waterloo Greenway - Corridor Framework Plan - City of Austin - Austin, Texas

Project Engineer for The Corridor Framework plan which consisted of a comprehensive investigation of the post-Waller Creek tunnel completion conditions along Waller Creek, and preparation of the plan that would guide the redevelopment of Waterloo Greenway public trails and parks from Lady Bird Lake to 15th Street. Mike led research efforts and onsite field investigations to document the location/existence of all storm-water creek outfalls, water/wastewater utilities, overhead and underground dry utilities along Waller Creek. He developed utility feasibility relocation plans and strategies to allow for proposed public trail and park improvements. Mike also coordinated with stakeholders, COA, and the Waterloo Greenway Conservancy on preliminary trail alignments and creek restoration efforts.

Canopy Walk at the Fairmont Hotel - Manchester Financial Group - Austin, Texas

Project Manager for The Canopy Walk, an outdoor aerial walkway connecting the Fairmont Hotel to the Austin Convention Center (ACC), spanning over Red River Street and Waller Creek. This is one of the first public/private collaborative design and construction efforts to be compatible with the vision for the Waterloo Greenway, a future public park winding along Waller Creek. Utilizing HEC-RAS, Mike led/coordinated the floodplain drainage study within Waller Creek within the vicinity of the ACC. He also designed the relocation of existing ACC roof drainage outfalls into Waller Creek. Creek restoration and construction phase creek protection plans were also developed. Mike also managed construction phase services and site inspections through final project completion.

2.B. Resumes of Development Team

GENERAL CONTRACTOR

Capital A Housing, in collaboration with the Austin Area Urban League, is interviewing several vendors in order to determine a new architect and general contractor. A cohesive and experienced team is critical to the overall project success. The team assembled will have significant experience working to-gether and on other affordable housing developments including supportive housing projects.

2.C. Resumes of Property Management Team

Although a final selection of property management has not been made, the TCSHC has identified Volunteers of America (VOA) Texas as embodying the collaborative's core values for property management. VOA has experience managing affordable housing communities across the country, developing a reputation for thoughtful, respectful management.

As the development closes the capital stack and building plans become more finalized, the development team of Capital A Housing and Austin Urban League will renege with Volunteers of America or another suitable provider with experience in managing supportive housing developments.

Dear Sir or Madam:

We're responding to your request dated March 10, 2021, about your tax-exempt status.

We issued you a determination letter in December 1976, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also show you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax-deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period.

- Form 990, Return of Organization Exempt From Income Tax
- Form 990-EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990EZ
- Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions, call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific time).

Thank you for your cooperation.

Mr. James B May, AICP
Community Development Manager
City of Austin
Neighborhood Housing and Community Development
1000 East 11th St
Austin, TX 78702

Re: Proposed development at 6400 FM 969, Austin, TX 78724

Dear Mr. May:

This letter is to inform you that I will examine the project financials for the above-mentioned development, and work with the borrowers to prepare a construction loan proposal to finance the project.

Construction financing to build a 80-unit permanent supportive housing development, will be subject to the following conditions:

- Estimated loan amount of \$4,000,000 and estimated interest rate of 4.50% variable at WSJP + 0.50%, floor of 4.50%, based on preliminary discussions;
- Bank review and approval of borrower and guarantors' financials, construction budget, plans, and builder, including information necessary for underwriting;
- Satisfactory title policy, loan documentation, survey and appraisal;
- Final satisfactory credit underwriting;
- Final approval from Loan Committee;

If you have any questions, please feel free to contact me at 512-891-1800.

Sincerely,

Sam Kent

Item 37

Travis County Commissioners Court

Resolution

WHEREAS, Travis County and the neighborhoods within are faced with a crisis of homelessness in our community while also experiencing the COVID-19 pandemic;

WHEREAS, the population of people experiencing homelessness or at risk of homelessness is diverse with varied and individual needs with people of color, people with disabilities, and veterans overrepresented in the population of people experiencing homelessness and couples, singles, the elderly, and families with young children are living in cars, in shelters, and in campsites which are now illegal locally and across Texas;

WHEREAS, many people experiencing homelessness or at risk of homelessness have no or very low income, lack safe places to sleep and bathe, and suffer ongoing health needs that often cause them to seek help repeatedly from expensive emergency services or to be arrested repeatedly for criminal trespass;

WHEREAS, Nationally and locally, evidenced based solutions to homelessness require a holistic approach known as supportive housing;

WHEREAS, Rapid Rehousing and Permanent Supportive Housing (PSH) are each types of supportive housing using rental units, such as apartments at Foundation Communities, LifeWorks or SAFE or nestled within market rate apartment complexes or tiny homes at Community First! Village and, in each instance, everyone pays rent and must abide by their lease;

WHEREAS, Travis County participates in a successful program that provides PSH for 20 justice involved tenants and is in negotiations with community partners to collectively provide PSH for 200 future tenants; and, Travis County contracts with several non-profit organizations and Integral Care to provide the supportive services, nonetheless, the community need for supportive housing has exceeded the County's or City of Austin's capacity to meet the need;

WHEREAS, the Travis County Housing Finance Corporation utilizes public financing tools and strategies to catalyze development of affordable housing and the supportive services people need to thrive;

WHEREAS, the Travis County Commissioners Court shares a commitment to use our partnerships to deepen affordability for long periods of time across the county, in areas that offer residents access to transportation, employment, doctors, and groceries;

WHEREAS, recently, community groups such as the Austin Chambers, Austin Justice Coalition, ECHO, and the Downtown Austin Alliance working alongside people with lived experience, service providers and city and county officials have come together and set a goal to rehouse 3,000 people over the next 3 years;

System and use a Coordinate Entry System to ensure equitable access to shelter, housing, and services;

WHEREAS, Rapid Rehousing and Permanent Supportive Housing requiring affordable and low barrier rental units, rental vouchers, support services, and case managers reflective of the diversity of the population served are the main strategies planned for meeting that goal;

WHEREAS, the budget necessary to meet the goal exceeds \$500,000,000 and requires a commitment of both public and private resources;

WHEREAS, Travis County has been allocated \$247,450,630 in Local Fiscal Recovery Funds through the American Recovery Plan Act (LFRF/ARPA) which can be used to address public health needs including affordable housing and strategies to rehouse people experiencing homelessness;

WHEREAS, community Stakeholders across Travis County have been working together for years to develop a system of outreach, housing, services, and collaboration designed to make homelessness rare, brief, and non-recurring, as evidenced in the 2017 Action Plan to End Homelessness, the ECHO report Addressing Racial Disparities in Austin/Travis County 2019, the Coordinated Community Plan to Prevent & End Youth Homelessness in Travis County, and the local report Locked Out: Criminal History Barriers to Affordable Rental Housing in Austin, Tx.;

WHEREAS, many individual community members have called and written Travis County leaders to urge that Travis County invest at least \$100,000,000 of LFRF/ARPA funds to address homelessness;

WHEREAS, any commitment of LCRF/ARPA funds by Travis County should be consistent with its financial policies and budget rules for use of one-time funds, and must include measurable outcomes;

WHEREAS, by acting now with a one-time investment of \$110,000,000 to form diverse partnerships with local non-profits and local developers, Travis County can boldly address homelessness by catalyzing the development of deeply affordable housing units and building a pipeline of supportive housing units dedicated for people experiencing homelessness at the scale needed to help meet the community's goal of rehousing 3000 people in 3 years;

WHEREAS, Foundation Communities and Mobile Loaves and Fishes/Community First! Village have requested that Travis County invest \$50,000,000.00 of LFRF/ARPA funds, to create the Burleson Village, a new supportive housing community for approximately 700 new residents;

WHEREAS, the Austin Area Urban League, Caritas, Family Eldercare, Integral Care, LifeWorks, A New Entry, and SAFE Alliance have formed the Travis County Supportive Housing Collaborative and have jointly requested that Travis County invest \$50,000,000 of its available LFRF/ARPA funds, to develop new affordable supportive housing communities at different geographic locations across the County, for approximately 1000 new residents;

WHEREAS, the Other Ones Foundation has successfully operated Camp Esperanza and is moving forward on its plans to construct 200 tiny homes at that site that will provide shelter for an estimated 300 persons and will include supportive services and rental assistance with a goal of rehousing 400 – 475 persons per year, in partnership with Sunrise Church, Integral Care and Travis County Constable Precinct 3;

WHEREAS, Foundation Communities has invested \$20,000,000 in its Juniper Creek Apartments project to provide affordable housing resources for 100 formerly homeless families with children and has committed to connecting these families to case management and supportive services to include childcare and healthcare and needs community partners to complete its project; and

WHEREAS, support of Burleson Village, the Travis County Supportive Housing Collaborative, Camp Esperanza, and Juniper Creek will create the Travis

County Supportive Housing Initiative Pipeline to deliver 2000 deeply affordable housing units; and

WHEREAS, it is crucial to the success of our system that each of these projects engage stakeholders with lived expertise and people who have been impacted by homelessness, community organizations, and the Leadership Council, which is the governing body of the continuum of care, so as to collect adequate input and ensure equitable outcomes for all investments of public funds; and

WHEREAS, community engagement on these projects has already begun and additional opportunities for public input are planned and public hearings will be held at the time that each of these individual projects are brought before the Court for consideration and approval.

NOW, THEREFORE, BE IT RESOLVED THAT THE TRAVIS COUNTY COMMISSIONERS COURT EARMARK \$110,000,000 OF LFRF/ARPA FUNDS TO CREATE THE TRAVIS COUNTY SUPPORTIVE HOUSING INITIATIVE PIPELINE (TCSHIP) INCLUDING BUT NOT LIMITED TO \$50M FOR THE BURLESON VILLAGE AND \$50M FOR PROJECTS TO BE DEVELOPED IN PARTNERSHIP WITH THE COLLABORATIVE, \$6.5M FOR THE JUNIPER CREEK APARTMENTS, AND \$3M FOR CAMP ESPERANZA.

BE IT FURTHER RESOLVED THAT, PRIOR TO SEEKING FINAL BUDGET APPROVAL FROM THE COURT, ALL PROJECTS SHALL COMPLETE A COMMUNITY ENGAGEMENT PROCESS IN ACCORDANCE WITH EXHIBIT A, ENGAGING IN AN INCLUSIVE PROCESS WITH KEY STAKEHOLDERS TO ENSURE EQUITABLE OUTCOMES FOR THE CLIENTS AND COMMUNITY, AND RESPOND TO THE QUESTIONS PROVIDED THEREIN.

BE IT FURTHER RESOLVED THAT PROJECTS MUST BE CULTURALLY COMPETENT, EQUITABLE, AND INTENTIONAL IN ADDRESSING RACIAL AND OTHER DISPARITIES IN TREATMENT AND SERVICE, INCLUDING PROVIDING ADEQUATE INFRASTRUCTURE FOR PEOPLE WITH DISABILITIES, ELDERLY PEOPLE, TRANS AND NONBINARY PEOPLE, PEOPLE WITH SPECIAL NEEDS AND FORMERLY INCARCERATED PEOPLE.

BE IT FURTHER RESOLVED THAT PROJECTS MUST COORDINATE WITH THE AUSTIN/TRAVIS COUNTY CONTINUUM OF CARE AND SERVE CONTINUUM OF CARE CLIENTS IN ORDER TO BUILD OUT A COMMUNITY-WIDE SYSTEM OF CARE AND SUPPORT ONGOING WORK BY TRAVIS COUNTY TO ADDRESS HOMELESSNESS.

SIGNED AND ENTERED THE 14th DAY OF SEPTEMBER 2021.

ANDY BROWN
County Judge

JEFFREY W. TRAVILLION
Commissioner, Precinct 1

ANN HOWARD
Commissioner, Precinct 3

BRIGID SHEA
Commissioner, Precinct 2

MARGARET J. GÓMEZ
Commissioner, Precinct 4

EXHIBIT A

**ENGAGING IN AN INCLUSIVE PROCESS WITH KEY STAKEHOLDERS TO ENSURE
EQUITABLE OUTCOMES FOR THE CLIENTS AND COMMUNITY.**

Conduct an engagement process that includes key stakeholders from:

- People with lived expertise/impacted by homelessness
- BIPOC-led community groups and organizations
- Other service providers/collaborators in the Continuum of Care, that is tasked with coordinating housing and services funding for homeless families and individuals in Travis County and the City of Austin
- Homelessness Response System Leadership Council - The Governing Body of the Continuum of Care formed of representatives from Travis County, the City of Austin, homelessness service providers, leaders with lived experience, and other representatives

People with lived expertise being unhoused should be justly compensated for their time in providing feedback and engaging with these concerns.

The process should answer the following questions:

- How will this project align with the community's desired goals and values, including the goal of equitably housing at least 3,000 unhoused people in the next 3 years. What percentage of the units developed will serve Continuum of Care clients, to ensure a robust interagency, cross-sector approach to addressing homelessness, as recommended by the United States Interagency Council on Homelessness (USICH)?
- How will this project collaborate, share data, and cooperate with other service providers, and encourage a system-wide approach to addressing homelessness, including relying on a coordinated entry process as recommended by USICH?
- How will this process be culturally competent, equitable, and intentional in addressing racial disparities in treatment and service? Will Black and Brown leaders, service providers, case workers, or caregivers be attached to this project?
- What, if any, screening criteria will be used to determine eligibility for housing and service provision under the proposed project? What, if any, terms will be applied to determine whether a person loses access to housing or services being provided under the proposed project? What process may be available for tenants to follow to help them stay stably housed in the event set terms (see previous question) are violated?
- How will this plan create access to opportunities and resources for unhoused people, including necessary support and wraparound services
- How will this project adequately serve people with disabilities, elderly people, trans and nonbinary people, and people with special needs?
- How will the projects funded be evaluated and how will course corrections be made to ensure equitable outcomes are met, including the above contingencies, and that the projects are impacting the most vulnerable in our community
 - Will the County require quarterly/monthly reports on the project outcomes once launched?
 - What are the long-term compliance requirements for the life of the project?
- How will projects adhere to the Austin/Travis County Reentry Roundtable's "Texas Criminal Background Screening Guide for Rental Housing Providers" April 2018 report?

Urban Empowerment Zone I

RHDA Funding Application

Attachments 4. Project Information

4.A. Market Study

MARKET ANALYSIS

The Urban Empowerment Zone I (UEZ I) is responding to an enormous and growing demand for affordable housing in Austin by providing 80 deeply-affordable rental units within East Austin. Featuring studios, one-bedrooms, and two-bedroom units, these homes are intended to provide permanent supportive housing for homelessness response as part of the Coordinated Entry system for Austin.

I. Evaluate general demographic, economic, and housing conditions in the community, including:

1) Target Populations and Area Demographic Makeup:

The target population of UEZ I are individuals experiencing homelessness in need of housing in central Austin. According to Neighborhood Scout, the neighborhood surrounding the property has a demographic makeup as follows:

- **Race and Ethnicity:** 19.0% White, 11.4% Black or African American, 0.6% Asian, 66.2% Hispanic or Latino of any race. [More diverse than 70% of US Neighborhoods.]
- **Median Household Income:** \$57,353 [\$62,843 for the nation.]
- **Homeownership Rate:** 69.2% owners
- **Average Market Rent:** \$2,000 per month
- **Average Home Value:** \$230,178
- **Age:** 8.2% are under 5 years, 21.8% are 5 to 17, 20.4% are 18 to 29, 26.4% are 30 to 44, 19.1% are 45 to 64, and 4.1% are 65 years and over.
- **Household Type:** 12.6% are 1-person households, 23.8% are married couple with child, and 16.4% are single parents with a child(ren).
- **Gender:** 56.2% are male and 43.8% are female.

2) Overall Economic Conditions and Trends:

The neighborhood surrounding UEZ I has a median real estate price of \$230,178, which is more expensive than 62.5% of the neighborhoods in Texas and 44.7% of the neighborhoods in the U.S. According to NeighborhoodScout, the average rental price is \$2,000 which is higher than 79.9% of the neighborhoods in Texas.

Altogether, NeighborhoodScout categorizes the neighborhood as middle income with 33.3% of children living below the poverty line.

The average annual change in per capita income over the last 5 years is 8.0%, significantly higher relative to that of the nation (4.0%). The average annual change in household income over the last 5 years is 9.1%, also higher than that of the nation overall (3.7%). The average change in unemployment rate over the last 5 years is -0.3% for the neighborhood compared to -0.1% nationally, indicating a strong employment base despite the pandemic.

Please see the provided NeighborhoodScout Report for additional information on Economic Conditions and Trends for this neighborhood.

3) General Housing Conditions and Trends in the Community:

According to NeighborhoodScout, the site is located in the Smoot neighborhood (referred to as Sendero Hills in the City of Austin RHDA/OHDA Application Map Series). This is classified as a suburban neighborhood based on population density.

Per NeighborhoodScout, “[t]his neighborhood’s real estate is primarily made up of medium sized (three or four bedroom) to small (studio to two bedroom) single-family homes and mobile homes. Most of the residential real estate is owner occupied. Many of the residences in this neighborhood are established but not old, having been built between 1970 and 1999. A number of residences were also built between 2000 and the present.

Real estate vacancies in this neighborhood are 4.2%, which is lower than one will find in 79.0% of American neighborhoods. Demand for real estate in this neighborhood is above average for the U.S., and may signal some demand for either price increases or new construction of residential product for this neighborhood.”

In the last 5 years, the average annual appreciation for homes has been 9.56%, with current prices per square foot at \$130. Rents have increased 2.6% over the last 5 years.

ii. Identify the Geographic Area

UEZ I is located in East Austin in census tract 22.08. The City’s Gentrification and Displacement study rates gentrification within the Sendero Hills neighborhood as “Early Type 1.” The area is part of the East MLK Combined NPA. Please see page one of the NeighborhoodScout attachment for a map of the area.

iii. Quantify the Pool of Eligible Tenants

Due to UEZ I's role within the region's homelessness response efforts, prospective residents will pull from the surrounding Austin region.

The Austin Strategic Housing Plan, drafted in 2016, identifies public policies and development incentives that can help increase the supply of affordable housing. The report estimates that by 2027, Austin will need an additional 60,000 units of housing that are affordable to people earning 80% of the Median Family Income (MFI) or less – 22,417 of which are needed for people earning 30% MFI or below.

The Austin Chamber has partnered with 100 business and social service organizations to develop an Affordability Action Plan. The Plan calls for increasing housing supply by allowing at least 15,000 housing units to be built per year for 10 years, with at least 25% affordable housing for households at 80% Median Family Income (MFI) and below, including 200 Housing First Permanent Supportive Housing units per year; and 25% “missing middle”/workforce housing at 140% MFI.

The Austin Housing Coalition brings together low-income housing providers from across the community to network and share information with the goal of increasing our community supply of affordable housing. Most low-income renters earning less than \$35,000 who are not cost burdened are living in housing that is provided by these low-income housing providers, or in housing that is federally subsidized.

iv. Analyze the Competition

Homes at UEZ I will provide much-needed permanent supportive housing in the area. Designed as studios, one-bedrooms, and two-bedrooms, these homelessness-response units will be some of the only such residences available in the immediate vicinity.

v. Assess the Market Demand

As reported by the Texas Association of Affordable Housing Providers (TAAHP), the Austin Strategic Housing Blueprint identifies a need for an additional 60,000 units of affordable housing below 80 percent of the median family income (MFI) by 2027. Of those 60,000 units, 20,000 are earmarked for families earning less than 30% of MFI, and another 25,000 are needed for households earning between 31-60% MFI. **City Council District 1 has a goal of creating 7,086 affordable units by 2027, but has only delivered 1,749 to date.** This gap marks a dire need for additional deeply-affordable housing in the area.

vi. Evaluate the Effective Demand and the Capture Rate

80 units / 45,000 housing units needed at 60% MFI or below = **0.18% capture rate.**

vii. Absorption Rate

Once construction of UEZ I is completed, the project will be filled systematically by the Austin Area Urban League, with many residents drawn from the Coordinated Entry homelessness response system operated by ECHO. It is expected that the property will be 100% occupied in 3-5 months with an estimated absorption rate of 20 units per month.

ABOUT THE 6314 FM 969 NEIGHBORHOOD

Real Estate Prices and Overview

This neighborhood's median real estate price is \$230,178, which is more expensive than 62.5% of the neighborhoods in Texas and 44.7% of the neighborhoods in the U.S.

The average rental price in this neighborhood is currently \$2,000, based on NeighborhoodScout's exclusive analysis.

The average rental cost in this neighborhood is higher than 79.9% of the neighborhoods in Texas.

This is a suburban neighborhood (based on population density) located in Austin, Texas.

This neighborhood's real estate is primarily made up of medium sized (three or four bedroom) to small (studio to two bedroom) single-family homes and mobile homes. Most of the residential real estate is owner occupied. Many of the residences in this neighborhood are established but not old, having been built between 1970 and 1999. A number of residences were also built between 2000 and the present.

Real estate vacancies in this neighborhood are 4.2%, which is lower than one will find in 79.0% of American neighborhoods. Demand for real estate in this neighborhood is above average for the U.S., and may signal some demand for either price increases or new construction of residential product for this neighborhood.

Notable & Unique Neighborhood Characteristics

Many things matter about a neighborhood, but the first thing most people notice is the way a neighborhood looks and its particular character. For example, one might notice whether the buildings all date from a certain time period or whether shop signs are in multiple languages. This particular neighborhood in Austin, the Smoot neighborhood, has some outstanding things about the way it looks and its way of life that are worth highlighting.

Notable & Unique: People

An interesting characteristic about the Smoot neighborhood is that there are more incarcerated people living here than 99.3% of neighborhoods in the U.S. The United States has the highest rate of incarceration in the world, currently with 1 out of every 100 adults in the country are incarcerated as a punishment for crimes committed. The extremely high incarceration rate of this neighborhood could mean that a prison, juvenile detention facility or other correctional facility occupies a large proportion of the neighborhood, or contains a large portion of the neighborhood's population.

Notable & Unique: Real Estate

The real estate in this neighborhood consists of more mobile homes than 98.3% of all neighborhoods in America, with 41.6% of the occupied housing here being classified as mobile homes. So if you are looking for a mobile home, or you like the look and feel of mobile home parks, this neighborhood might have the setting you desire.

Notable & Unique: Diversity

Did you know that the Smoot neighborhood has more Mexican ancestry people living in it than nearly any neighborhood in America? It's true! In fact, 63.2% of this neighborhood's residents have Mexican ancestry.

The Neighbors

The Neighbors: Income

How wealthy a neighborhood is, from very wealthy, to middle income, to low income is very formative with regard to the personality and character of a neighborhood. Equally important is the rate of people, particularly children, who live below the federal poverty line. In some wealthy gated communities, the areas immediately surrounding can have high rates of childhood poverty, which indicates other social issues. NeighborhoodScout's analysis reveals both aspects of income and poverty for this neighborhood.

The neighbors in the Smoot neighborhood in Austin are middle-income, making it a moderate income neighborhood. NeighborhoodScout's exclusive analysis reveals that this neighborhood has a higher income than 46.6% of the neighborhoods in America. With 33.3% of the children here below the federal poverty line, this neighborhood has a higher rate of childhood poverty than 81.5% of U.S. neighborhoods.

The Neighbors: Occupations

A neighborhood is far different if it is dominated by enlisted military personnel rather than people who earn their living by farming. It is also different if most of the neighbors are clerical support or managers. What is wonderful is the sheer diversity of neighborhoods, allowing you to find the type that fits your lifestyle and aspirations.

In the Smoot neighborhood, 36.2% of the working population is employed in manufacturing and laborer occupations. The second most important occupational group in this neighborhood is sales and service jobs, from major sales accounts, to working in fast food restaurants, with 27.9% of the residents employed. Other residents here are employed in executive, management, and professional occupations (22.9%), and 12.4% in clerical, assistant, and tech support occupations.

The Neighbors: Languages

The most common language spoken in the Smoot neighborhood is Spanish, spoken by 55.2% of households. Some people also speak English (44.2%).

The Neighbors: Ethnicity / Ancestry

Culture is the shared learned behavior of peoples. Undeniably, different ethnicities and ancestries have different cultural traditions, and as a result, neighborhoods with concentrations of residents of one or another ethnicities or ancestries will express those cultures. It is what makes the North End in Boston so fun to visit for the Italian restaurants, bakeries, culture, and charm, and similarly, why people enjoy visiting Chinatown in San Francisco.

In the Smoot neighborhood in Austin, TX, residents most commonly identify their ethnicity or ancestry as Mexican (63.2%). There are also a number of people of German ancestry (4.8%), and residents who report Irish roots (3.5%), and some of the residents are also of English ancestry (2.8%), along with some Sub-Saharan African ancestry residents (2.0%), among others. In addition, 25.5% of the residents of this neighborhood were born in another country.

Getting to Work

How you get to work – car, bus, train or other means – and how much of your day it takes to do so is a large quality of life and financial issue. Especially with gasoline prices rising and expected to continue doing so, the length and means of one's commute can be a financial burden. Some neighborhoods are physically located so that many residents have to drive in their own car, others are set up so many walk to work, or can take a train, bus, or bike. The greatest number of commuters in Smoot neighborhood spend between 15 and 30 minutes commuting one-way to work (50.2% of working residents), which is shorter than the time spent commuting to work for most Americans.

Here most residents (90.8%) drive alone in a private automobile to get to work. In addition, quite a number also carpool with coworkers, friends, or neighbors to get to work (8.0%) . In a neighborhood like this, as in most of the nation, many residents find owning a car useful for getting to work.

City of Austin Good Neighbor Checklist

The Neighborhood Housing and Community Development Office (NHCD) offers a Good Neighbor Policy to standardize process and identify expectations for all projects funded through the City of Austin's Rental Housing Development Assistance (RHDA) and Acquisition and Development (A&D) programs. Applicants of these programs are required to prepare and begin implementing a community engagement plan, including neighborhood notification activities. The community engagement plan is required whether the application is for funding for new construction or renovation of an existing building, regardless of whether there is a change in ownership.

A successful community engagement plan leads to open, ongoing two-way communication between developers and neighbors. This requires good-faith efforts and cooperation by developers, City officials and residents. A positive, open dialogue between housing developers and neighbors can prevent misunderstandings, facilitate prompt resolution of any inadvertent misunderstandings, and provide a fair, thoughtful, dependable means of resolving differences.

The following checklist of items is required of all applicants for funding:

(1) Preliminary Research

- Review the Neighborhood Plan (if applicable)

(2) Neighborhood Notification

- Notify property owners within at least 500 feet of the site and registered neighborhood organizations with boundaries included in the proposed development site, using a written notice, letter or flyer.

(3) Pre-Application Engagement

- Contact neighborhood organizations to provide current information about the project, including any neighborhood association whose boundaries are included in the proposed development site and Neighborhood Planning Contact Team (if applicable). *(see full City of Austin Good Neighbor Guidelines for more detailed information on what kind of information may be appropriate to share)*
- Appoint a Single-Point-of-Contact (SPOC) to serve as the liaison for exchanging information.

(4) Application requirements

- Provide communications plan
- Provide documentation showing the content of the notice, and proof of delivery
- Provide signed copy of this checklist.

I have reviewed and completed all of the above checklist items required by the City of Austin's Good Neighbor Guidelines.

Conor Kenny, Principal

Capital A Housing

(512) 968-3050

Conor@CapitalAHousing.com

Communications Plan for Neighborhood Engagement

Before any other facets of a development are pursued, Capital A Housing will approach the neighborhood and talk to key stakeholders about the project, target population and share examples of the future development.

The following steps have already or will soon be taken to communicate with the neighborhood surrounding the proposed development located at 6400 FM 969 Rd:

Preliminary Research: Using the City of Austin’s Community Registry site and general Internet searches, Capital A Housing researched the neighborhood organizations that contain the proposed site and identified the following active organizations.

Colony Park/Lakeside Community Development Corp

Del Valle Community Coalition

Friends of Northeast Austin

Neighbors United for Progress

Reissig Group

Neighborhood Plan: The development is located within the East MLK Combined neighborhood planning area, and is guided instead by the corresponding neighborhood plan adopted November 7, 2002. [\(Link to Plan\)](#)

- 1) **Neighborhood Contact:** Capital A Housing will reach out to both the Neighborhood Plan Contact Team (NPCT) as well as the other priority neighborhood organizations listed above to share info on plans for the development of 6400 FM 969 Rd. The city will be updated once those meetings have occurred.
- 2) **Neighborhood Notification:** The organizations above including the NPCT will be notified as part of the TDHCA notification process to take place in the period of June to July, 2022. TDHCA has a

public comment process that incorporates neighborhood feedback. At this time, we do not anticipate a zoning change being necessary. The team will also reach out to neighborhood and publicly engage, as a neighbor, on the plans for development of the site.

3) **Neighborhood Engagement:** At the any upcoming neighborhood meetings, Capital A Housing will present information about their firm and plans for design of the building, and talk about who will live at the property and what services will be offered.

- After initial phone contact, meetings will be scheduled with any organization that should request such.
- Capital A will invite neighborhood members to volunteer events to get more involved with the project.

4) **Implementation/Ongoing Relations:** Capital A will implement the following processes to encourage ongoing relations with neighborhood members:

- Neighborhood members will be invited to the Ground Breaking and Ribbon Cutting events that will be held for the property. Neighborhoods will be given recognition for their support.
- The property will invite neighborhood members to participate in services programs being offered at our community.
- The property will invite and educate neighborhood members on the many ways to volunteer with the property.
- Capital A will establish an open-door policy so that neighborhood members will feel comfortable communicating any concerns with either the on-site property management or the single point of contact.

4.C. SMART Housing Letter

Capital A submitted an application for SMART Housing and is currently in the process of responding to comments from City staff. The development team will forward this SMART certification letter to AHFC upon receipt.

4.D. MOU with ECHO

Please see the following letter of support from ECHO. A letter from ECHO supporting this application has been included, but not a Continuum of Care MOU, because all parties agreed that an MOU specifically tailored to Permanent Supportive Housing (instead of CoC) would function better as an agreement. We expect to complete an agreement between ECHO, Austin Area Urban League, and Capital A Housing prior to the potential AHFC board approval of this application.

May 4, 2022

RE: Letter of Support for Urban Empowerment Zone 1

To Whom It May Concern:

The Ending Community Homelessness Coalition (ECHO) is the lead Continuum of Care (CoC) agency for Austin/Travis County. ECHO is charged with creating and managing access to permanent housing on behalf of the homeless response system. The Capital A Housing Group, ECHO, and Austin Area Urban League (AAUL) are working to develop access to affordable housing units at Urban Empowerment Zone 1, 6400 FM 969, Austin, TX 78724. This development project with Capital A Housing will dedicate 100% of the units at Urban Empowerment Zone 1 to the Homelessness Response System and will exclusively take referrals through the Coordinated Entry system. These units will be made available to our neighbors exiting homelessness through the Austin Area Urban League (AAUL) project-based program for the duration of the executed agreement. Subsequently, this project will increase affordable housing options to those apart of our Homelessness Response System. ECHO is therefore in support of the Urban Empowerment Zone 1 housing development as it will produce long term resources to end homelessness in Austin/Travis County.

Please feel free to reach out with any questions.

Sincerely,

Jezzmen McPeters
Associate Director of Housing and System Advancement
jezzmenmcpeters@austinecho.org

Established Point of Contact:

Paul Mohr
Community Housing Portfolio Manager

4.E. Resident Services

Resident services will be provided by the Austin Area Urban League, the non-profit owner, and will be supported by the overall TCSHC network and on-site property management team.

Over the last 40 years the Austin Area Urban League, in alignment with the Empowerment pillars of the National Urban League, has worked to meet the needs of underserved populations in the Austin area. With a key focus on programming and services in the areas of Education and Youth Development, Workforce and Career Readiness, Health, Housing, Justice and Advocacy, the Austin Area Urban League has had the opportunity to positively impact thousands of lives in the Austin/Central Texas region. For housing specifically, the Urban League believes that *every American deserves to live in a safe, decent, affordable and energy efficient housing on fair terms*. To empower individuals experiencing homelessness to work toward their own goals of self-sufficiency, we partner with them to access housing, workforce and career development resources, financial empowerment programs and access to culturally appropriate health and wellness opportunities. Supportive services means services provided by the service provider to help residents enhance their way of living and achieve self-sufficiency. Supportive Services shall be provided through coordination with existing service provision delivered through a combination of both on- and off-site service delivery opportunities.

The Urban League has several ongoing housing and community development programs that will form a strong base of experience for operating supportive housing.

Embedded in the Workforce & Career Development multi-pronged approach is Tier 1: Job Readiness programming under our ***Pathway to a Career program***, which assists individuals ages 16 to 65 by providing web-based computer literacy programming while developing important workplace soft-skills that will position them for success in future employment opportunities. Tier 2: Occupational Training) is

- a) The ***Returning Citizens Advancement Program*** (RCAP) is developed to reentry assistance to individuals who have experienced exclusion and barriers to housing, education, and employment leading to an improved quality of life. Program services are intended to meet participants basic needs through tools such as rental assistance, transitional housing, credit counseling, financial literacy, workforce development and skills training. Urban League's Workforce & Career development program provides career counseling, employment assistance, occupation training, financial literacy and long-term job retention that serve the purpose of ensuring individuals can not only meet basic needs but earn a wage that allows them to live a full life,
- b) ***Tech and Career Academy (AAUL TCA)*** is an approved TWC Career School and College and a Workforce Solutions Training Partner. AAULTCA was developed with you in mind to provide first class training opportunities for the demographics we serve to help them get a skill and certification in one of the high demand areas in the Capital City and surrounding areas.

AAUL Health and Wellness division offers clients *Healthcare Access Programming* focuses on the provision of healthcare and economic assistance navigation and application

assistance (Medicaid, Medicare, SNAP, Healthy Texas Women Program, etc.) with an important focus on culturally appropriate care. The purpose of the AAUL Health and Wellness division is to ensure comprehensive health equity by providing culturally appropriate health education, assistance in accessing available healthcare & social services, wrap-around services, reduction of stigma to seeking care, chronic disease self-management supports and advocacy for individual and community needs. Additionally the AAUL also has a referral mechanism to assist in accessing services offered by partners in our network of providers.

Executive Summary

The Urban League is a historic civil rights organization dedicated to providing economic empowerment, educational opportunities and the guarantee of civil rights for African Americans and other underserved/underrepresented populations in America.

Since 1977, the Austin Area Urban League has enriched the lives of citizens within the greater Central Texas Region. The Austin Area Urban League is one of more than 90 affiliates of the National Urban League providing direct services that impact and improve the lives of thousands in the central Texas region. Aligning with the program pillars of the Urban League, the Austin Area Urban League seeks to meet the needs of underserved populations in the Austin area by focusing on programming in the areas of Education and Youth Development, Workforce and Career Readiness, Health and Quality of Life, and Housing.

- ⊖ ***The Mission of the Urban League Movement is to enable African Americans and other underserved American residents to secure economic self-reliance, parity, power and civil rights.***
- ⊖ ***The Vision of the Austin Area Urban League is a Austin/Central Texas that provides an **Equitable Quality of Life** opportunity for all its residents, in all aspects of life.***
- ⊖ ***The Mission of the Austin Area Urban League is to provide tools to African Americans and under-served populations to build a foundation for social and economic equity and equality.***

This is done through a programmatic and service focus under Five empowerment pillars.

WORKFORCE DEVELOPMENT (JOBS): Every American has access to jobs with a living wage and good benefits. From at-risk teens, to the formerly incarcerated, to older Americans re-entering the workforce or in need of new skills, Urban League workforce programs have helped thousands to find careers and prepare for new challenges.

EDUCATION AND YOUTH DEVELOPMENT: Every American child is ready for college, work and life. Through mentorship, sponsorship, prevention, intervention and college-immersion experiences, Urban League Education and Youth programs are closing the racial achievement gap in communities large and small. Advocacy on the local, state and federal level keeps issues of equity and fairness forefront in the education debate

HOUSING: Every American lives in safe, decent, affordable and energy efficient housing on fair terms. The housing crisis of the last decade hit African Americans disproportionately hard, wiping out recent gains in the home ownership rates. Through Home repair, foreclosure prevention, pre-purchase counseling and financial literacy initiatives, Urban League programs are closing the gap and helping minority families buy and keep their own homes.

HEALTH AND WELLNESS: Every American has access to quality and affordable health care solutions. Black Americans are almost twice as likely as whites to lack health insurance. Life expectancy is four years shorter, and younger people of color are more likely to develop or die from health conditions that typically occur at older ages in whites, such as heart disease, stroke, and diabetes. Urban League programs are raising awareness about health disparities and helping people to quit smoking, enroll in health insurance and make healthier choices.

JUSTICE & ADVOCACY: Every American has an equal right and responsibility to fully participate in our democracy and civic processes, and all people have a right to justice and fairness. Voter suppression, mass incarceration, lax civil rights enforcement and rising levels of hate crime and racial hostility threaten to erase the nation's progress over the last 50 years. The Urban League remains a powerful voice for fairness, peace and equality.

5.D. Proof of Site Control

Please see the following documentation of site control.

MEMORANDUM OF UNDERSTANDING

It is the intent of the Narrow Road Group (“NRG”) and the Austin Area Urban League (“AAUL”) to enter into an executed agreement for option to lease/sub-lease 1.020 acres of the property at 6314 & 6400 E. FM 969, Austin, TX, 78724 (see attached site diagram, blue-outlined site labeled “AAUL”) from NRG to AAUL for the purposes of developing affordable multi-family housing by AAUL.

The reason for this MOU and not a full lease/sub-lease option is that legal teams are working through documents and requirements, and the option agreement is not yet ready. Both NRG and AAUL expect to execute the option agreement prior to May 13, and will update the application to the city’s Rental Housing Development Assistance program at that time.

The option period is expected to run from the date of execution of the option agreement through May 30, 2022. The lease/sub-lease itself would commence on Jan 1, 2023. The term of the lease/sub-lease will be at least 45 years.

The option agreement will be contingent upon AAUL securing sufficient financing for the development and NRG obtaining an expected tax abatement partnership with the Housing Authority of Travis County or a similar public entity.

TENTANT/SUBTENANT:

Austin Area Urban League, a Texas not for profit corporation

By:  _____
Name: Quincy Dunlap
Title: CEO _____

LANDLORD/SUBLANDLORD:

GDC-NRG MLK LLC,
A Texas Limited Liability Corporation
