

CONSIDER SMOKE-FREE HOUSING

The City of Austin encourages the development of smoke-free rental housing. Smoke-free housing protects the health of residents by decreasing exposure to harmful secondhand smoke. Also, apartment owners and managers reap the benefits of more efficient and less expensive unit turnovers, potentially lower insurance premiums, and reduced risk of fires.

Smoke-free policies are legally permissible and can be a marketing advantage for attracting and retaining residents. More than 80 percent of people living in the Austin area do not use tobacco, and a 2011 survey conducted by the Austin/Travis County Health and Human Services Department found that 77 percent of renters in Travis County would prefer to live in tobacco-free housing.

Find out how you can protect the health of residents, make your property safer, and save money by downloading a copy of "A Manager's Guide to Smoke-Free Housing Policies" at: <http://www.livetobaccofreeaustin.org/owners.php>.

Please answer the following questions.

Is this development intended to have restrictions on smoking? Yes No

If "Yes," what level of restriction is intended?

- No smoking anywhere on the property, inside or outside
- No smoking Inside residents' units
- No smoking in outdoor exclusive use areas such as individual balconies or patios
- No smoking in outdoor common areas such as pool, parking lot, green spaces, etc.
- No smoking outdoors within a reasonable distance from building entrances (such as 15 – 25 feet) to prevent smoke from entering another resident's open windows or doors.

2. **A. Non-profit applicants/developers, attached copies of the following:**
1. A "certificate of status" issued by the Texas Secretary of State. – **ATTACHMENT 1**
 2. Federal IRS certification granting non-profit tax-exempt status. – **ATTACHMENT 2**
 3. Certified financial audit for most recent year which include the auditor's opinion and management letters. – **ATTACHMENT 3**
 4. Board resolution approving the proposed project and authorizing the request for funding – **ATTACHMENT 4**

- B. For-profit applicants/developers, attach copies of the following:**
1. For Corporations, Limited Partnerships, and Limited Liability Companies, a copy of a "certificate of status" issued by the Texas Secretary of State. – **N/A**
 2. A current financial statement – **N/A**
 3. Proof of sufficient reserves or a line of credit available, if necessary, in order to complete the proposed project. – **N/A**

3. **Project Type (Please check any that apply.)** This project is considered:

Traditional Rental Housing (serving low-income households, and resident services may or may not be provided)

Transitional Housing (case management services provided and residency limited to a certain length of time, usually no more than 24 months)

Permanent Supportive Housing (Considered long-term rental housing for very low-income families and individuals who are among the hardest to serve and who are most vulnerable to homelessness. This type of housing provides case management services to residents as needed).

If you checked Permanent Supportive Housing, please complete the information below.

A. Numbers of proposed PSH Units:

107 Total Number of Units in project

21 Total Number of Permanent Supportive Housing (PSH) Units Proposed

B. Check the population or sub-population(s) proposed to be served and indicate the number of units dedicated to that population or sub-population.

1. Persons needing "**Housing First**," a Permanent Supportive Housing model typically designed for individuals or families who have complex service needs, who are often turned away from other affordable housing settings, and/or who are least likely to be able to proactively seek and obtain housing on their own. Housing First approaches also include rapid re-housing which provides quick access to permanent housing through interim rental assistance and supportive services on a time-limited basis.

NUMBER OF UNITS _____

Individuals or families headed by individuals that are:

2. **Chronically homeless** as established in the HEARTH Act (Homeless Emergency and Rapid Transition to Housing Act of 2009) found at 24 CFR Part 577.

NUMBER OF UNITS 21

3. Households that would otherwise meet the HUD definition of chronically homeless per the HEARTH Act, but **have been in an institution for over 90 days**, including a jail, prison, substance abuse facility, mental health treatment facility, hospital or other similar facility.

NUMBER OF UNITS _____

4. Unaccompanied youth or families with children **defined as homeless under other federal statutes** who:

a. have experienced a long-term period without living independently in permanent housing;

- b. have experienced persistent instability as measured by frequent moves over such period; and
- c. can be expected to continue in such status for an extended period of time because of chronic disabilities, chronic physical health or mental health conditions, substance addiction, histories of domestic violence or childhood abuse, the presence of a child or youth with a disability, or multiple barriers to employment.

NUMBER OF UNITS _____

5. _____ A single adult or household led by an adult **'aging out' of state custody of the foster care or juvenile probation system**, where the head of household is homeless or at-risk of homelessness.

NUMBER OF UNITS _____

6. _____ Any other population **not defined above** but who would otherwise be eligible for or need permanent supportive housing services.

NUMBER OF UNITS _____

NOTE: APPLICANTS CHECKING B.1, B.2, B.3, or B.4 ABOVE MUST COLLECT AND REPORT INFORMATION INTO THE HOMELESS MANAGEMENT INFORMATION SERVICE (HMIS)

4. Project Description. Provide a brief project description that addresses items "A" through "L" below.

Bluebonnet Studios is 107 units of affordable supportive housing located in the heart of South Austin at 2301 S. Lamar Blvd., Austin, TX 78704. Bluebonnet Studios closed on all of our tax credit, City and private funding on June 11, 2015 and started construction on June 15, 2015. While the project had a significant gap at closing, we have identified several highly potential sources to help fill that gap. However, there were several costs that we did not expect and those that were expected turned out higher than expected. These site-related costs have added \$700,000 to the project and we have tapped all other fundraising sources for the existing gap on the project due to Austin's booming economy.

The most major underestimated cost to the project was the City requirement to place the existing above ground power lines along S. Lamar and Del Curto underground. We knew that the City was going to require us to go underground with the lines, but it took a while to secure the drawings from the City. The true cost of going underground did not become evident until after we closed and started construction. The fee to Austin Energy for the relocation of the power lines is \$200,000 (which was completely unanticipated) plus another \$400,000 as a direct construction cost to us for building a duct bank for the power lines underground. A second unanticipated cost is a result of the Board of Adjustments challenge from an angry neighbor. While this case was caught up in legal analysis, the City had to issue a Stop Work notice. The seven day work stoppage caused a \$55,000 hit to the project for demobilization and legal costs. Finally, meeting the City's requirements for pedestrian access, traffic control and the final addition of bike lanes and sidewalk improvements for the project will add another \$50,000 to the overall project. To help cover the expense of these unanticipated cost increases and improvements, Foundation Communities is applying for funding in the amount of **\$700,000** from the City of Austin.

The project was previously awarded City funds in the amount of \$2,000,000, \$1,000,000, and \$294,420. The \$2,000,000 award was used as leverage for the 2014 Low Income Housing Tax Credit Application. The City's critical leverage enabled Bluebonnet Studios to receive an award of the highly competitive 9% credits. After the 9% credit award, the \$2,000,000 was utilized to acquire the site of Bluebonnet Studios on August 29, 2014. The additional award of \$1,000,000 will help cover the increased construction costs resulting from Austin's booming economy. Foundation Communities utilized the award of \$294,420 in CDBG funds to help cover architecture and engineering fees for the property.

This \$700,000 request brings the total AHFC funds invested in Bluebonnet Studios to \$3,994,420 or \$37k per unit. This amount is within range of the AHFC funding committed on our Capital Studios supportive housing community. As supportive housing with no third party debt, the City of Austin's funding contribution is a critical layer to the overall project funding stack.

While the fundraising gap on Bluebonnet Studios is large, Foundation Communities has made significant progress in bringing dollars to the project. After a competitive bidding process, we were able to secure higher than estimated pricing on our tax credit equity due to FC's successful track record and Austin's hot economy. We were awarded a highly competitive Affordable Housing Program grant from the Federal Home Loan Bank of San Francisco in the amount of \$1,500,000. We have raised \$700k from individual donors due to the overwhelming need for more supportive housing in the community. We have also secured \$950k in funding from NeighborWorks America. We have two major grants pending that would provide over \$3.5M to the project and we are permanently deferring 100% of our developer fee.

We understand that it is not good practice to continuously come to the City for more money. In a situation, like Bluebonnet Studios, this ask is unavoidable. We truly have no other sources to cover these unanticipated costs.

The good news is that Bluebonnet Studios will be a true asset to the community and will be worth every penny invested. Not only will it be a quality example of how affordable housing can be built responsibly and beautifully, but it will also stabilize the lives of 107 of Austin's hardest to house. The success of those lives is worth far more money than the construction cost of the property.

As a reminder, below are the reasons that Bluebonnet Studios will be exceptional:

- 1) Prime location on South Lamar Boulevard with excellent public transit, employment and service amenities within steps.
- 2) Creating an affordable housing option among the over 2,000 units of market rate apartments and condos that were recently completed or will be completed by year end of 2015. The lack of affordability in South Austin is at a critical crossroads.
- 3) 107 efficiency apartments for single adults in the range of \$400 to \$670 (all bills paid).
- 4) All units for persons with incomes below 50% Median Family Income.
- 5) 21 units for persons who are chronically homeless.
- 6) Targeted supportive services available to all residents free-of-charge including case management, benefits assistance, healthcare screening and management, budgeting and money management classes, life skills training and health and wellness activities.
- 7) Goal of achieving LEED platinum green construction.

a. Describe the tenant population, income levels, and services, if any, to be provided to or made available to residents.

A total of 107 units will be available to extremely and very low income individuals. Sixty percent of the units (64 units) will be reserved for individuals with incomes below 50% of the Median Family Income. Twenty percent of the units (21 units) will be reserved for individuals with incomes below 40% of the Median Family Income and the remaining twenty percent of the units (22 units) will be reserved for individuals with incomes below 30% of the Median Family Income. The reality is that most residents will have incomes below 30% MFI and the average income of our residents in supportive housing is less than \$13,000.

Twenty percent of the units (21 units) will be reserved for chronically homeless as established by the HEARTH act. The remaining 86 units will be targeted to a mix of populations including: individuals on a fixed income (elderly and/or persons with disabilities), persons with low wage employment, homeless persons and persons on the verge of homelessness.

Supportive services will be made available to all residents at Bluebonnet Studios. The goal of the supportive services will be to promote stable housing through programs that increase access to health assistance, promote increased and stable income, and provide services that support self-development. The menu of supportive services at our permanent supportive housing properties typically include:

- Case management
- Adult education classes
- Money management classes
- Information and referral to community services
- Home health assistant
- Education savings program
- Free tax preparation
- Financial stability programs
- 24-hour computer lab

- Monthly food pantry
- Welcome Home Baskets

Please see Section 15(a) for a more detailed explanation of services to be provided at Bluebonnet Studios.

b. Include the type of structure (multi-family or single-family), number and size of units in square feet.

Bluebonnet Studios will be a 107-unit single room occupancy supportive housing rental community for individuals. Each approximately 450 square foot efficiency unit will contain a kitchenette and bathroom. Common spaces for resident use will include a lounge, computer lab, community meeting room, community laundry, and community kitchen.

The unit mix for the property is as follows:

Unit Type	# of Units	Square Footage
0 bedroom/1 bath	6	418 sq. ft.
0 bedroom/1 bath	34	428 sq. ft.
0 bedroom/1 bath	47	434 sq. ft.
0 bedroom/1 bath	3	490 sq. ft.
0 bedroom/1 bath	17	537 sq. ft.
Total Rentable		48,048 sq. ft.
Common Area		6,649 sq. ft.
TOTAL		54,706 sq. ft.

c. Indicate whether the property is occupied at the time this application is being submitted.

Bluebonnet Studios is new construction and therefore is not occupied.

d. Indicate whether the project meets the requirements of the City’s Vertical Mixed-Use (VMU) Ordinance, or is in a Planned-Unit Development (PUD) or Transit Oriented Development (TOD), or is located less than .25 miles from a transit stop (not just a transit route).

Bluebonnet Studios is located in a VMU. Bluebonnet Studios is located within a ¼ mile of a transit stop (only 145 feet from a bus stop).

e. Indicate whether the project will preserve existing affordable rental units.

Bluebonnet Studios is new construction and therefore will be adding 107 new units to Austin’s affordable housing stock.

f. If there are existing structures, provide documentation from the taxing authority or another third-party source indicating the year the structure was built.

Bluebonnet Studios is new construction therefore this section is not applicable.

g. Indicate the number of units reserved for Housing Choice Voucher holders (Section 8).

Bluebonnet Studios will not be reserving units for Section 8 voucher holders. Instead, vouchers will be accepted at our property.

h. Indicate the number of units that are or will be made accessible and adaptable for persons with mobility, sight or hearing disabilities.

At a minimum, 10% of the total units (11) will be designed for persons with Mobility Impairments using Section 504 and Fair Housing Accessibility as guidelines. In addition, at a minimum, 2% of total units (2) will be made accessible for persons with hearing and visual impairments.

i. Demonstrate the Project’s compatibility with current Neighborhood Plan (if applicable).

Bluebonnet Studios does not fall within a current Neighborhood Plan, but we have met with the South Lamar Neighborhood Association and they are supportive of the project.

j. Summarize the key financials of the project, clearly indicating the total project cost, the amount and intended use of AHFC funds being requested, and the amount(s) and provider(s) of other funding and the stage of those funding commitments.

The total revised cost to construct the 107-unit Bluebonnet Studios is \$20,082,632. The sources of funds for this project include:

City of Austin, in the total amount of \$3,994,420; \$2,000,000 in the first application, \$1,000,000 in the second application, \$294,420 in CDBG funds in the third application, and the current funding request of \$700,000. The first \$2,000,000 was already utilized to acquire the land on August 29, 2014. The second request of \$1,000,000 will be used for construction hard costs. The \$294,420 in CDBG has been used for architectural and engineering costs. The most recent request for \$700,000 in funding will be used for construction hard costs related to city improvements.

TDHCA Low Income Housing Tax Credits (LIHTC), in the amount of approximately \$8,961,404 (\$845,500 annual allocation). The 9% tax credits can be put toward any development cost for the project. Bluebonnet Studios received an award of 9% LIHTCs on July 31, 2014. Raymond James/BBVA Compass was selected as the equity investor.

NeighborWorks America in the amount of \$950,000. On an annual basis, Foundation Communities, as a NeighborWorks America charter member, is eligible for up to \$500,000 in funding to support development projects in the pipeline. \$500,000 of our 2014 award will be allocated to Bluebonnet Studios and \$450,000 of our 2015 award.

Federal Home Loan Bank grant in the amount of \$1,500,000. Foundation Communities applied in March 2015 and receive notification in June of the award. Foundation Communities has received a total of 12 FHLB grants for current and past projects.

Owner Equity in the amount of \$3,621,675. Foundation Communities has made significant progress on submitting asks and chasing leads to fill this gap. We have commitments on two lines of credit that we will use in addition to the construction loan to bridge our fundraising efforts.

Deferred Developer Fee in the amount of \$1,055,133. This represents 100% of the developer fee for the project.

Please attach the following to the description of the above items:

- k. A map (8 1/2" x 11") indicating the property location and the distance to the nearest Capital Metro Transit Stop to which residents will have access.

Please see **ATTACHMENT 5** for a map of the property location and distance to nearest Capital Metro Transit Stop.

- l. A flood plain map generated by www.ATXFloodPro.com with the property parcel identified and the legend displayed showing the various types of FEMA Flood Plain zones.

Please see **ATTACHMENT 5** for a property flood plain map generated by ATX Flood Pro. Bluebonnet Studios is located in Zone X.

- 5. Site Control and Demonstration of Value.** Include evidence of site control such as a warranty deed or a current earnest money contract, and provide a real estate appraisal or current tax documentation that substantiates the value of the property.

Foundation Communities, Inc. acquired Bluebonnet Studios on August 29, 2014. Please see **ATTACHMENT 6: Warranty Deed** and **ATTACHMENT 7: Current Tax Documentation**.

- 6. Zoning.** Include a letter from the City of Austin's Planning and Development Review Department (PDRD) verifying that the current zoning of the site for the proposed project is compatible with the anticipated use, or include documentation verifying that a request to change current zoning has been submitted to PDRD. Should

the project be approved for funding, the appropriate zoning must be in place prior to execution of loan documents.

A zoning change is not required to develop Bluebonnet Studios because of the VMU overlay in place. Please see **ATTACHMENT 8: Zoning** for confirmation letter.

- 7. S.M.A.R.T. Housing™.** Include a copy of the letter that indicates the project has been reviewed and meets S.M.A.R.T. Housing™ requirements.

Please see **ATTACHMENT 9** for S.M.A.R.T Housing certification letter.

- 8. Development Team and Capacity.** Identify below the persons or entities anticipated to be involved in the project, such as lenders, attorneys, accountants, architects, engineers, general contractor, sub-contractors, property managers and consultants. Also, indicate if any person or entity involved is certified by the City of Austin as a minority or women-owned business enterprise (**MBE/WBE**), or if any of the entities are also **non-profit** organizations.

Please also provide narrative information about the skills you or your development team members have in the following areas:

- a. project management,
- b. market analysis,
- c. site selection and control,
- d. planning and construction,
- e. design, architecture and engineering,
- f. legal and accounting,
- g. federal funding rules and
- h. other funding source rules (e.g. Low Income Housing Tax Credits).

Foundation Communities has 20 years of experience contracting for and overseeing the construction and rehabilitation of affordable housing. As the owner and manager of 15 affordable housing properties (2,117 units) in Austin and 3 affordable housing properties (691 units) in North Texas, Foundation Communities has built a strong development team and has worked together on many projects. Four of our existing communities were new construction projects financed with tax credits with six additional communities (573 units) currently in design and construction. Fourteen of our communities were purchased as existing properties and greatly improved with renovations, green spaces and playscapes, learning centers, landscaping, signage, lighting and green building features (solar panels and rain water harvesting). Five properties are single room occupancy permanent supportive housing, two properties are duplexes and the remaining 11 properties are multifamily properties.

Housing Development Team - Our Housing Development Team consists of the following FC staff (Please see **ATTACHMENT 10** for resumes):

Walter Moreau is FC's Executive Director. During his 20-year career, Moreau has secured subsidy financing of more than \$100 million to create more than 2,400 units of service-enriched, nonprofit-owned affordable housing. Moreau was recognized as a 2007 James A. Johnson Community Fellow by the Fannie Mae Foundation. He was also awarded the 2005 Social Entrepreneur of the Year Award and the 2004 Texas Houser Award. He holds a Master's degree from UT's LBJ School of Public Affairs. He has been with Foundation Communities for 20 years.

Sunshine Mathon, Design and Development Director, directs the programming, design and construction management of all development projects. He has a focus on green building and sustainability issues, such as energy and water conservation, use of recycled content materials and indoor environmental quality. Sunshine is the project manager for Homestead Apartments, Bluebonnet Studios, and Lakeline Station, all currently under construction. He was also the project manager for the recently completed Capital Studios, Arbor Terrace, and M Station. Sunshine coordinates the RFQ and bid process for architect, engineer and general contractor and is the direct link between the third party design and construction professionals and FC's Development team. FC has had the privilege of working with a number of quality general contractors and invites those firms to bid on all projects developed by Foundation Communities (in addition, to other firms that might be interested.)

Vicki McDonald, Asset Manager, oversees the income and assets of the FC portfolio. She has over 30 years of experience in owning and managing multifamily, office and retail developments. For 25 years, she owned and operated Vista Properties, a real estate firm specializing in the management, leasing and brokerage of income producing assets. Vicki is the link between the development team and property management as well as filling in on project management as the pipeline demands.

Jennifer Hicks, Director of Housing Finance, pursues new development opportunities and identifies and packages subsidy and conventional financing for multi-family housing. Packaging includes running project proformas, applying for the funding, bidding out equity/mortgages, coordinating closings, and ensuring compliance with construction-related funding provisions. Jennifer also coordinates due diligence reports such as the Phase I ESA, appraisal, market studies, property condition reports, and surveys. Over the past 10 years, Jennifer has secured grants and loans from public and private sources totaling \$180 million for the acquisition and rehabilitation of ten communities and two learning centers.

John Guttman, Real Estate Project Manager, underwrites all new development proposals and manages initial site analysis and due diligence. John also assists the Director of Housing Finance with all phases of each capital funding stack including preparation of funding applications (including LIHTC applications), solicitation of mortgage and equity financing and coordination of financing closings. John has extensive experience in financial modeling and site investigation.

Aubrie Christensen, Development Project Manager, assists the Design and Development Director with the programming, design and construction management of development projects. Aubrie joined Foundation Communities in summer 2014 in order to add development capacity. Aubrie is a graduate of the University of Texas School of Architecture and has a passion and interest in sustainability.

Please see **ATTACHMENT 10** for a Development Resume for Foundation Communities, Inc.

Please also provide narrative information about the skills you or your development team members have in the following areas:

- a. **project management:** Sunshine Mathon was the Project Manager of M Station and Arbor Terrace, as well as for Capital Studios and Homestead Oaks (now underway.) Sunshine coordinates the RFQ and bid process for architect, engineer and general contractor. He is also acts as the direct link between the third party design and construction professionals and FC’s development team. Jennifer Hicks has packaged the financing for all developments by Foundation Communities the last 10 years. The packaging includes running project proformas, applying for the funding, bidding out equity/mortgages, coordinating closings, and ensuring compliance with construction-related funding provisions. John Guttman coordinates due diligence reports such as the Phase I ESA, appraisal, market studies, property condition reports, and surveys.
- b. **market analysis:** Foundation Communities typically engages a third party firm to conduct market studies for each of our proposed projects. The market study is ordered in the contract feasibility period. John Guttman receives bids and engages each project’s market analyst.
- c. **site selection and control:** Walter Moreau has 20 years of site selection experience. Sites are selected based on a variety of factors including current funding priorities, availability of low-cost land, preservation of affordable housing opportunities and availability of sites in close proximity to existing FC properties. Vicki McDonald is a licensed real estate broker and is involved in all real estate contract negotiations. Jennifer Hicks works with the title company to ensure all requirements are met on the buyer side and oversees the closing on behalf of Foundation Communities.
- d. **planning and construction:** Sunshine Mathon has structured the professional development team and overseen the planning and construction for FC’s last three projects. Foundation Communities contracts with third-party General Contractors. FC has had the privilege of working with a number of quality general contractors and invites those firms to bid on all projects developed by Foundation Communities (in addition, to other firms who might be interested.)
- e. **design, architecture and engineering:** Sunshine Mathon also oversees the hiring of the design and engineering team. Typically, Sunshine issues an RFQ to an invited list of bidders (open to all interested parties.) The list is narrowed down based on responses and then the FC development team including Walter, Vicki, Jennifer and Sunshine meet the finalists and make a selection based on presentations.
- f. **legal and accounting:** Rick Hightower has been the general counsel for Foundation Communities for the past 15+ years and handles most real estate transactions. Foundation Communities has historically worked with Kutak Rock as a tax credit counsel on LIHTC projects. All accounting is performed in-house by an accounting team led by Ann Clift, CFO. Tax returns, audits and cost certifications for tax credit properties are contracted out to Novogradac and Company, LLC.
- g. **federal funding rules:** Foundation Communities has extensive experience working with programs funded by HUD and their associated federal regulations including: Federal Labor Standards, Davis Bacon Reporting, Section 3, Affirmative Marketing, Environmental Clearances, Public Notices and Procurement Standards. Please see **ATTACHMENT 10** for the Foundation Communities Development Resume.
- h. **other funding source rules (e.g. Low Income Housing Tax Credits):** Please see the FC Development Resume as **ATTACHMENT 10** for a list of properties and the funding sources in place at each property. Also, please see Question 11 for more detailed information on Financing Experience.

9. Development Schedule. Complete the grid below. You may re-order the steps according to the appropriate sequence for your project and to add in any other significant steps integral to your project’s development. If the multiple properties are involved, provide a development schedule for each property.

10. Accessible and Adaptable Units. Indicate the number of units proposed to be **accessible and adaptable** for persons with mobility, sight and hearing disabilities as required by RHDA Program Guidelines.

- 11 Units adaptable for persons with mobility disabilities
- Units accessible for persons with mobility disabilities
- Units adaptable for persons with sight and hearing disabilities
- 2 Units accessible for persons with sight and hearing disabilities

11. Developer Capacity. Provide narrative information on recent, similar, and successful experience in affordable housing development. Include experience using multiple fund sources, managing affordable rental developments, and previous working history with the Austin Housing Finance Corporation.

Recent Development Experience: Bluebonnet Studios will draw upon the recently completed new construction of Capital Studios and M Station Apartments, Homestead Oaks currently in development, as well as the completion of four SRO housing communities. Please see **ATTACHMENT 10** for a description of these projects in the FC Development Resume.

Foundation Communities, Inc. has experience utilizing all funding tools available for the development of affordable multifamily housing. We have an excellent track record of securing funding in competitive allocations of the 9% LIHTC. We also have solid relationships with multiple lenders. Three most recently completed projects utilize the following five layers of funding: 9% LIHTCs, City of Austin RHDA funding, FHLB AHP program, construction/permanent loan and private fundraising.

LIHTCs and BONDS

Foundation Communities has applied for and been awarded 9% LIHTCs for six developments. Two of these awards were forward commitments by the Texas Department of Housing Board of Directors giving testament to Foundation Communities track record of high-quality developments with compelling missions. FC's development team is well-versed in the LIHTC program and application process. All applications are completed in-house by staff. Staff also closely follows the drafting of the Qualified Allocation Plan and is aware of changes to threshold and scoring items that impact a high-scoring application. FC has a staff team that has over 10 years of tax credit compliance with a record of no significant findings. FC also has relationships with multiple tax credit investors including Enterprise Community Investment and Bank of America.

Foundation Communities built and financed the Southwest Trails Apartments utilizing 4% LIHTC and private activity bonds. Bonds were issued by Austin Housing Finance Corporation. The credits were purchased by Related Capital and the bonds financed with Chartermac. The closing took place over two days with a dozen attorneys, but was successful.

City of Austin RHDA

The City of Austin has been a major contributor on every project completed by Foundation Communities in the past 10 years. The FC Development team follows the release of the City's application rules and NOFA and has a solid working relationship with City of Austin NHCD/AHFC staff.

FHLB AHP Program

Foundation Communities has applied for and received 11 awards through the FHLB Affordable Housing Program and received the highest funding amount awarded (\$1,500,000) for Bluebonnet Studios and M Station.

Private Mortgages

Foundation Communities has excellent relationships with several lenders that allow for competitive rates and pricing. We currently have private mortgages with Compass BBBVA, Bank of America, Wells Fargo and Greater Texas Federal Credit Union.

Private Fundraising

Foundation Communities employs a diverse fundraising strategy. In 2014, private fundraising totaled over \$8,000,000 (not including capital funding from City of Austin). Foundation and corporate grants range from \$3,000 to hundreds of thousands of dollars, and fund both capital projects and FC’s wide range of programs (education, supportive housing, etc.).

Property Management Experience: Foundation Communities performs all leasing, maintenance, accounting, compliance and other property management functions for its 15 Austin properties. Foundation Communities earns property management and asset management fees that help support the overall nonprofit mission. The success of Foundation Communities’ property management is demonstrated through its high occupancy (usually averaging more than 95 percent), low turnover (under 32 percent), ability to keep all properties performing within their operating budgets, completion of capital repairs of over \$535/unit, and a relatively high percentage of move outs going to homeownership (20 percent).

A majority of Foundation Communities’ 18 properties feature a federal source of funding. Specifically, Foundation Communities’ staff has experience with the compliance and reporting requirements of the Low Income Housing Tax Credit program, HOME program, and HUD Continuum of Care Funding Programs.

Please find in **ATTACHMENT 10** a list of the properties managed by Foundation Communities and the funding programs in place at the specific property. Bluebonnet Studios will be staffed with a property manager, assistant property manager, lead maintenance and porter. The property will be staffed 24-hours a day with front desk clerks in addition to a Supportive Service Coordinator/Case Manager. All supportive housing properties are overseen by Kristy Bowers, Supportive Property Supervisor, who is overseen by Sandra Lumley, Property Director. Sandra has been with Foundation Communities for 20 years and has extensive knowledge of all funding programs and required compliance.

14. Good Neighbor Policy. Please refer to the City’s Good Neighbor Guidelines and demonstrate compliance with the Good Neighbor Policy by completing the Good Neighbor Checklist and providing the documentation requested.

The completed Good Neighbor Checklist and related documentation are attached as **ATTACHMENT 11**. The South Lamar Neighborhood Association voted to support the Bluebonnet Studios project. Their letter of support has also been included in this tab.

15. Description of Supportive Services. If supportive services are NOT to be provided, please stop here. For all other projects, if supportive services are to be provided to residents, provide a description of the services that includes the following information:

a. A description of the supportive services to be provided to residents and/or clients.

Foundation Communities is committed to providing not only the housing, but, as part of our mission to create housing where residents succeed, the essential support services to stabilize and empower individuals living in permanent supportive housing. Foundation Communities' model of housing-plus-services provides the supportive services that individuals need to successfully transition to stability. The target population of Bluebonnet Studios will be mixed serving a small percentage of chronic homeless and a larger percentage of housing-fragile individuals on fixed incomes and low-wage workers. Like the population, the array of services offered at Bluebonnet Studios will be mixed with some residents needing more and some needing less.

Services typically offered at FC's Permanent Supportive Housing properties include:

- Mental health counseling and supported treatment;
- Individual and group substance abuse supported treatment;
- Daily living skills training;
- Budgeting and money management skills;
- Advocacy for benefits and entitlements including Social Security, Medicaid, and Food Stamps;
- Health, wellness and recreational activities;
- Supports for family reconnections;
- Vocational and supported employment services;
- Food pantry
- GED and ESL classes
- Eviction prevention
- Case management
- Home health assistant
- Education savings program
- Free tax preparation
- 24-hour computer lab
- Welcome Home Baskets

b. The number and types of residents/clients expected to be served annually.

Bluebonnet Studios will house 107 individuals at any given time. The service needs of the property will vary according to the resident profile. We are targeting 20% of the units to chronic homeless and expect the service needs of this population to be extremely high. The balance of units will be targeted to individuals on fixed incomes and low-income workers who will still require a variety of services, but at a lower degree. With an average turnover of 30%, we expect to serve approximately 139 individuals a year with some degree of services.

c. Describe the developer's experience and qualifications in providing the services to be offered.

Foundation Communities, as the primary supportive service provider at Bluebonnet Studios, has 20 years experience in the provision of supportive services to its residents. At all of our properties, we enable our residents to increase their personal development, education, safety, and health at one convenient location in their neighborhood. Through strategic partnerships, last year FC gave 900 children of working parents a safe place to go when school's out right where they live and helped 85% of students maintain or improve grades. Talented volunteers help us increase adults' earning potential through classes in English as a Second Language, GED preparation, and computer skills, as well as employment counseling and social service referrals. Throughout our learning centers, our newest program area, Health Initiatives, brings healthier living to entire families in the form of nutrition and cooking, active play, and exercise. Each year, we also empower more than 100 families to become smart consumers through economic education and at least 50% of them to reduce debt. More than 125 families have earned a 2-to-1 match in special savings accounts to purchase a home, attended college, or started a business. We also provide free income tax preparation for 18,000+ low-income workers and retirees with the help of 600 IRS-certified volunteers. We are one of the first organizations in Austin to provide assistance with insurance sign-up under the Affordable Care Act.

Foundation Communities has been increasingly involved in serving the homeless since 2001, when, working with the Homeless Alliance, we began looking at opportunities to develop supportive housing units for Austin's homeless population. In 2003, with the purchase and redevelopment of an abandoned nursing

home, Garden Terrace opened its doors. This was not only Foundation Communities' first single room occupancy (SRO)/permanent supportive housing (PSH) community, it was the first intentional SRO development in Austin. We followed with the opening of Spring Terrace in 2006, Skyline Terrace in 2008 Arbor Terrace in 2012 and Capital Studios in 2014 for a total of 600 PSH SRO units.

Providing apartments in our SRO communities does not in itself end homelessness on a long-term basis. Our strategy of 'wrap around' supportive services helps our clients maintain housing and avoid a return to the streets. Our low income PSH residents include individuals coming out of homelessness, those with severe and persistent mental illness, people with physical disabilities, homeless and/or disabled veterans, older adults, those suffering from chronic disease (e.g., hypertension, diabetes), and young adults aging out of foster care with persistent mental and behavioral issues. We strive to provide – and increase – the services that will foster maximum stability and progress in our residents. Each community is staffed by Case Managers and Supportive Services Coordinators, who meet regularly with residents and assists them with maintaining housing through accessing rental assistance, increasing income through employment, accessing public benefits to meet basic needs (such as food stamps, SSI/SSDI, unemployment benefits, etc), assisting with educational opportunities, and addressing behavioral issues. The Supportive Service Coordinator also works closely with property management to help tenants negotiate payment plans or take steps to address the issues preventing them from being self-sufficient. Case Managers work more intensely, and on a regular basis, with special needs vulnerable tenants.

We have recently begun a partnership with Lone Star Circle of Care to establish a "medical home" for many of our residents, including psychiatric services, as this is critical to maintaining their stability. A new funding source has allowed us to fund a Case Manager position for our newly-opened property, Arbor Terrace, as well as retain a nurse practitioner on staff to meet regular medical needs in this extremely vulnerable population. Other services provided include: an on-site food pantry residents can access monthly and on an emergency basis, computer classes, cooking classes, literacy tutoring, and counseling.

We further leverage services through partnerships and innovations including:

- Medication management and home chore assistance through a contract with Family Eldercare
- A collaboration including Austin Travis County Integrated Care, Austin Recovery, and NAMI Austin funded through a grant from the Substance Abuse and Mental Health Services Administration (SAMHSA) that provides clinical services to residents with substance abuse, mental health, or co-occurring issues.
- A direct assistance fund that case managers can strategically use to support client goals (eg. books for school or clothing for employment)
- The Terraces also receive and give referrals from many area agencies

d. If services are not provided by the developer of the project, include a description of the organization(s) providing the services and a memorandum of understanding or some other type of agreement that indicates the relationship between the developer and service provider.

While Foundation Communities will be the main supportive service provider at Bluebonnet Studios, we rely on partnerships with the following organizations to broaden and strengthen our service delivery:

- **Caritas of Austin:** provides HUD subsidized rent and case management services for 41 formerly chronically homeless and disabled unaccompanied adults living in our PSH communities.
- **Salvation Army/Passages:** provides HUD subsidized rent and case management services for 15 formerly homeless individuals living at our PSH communities.
- **PLAN of Central Texas, Inc.:** provides intensive clinical case management, peer to peer supports, and clinical supervision to residents in our PSH housing participating in our SAMSHA-funded mental health and substance abuse treatment support services program.
- **Austin Recovery, Inc.** – provides inpatient detox and substance abuse treatment services to residents participating in our SAMSHA-funded mental health and substance abuse treatment support services program.
- **Communities for Recovery:** provides peer to peer recovery aftercare services to residents in our SAMHSA-funded mental health and substance abuse treatment services program.
- **Austin Clubhouse, Inc.:** provides a work-ordered day program, as well as employment readiness supports, and transitional/supportive employment services.
- **Family Eldercare:** provides designated payee services, as well as in-home support including meal preparation assistance, transportation, housekeeping assistance, and medication reminder assistance to residents in our PSH communities (not just for older adults).

- **The University of Texas School of Nursing:** each semester, nursing students in the advanced community nursing practicum provide medical case management to our residents assisting them in better identifying and meeting their healthcare needs.
 - **Integral Care (formerly Austin/Travis Co. MHMR):** Co-facilitate Mental Health First Aid trainings for the Austin community.
 - **NAMI – Austin:** Provides funding for free counseling and therapy sessions at Capital Area Counseling for supportive housing residents.
 - **Capital Area Food Bank:** partners in providing food pantries at our supportive housing communities. Also does Healthy Cooking Classes at with residents at our properties.
 - **YMCA of Austin:** Partners with our SRO resident services to provide reduced rate family memberships for residents to participate in Fresh Start Fitness program. 12 residents can participate for 90 days, after which they can continue personal membership in an income-based program, usually \$10/month.
 - **Austin Area Mental Health Consumers Self Help and Advocacy Center:** Partners in providing peer-to-peer wellness groups at our supportive housing communities.
 - **Downtown Austin Community Court (DACC):** Partners in providing 20 units of PSH in two of our communities for chronically homeless/disabled individuals who are chronic users of DACC resources.
 - **Project Transitions:** Partners in providing 5 units of PSH for individuals living with HIV/AIDS.
 - **Lone star Circle of Care:** Provides integrated care (behavioral health & primary health care) for residents under the auspices of the Federal Substance Abuse and Mental Health Administration (SAMHSA) Services in Supportive Housing (SSH) Grant.
 - **Bluebonnet Trails Community Services:** provides outreach, screening, assessment, and referral for individuals attempting to recover from substance use disorders.
 - **Veteran Affairs Supportive Housing Program:** provides TBRA vouchers for homeless veterans.
 - **Capital Area Counseling:** partnership providing counseling/therapy to PSH residents.
 - **Basic Need Coalition:** Active participation.
 - **Ending Community Homelessness Organization (ECHO):** Both our Director of Supportive Housing and Director of Supportive Services are active members and participate with the Housing Work Group. These groups combine the efforts of roughly 75 participating agencies.
 - **Referrals:** The Terraces receive and give referrals from many area agencies, including Austin Travis County Integrated Care, SafePlace, Lifeworks, Salvation Army, Goodwill, Foundation for the Homeless, Aids Services of Austin, Green Doors, and the U.S. Department of Veteran Affairs.
- e. **Provide resumes of key personnel who will be actively involved in the delivery of services. Resumes should include information about certifications, licenses, years of experience, and education.**

Supportive Service Staff (Please see **ATTACHMENT 12** for staff resumes):

Julian Huerta – Deputy Director - provides leadership for all Foundation Communities’ resident and community services. Julian develops and directs education, financial stability and supportive housing programs that serve more than 20,000 working poor families and homeless adults annually. He brings over 20 years’ experience in program development, nonprofit administration and fundraising.

Mario Cortez, Director of Supportive Housing. Mario has 15 years of experience working with homeless and low-income populations, and holds a Masters in Social Work. Prior to joining Foundation Communities, he spent 3 years developing the Keep Austin Housed AmeriCorps project. He Co-Chairs the Social Services Case Management Network & the Housing Stability Committee of the Basic Needs Coalition, sits on the Executive Committee of the Basic Needs Coalition, and leads planning for Stand Up and Be Counted. Mario oversees all supportive housing programs.

Tim Miles, Director of Supportive Services. Tim has been working professionally in the nonprofit social service field since 1990. His experience includes managing group homes, coordinating community mental health services for children and families, and providing wraparound services to homeless, dually-diagnosed, mentally ill adults. Tim is a U.S. Army veteran, and holds graduate degrees in theology and social work. Tim oversees supportive services at FC’s permanent supportive housing communities.

Supportive Service Coordinators and Case Managers work at the permanent supportive housing communities. Working closely with property managers, they develop creative programs and establish and oversee partnerships that support residents in successfully maintaining housing, accessing education and employment services and contributing to a positive sense of community. Case managers work with a smaller number of high-needs clients on a regular basis, e.g., weekly, to provide these individuals with the

more intensive support they need to maintain housing and stability. A Case Manager will be hired for Bluebonnet Studios that meets the job qualifications attached.

f. Demonstrate financial capacity to provide support services and/or operate a supportive services program by providing the following information:

- 1. Sources of Funds: Identify sources and amounts of funds that will be or are expected to be utilized to provide supportive services.**

EVALUATION CRITERIA:

Applications for proposed projects will be reviewed and scored on a competitive basis per the evaluation criteria below. Applications must receive a minimum score of **150** points out of a maximum score of **240** points. PLEASE NOTE: A score above the minimum score does not guarantee funding.

CORE VALUES POINTS

(Affordable Housing Core Values: Deeper levels of affordability, long-term affordability, and geographic dispersion of affordable units throughout the City.)

Score

1. AFFORDABLE UNITS (maximum 25 points)

 25

If development has a mix of 30%, 40%, and/or 50% MFI units, add the results for the percentage of units in each income category up to the maximum of 25 points. If the percentage of units at a given MFI level is not a multiple of 10, round up to the next closest multiple of 10 to get the score for that particular MFI level

% of Affordable Units in Project (only count units reserved for 50% MFI and below)						
% MFI	10% of units	20% of units	30% of units	40% of units	50% of units	60% of units
50%	3	5	10	15	20	25
40%	5	10	15	20	25	
30%	10	15	20	25		

Score

2. AFFORDABILITY PERIOD (25 points)

 25

25 points: Affordability period is:

 99 years;

OR

 25 40 years, and project is applying for Low Income Housing Tax Credits. Note: AHFC funding is contingent upon the award of Low Income Housing Tax Credits.

Score

3. GEOGRAPHIC DISPERSION (maximum 25 points) 10

Project is located in an area identified according to the Kirwan Institute's Comprehensive Opportunity Map of Austin as having greater opportunity for low-income households.

- 25 points:** Very High priority area
- 20 points:** High priority area
- 15 points:** Moderate priority area
- 10 points:** Low priority area
- 5 points:** Very Low priority area

Please see **ATTACHMENT 15** for Opportunity Map documentation.

INITIATIVES AND PRIORITIES POINTS

(Permanent Supportive Housing, Sustainability, Priority Locations, Accessible and Integrated, and Preservation of Affordable Housing)

Score

4. PERMANENT SUPPORTIVE HOUSING (PSH) (maximum 25 points) 15

25 points: "Housing First" model.

15 points: Project will reserve units for PSH for the following populations:

- Chronically Homeless as established in the HEARTH Act (24 CFR Part 577)
- Have been in an institution for over 90 days
- Unaccompanied youth or families with children defined as homeless under other federal statutes
- Youth "aging out" of state custody or the foster care or the juvenile probation system

10 points: Project will reserve units for PSH for populations other than those listed above.

Score

5. SINGLE-FAMILY RENTAL HOUSING, INCLUDING SECONDARY UNITS ("GREEN ALLEY INITIATIVE") (20 points) 0

20 points: Project consists of either new construction or rehabilitation of one or more single-family rental units, secondary units, or units compatible with the City's "Green Alley Initiative."

Score

6. ACCESSIBILITY AND HOUSING FOR PERSONS WITH DISABILITIES (maximum 20 points) 0

 10 points: In multi-family developments, (i.e. 5 or more units) or for single-family rental housing (i.e., 1 to 4 units), 50% or more of the total number of units will be made accessible per the Uniform Federal Accessibility Standards (UFAS).

 10 points: Units to be designated for persons with disabilities as defined in the Fair Housing Act: for Multi-family developments, (i.e. 5 or more units), at least 25% of all units; for single-family rental housing (i.e., 1 to 4 units) 1 or more units.

Score

7. PRIORITY LOCATION (10 points) 10

10 points: Project is:

- located in a Vertical Mixed-Use (VMU) Corridor; or
- a Planned-Unit Development (PUD); or
- located within a Transit-Oriented Development (TOD) area, or
- is located 0.25 miles (1,320 feet) or less from a transit stop.

Score

8. PRESERVATION OF AFFORDABLE UNITS (10 points) 0

10 points: Project is the rehabilitation and preservation of existing affordable housing units, or new units are being constructed to replace existing affordable units at the same location on a one-to-one replacement basis or a greater than one-to-one replacement basis.

Score

9. TRANSITIONAL HOUSING (10 points) 0

10 points: Project will be developed and operated exclusively as transitional housing.

UNDERWRITING POINTS

Dear Sir or Madam:

This is in response to your request of July 6, 2004, regarding your organization's tax-exempt status.

In May 1990 we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501(c)(3) of the Internal Revenue Code.

Our records indicate that your organization is also classified as a public charity under section 509(a)(2) of the Internal Revenue Code.

Based on the information supplied, we recognized the subordinates named on the list your organization submitted as exempt from federal income tax under section 501(c)(3) of the Code.

Our records indicate that contributions to your organization are deductible under section 170 of the Code, and that you are qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Internal Revenue Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Janna K. Skufca

Addendum Applies:

No

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(2).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(2) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(2) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

Bobby E. Scott
District Director

LIABILITY

- By state law, failure to receive a tax bill does not relieve the property owner of the tax, penalty or interest liability.
- The Tax Office has no legal authority to waive penalty or interest.
- Taxes not paid in full by January 31 are charged penalty and interest by state law. Unpaid accounts run a high risk of legal action being taken.
- On REAL PROPERTY (land and buildings), the owner on January 1 of the tax year, and the current owner, can be held liable for any unpaid taxes on the property.
- On PERSONAL PROPERTY (business inventory, equipment, etc.), the person who owned the property on January 1 of the tax year is personally liable for the entire year's amount due, even if the property is sold.
- The assessment ratio for the taxing units on this tax bill is 100%. **FIVE YEAR TAX HISTORY** Parcel ID: 04010702290000

Dear Ms. Hicks:

This letter is to confirm that the Property located at 2301 South Lamar, as described above, is zoned general commercial services-vertical mixed use building (CS-V) combining district. The site was zoned CS-V by a vote of the City Council on October 16, 2008 by ordinance number 20080618-080 (a portion of Tract 5). The underlying CS designation resulted from a conversion (in Ordinance 840301-S adopted on March 1, 1984) from "C" Commercial, 2nd Height and Area, which the tract was designated at least since 1963. Properties along this portion of South Lamar were previously zoned "C" to either a depth of 150 or 200 feet from the right-of-way, on both sides of the roadway.

Under the CS-V zoning classification applicable to this property, multi-family residential development is permitted provided the applicable zoning and land development regulations (height, setback, parking, etc.) and building codes are addressed. No zoning change is necessary for development of multi-family residences on this site, and no conditional use permit is required for development of multi-family residences on the site or for use of the site for multi-family residences.

Sincerely,

Lee Heckman, AICP

Neighborhood Housing and Community Development Department

January 20, 2015 (revised January 29, 2014)

S.M.A.R.T. Housing Certification
Foundation Communities- Bluebonnet Studios- 2301 South Lamar Blvd.
(id #65636)

TO WHOM IT MAY CONCERN:

Foundation Communities, Inc. (development contact: Jennifer Hicks: 512-610-4025; jennifer.hicks@foundcom.org) has submitted a S.M.A.R.T. Housing application for the construction of a **107 unit multi-family development at 2301 South Lamar Boulevard**. The project will be known as Bluebonnet Studios. The project will be subject to a five (5) year affordability period after issuance of certificate of occupancy. **The revision decreased the total unit count from 120 units to 107 units.**

NHCD certifies that the proposed construction meets the S.M.A.R.T. Housing standards at the pre-submittal stage. Since 100% of the units (107 units) will serve households at or below 50% Median Family Income (MFI), the development will be eligible for 100% waiver of the fees listed in Exhibit A of the S.M.A.R.T. Housing Resolution adopted by the City Council. The expected fee waivers include, but are not limited to, the following fees:

Capital Recovery Fees	Site Plan Review	Land Status Determination
Building Permit	Misc. Site Plan Fee	Building Plan Review
Concrete Permit	Construction Inspection	Parkland Dedication (b)
Electrical Permit	Subdivision Plan Review	<i>separate ordinance</i>
Mechanical Permit	Misc. Subdivision Fee	
Plumbing Permit	Zoning Verification	

In addition, the development must:

- ◆ Pass a final inspection and obtain a signed Final Approval from the Green Building Program. (Separate from any other inspections required by the City of Austin or Austin Energy. Contact Katherine Murray at 512-482-5351).
- ◆ Pass a final inspection to certify that accessibility standards have been met.

The applicant must demonstrate compliance with the reasonably-priced standard after the completion of the units, or repay the City of Austin in full the fees waived for this S.M.A.R.T. Housing certification.

Please contact me at 512-974-3154 if you need additional information.

A Description of the Scope and Nature of Development Experience

FC is a well-respected non-profit developer and long-term owner of 2,117 units of affordable rental housing in Austin. FC has developed a range of housing including scattered site duplexes, multifamily housing with incorporated green space, and mid-rise, higher-density housing for single adults.

About Foundation Communities, Inc.

Foundation Communities' (FC) mission is to create housing where families succeed. We are a nationally-recognized nonprofit organization that empowers low- and moderate- income families to succeed through quality affordable housing and tools to increase their educational and economic standing. Foundation Communities works in four focus areas:

- * Opening Doors to Homes -- We own and manage 2,808 units across 18 properties -- 15 in Austin, and three in the Dallas/Fort Worth area -- providing quality homes for more than 2,500 low income families and individuals.
- * Helping the Homeless -- Our 600 permanent supportive housing units allow single adults who have been homeless, are on fixed incomes, or who have chronic health problems and disabilities to reach their maximum level of self-sufficiency. The 111 units in our Children's HOME Initiative program provide reduced rents and case management support to help fragile families move from crisis and instability to long-term self-sustainability.
- * Learning in a Community -- Through strategic partnerships, in 2013-14 we will give nearly 800 children of working parents a safe place to go when school's out right where they live, helping 85% of students maintain or improve grades. Talented volunteers help us increase adults' earning potential through classes in English as a Second Language and computer skills, as well as employment counseling and social service referrals.
- * Saving for the Future -- Each year, we empower more than 500 families to become smart consumers through economic education and one-on-one financial coaching; at least 50% of them reduce their debt. More than 300 families have earned a 2-to-1 match in special savings accounts to purchase a home, attend college, or start a business. We also provide free income tax preparation for 32,000 low income workers and retirees with the help of more than 900 IRS-certified volunteers; this is vitally important to low-income workers. By utilizing this free service, low-income clients can claim all of the tax credits for which they qualify while avoiding costly commercial tax preparation fees and predatory loans.

Description:

Capital Studios is the first affordable housing in Downtown Austin in over 45 years and the only supportive housing of its kind in or around Downtown. Located at 11th and Trinity, just a block away from the Texas Capitol, Capital Studios is Foundation Communities' first new construction SRO. What was once a surface parking lot is now an attractive five story building with 135 efficiency units housing Austin's lowest income populations.

Austin continues to be one of the hottest rental markets in the nation with Downtown Austin seeing a tremendous amount of revitalization and unprecedented growth. However, there is virtually no affordable housing downtown for low-income Austinites. While Downtown Austin has become more vibrant, the low income service workers who support this vitality have not had a place to live. Capital Studios offers downtown workers, artist, musicians, and veterans the opportunity to live downtown and experience all the services and amenities that the city has to offer.

Capital Studios is a beautiful and modern building filled with a number of amenities for its residents. From the meeting room on the fifth floor you have a striking view of the Capitol dome. Rooftop decks offer stunning views of the Austin's urban landscape. At the heart of Capital Studios is a tranquil two story court yard that provides a green space for residents to gather and engage with one another while being only steps away from the fast pace of Downtown Austin just outside the door. The community also features a workout room, computer lab, TV lounge and community room. Capital Studios also provides a holistic menu of supportive services that help residents stabilize and grow. Capital Studios has a supportive service staff on-site as well as offering a food pantry, regular support group meetings, adult education, financial counseling and health and fitness classes on-site.

Description:

M Station is an innovative family-oriented apartment community that has established the standard for green building and affordable housing in Austin’s new Transit Oriented Districts (TODs). This 150-unit new-construction development consists of four residential buildings and two community buildings spread out on 8.5 acres of prime real estate minutes from downtown and the University of Texas. Unique features of the property include a park-like setting along the Boggy Creek greenbelt featuring open green space and trails and a state-of-the-art child care center open to the neighborhood and offering reduced rates for residents.

M Station is a project of "firsts." M Station is the first affordable housing built in one of Austin’s new TODs, the first large 9% housing tax credit development for families in Austin since 2004, and the highest scoring LEED for HOMES Platinum certified development in the country. With M Station, our hope was to dramatically reduce the primary portions of a resident family’s budget while also achieving an exemplary quality of life: an affordable rent to lower housing costs; a location in the most transit-rich neighborhood in Austin to lower transportation costs; a high-quality, on-site childcare facility to lower child care costs; and a sustainably-designed property to lower utility costs. Ensuring that units at M Station were as healthy and efficient as possible will save our residents much-needed dollars to apply to other areas of their household budgets, contributing to more stable families and neighborhoods.

The development of M Station involved the transformation of a concrete-covered grayfield lot, previously a concrete manufacturing plant’s staging lot that has been lying dormant and unused for decades, into a safe, healthy, supportive urban community in the heart of a high-opportunity neighborhood in Austin. Project amenities at M Station include a community building that will host the property leasing office, property management and supportive service staff offices, a computer learning center, a clothes care center, maintenance shop and office space for supportive service programming. A second community building houses the child-care program and the afterschool program. In addition, the property features children’s playscapes, a sport court, circuitous internal pathways for walking and biking, multiple green spaces for outdoor gatherings, and pedestrian connections to nearby neighborhood resources.

Green Building Certification Experience

As the largest nonprofit affordable housing developer/owner in Austin, Foundation Communities (FC) has been committed to green building principles since 2000. We know that green building makes sense for affordable housing because by reducing our own operations costs, we can keep rents low and fund vital services such as on-site after-school programs and free citywide tax preparation. As owner of 18 real estate properties, FC spends \$2 million per year on water and energy costs. These costs increase about 10% per year, so finding ways to reduce our energy impact is crucial for efficient operations. Committing to green building and energy efficiency also has a significant effect on the budgets of our residents who pay their own bills at our family apartment communities. Lower utility bills can mean more money to pay off debt, invest in education, finance childcare or transportation to work, or save for the future.

Foundation Communities engages a comprehensive green building and green initiatives approach that made it possible for us to offset 9,600 CO2 emissions last year; which is equivalent to removing the emissions of 817 average homes in the United States.

We have invested in the following green capital improvements at our existing multifamily properties:

- Replaced toilets with low-flow flapper-less models
- Installed low-flow fixtures in bathrooms and kitchens
- Replaced incandescent bulbs with compact fluorescent bulbs
- Installed programmable thermostats in all residential units
- Increased attic insulation to R-38 at five of eight properties

- Five properties qualified and participated in Austin Energy Duct Sealing program
- Installation of solar screens to reduce heat gain
- Installed ceiling fans in all applicable spaces in residential units
- All appliances are being replaced by Energy Star units
- All new HVAC units are 14 SEER if applicable
- Basic weatherization and water conservation are checked during make-readies (preparing new units for residents)
- Using only low VOC paints and adhesives for make readies and all new construction projects
- Replacing carpet on the first floor apartments with ceramic tile
- Contracting green cleaning contractors for SRO (single resident occupancy) properties
- Utilize Green pest management contractors at our properties
- With the help of community groups, we have planted additional trees at our properties
- Community gardens at four properties
- High-performance windows
- Sensors and dimmers minimize artificial lighting use during daylight
- Track our utility monthly to follow trends and identify problems proactively

Through investments in renewable energy, energy management and water conservation we work towards reducing our ecological footprint.

- All house utility accounts are invested in 100 percent renewable energy (solar or wind)
- Foundation Communities is one of the largest private producers of solar energy in central Texas
- Producing 107,000 kWh annually, our panels generate on average five percent of energy we use and power 10 average single family homes for a year
- Approximately 50% of the energy to heat hot water at Spring Terrace and Skyline Terrace is produced by the sun with solar hot water arrays.
- Water-wise landscaping (at some locations)
- Rainwater harvesting
- Track our water usage monthly to identify problems proactively

We also proactively work to educate our property management and maintenance staff and residents on green practices:

- We conduct trainings for maintenance staff
- Distribute monthly newsletters that include "Green Tips"
- Sustainability Reports are provided and reviewed with property management every year
- Our Saving Green Program, educates residents how to save money through conservation
- We prepare green capital improvement plans on each property annually.

M Station, our greenest development constructed to date and completed in 2011, earned a LEED Platinum rating for its energy efficient and transit oriented features and its score actually qualifies the project as one of the greenest apartment complexes in the United States. The following green features were incorporated into the design and development of M Station:

- Grayfield redevelopment of old concrete manufacturing storage lot.
- Located in richest public transit neighborhood in Austin with nearby access to multiple major bus lines and less than a 1/4-mile from commuter rail stop.
- Produced building mockup section to be sure all trades understand the green and durable construction techniques including window details, flashing, and envelope penetrations.
- Highly efficient elevator reduces energy usage, maintenance costs and hundreds of gallons of hydraulic oil.

- Structural slab utilizes 30% flyash in place of concrete which dramatically reduces energy in production and diverts land-fill bound material.
- Provide dedicated parking spots for Car2Go .
- Developed internal and edge sidewalks and bikeways as promenades that connect to existing neighborhood sidewalks. A pedestrian bridge over Boggy Creek connects M Station to neighborhood to promote exercise and walking.
- Provides ample covered bike racks at key locations throughout the site.
- Fully accessible design throughout facility.
- 100% of planted landscape utilizes native and adapted species. All drought-tolerant.
- All non-turf landscape irrigated using sub-surface drip irrigation.
- All very low flow water fixtures.
- 100% of building roof stormwater runoff collected and re-irrigated onsite.
- 100% of lighting fixtures are Energy Star rated.
- Exterior site lighting connected to timer and light sensors and use full-cutoff fixtures to minimize light pollution.
- Metal reflective roof for durability and radiant barrier.
- Fully sealed to prevent air leakage to exterior.
- Insulated using affordable hybrid insulation strategy (foam + spray fiberglass).
- Insulative glazing with excellent low-E films and shading overhangs.
- Extremely efficient, centralized, inverter-driven variable refrigerant flow HVAC (Mitsubishi CityMulti).
- 88% construction waste reduction/recycling goal.
- Permeable concrete used for all walking and biking paths.
- Low-VOC paints, sealants, and adhesives.
- No added formaldehyde in engineered wood or insulation.
- Bathrooms, dryers and kitchen hoods all vented to exterior.
- Fresh-air intakes balanced to provide ample fresh air without unduly loading HVAC
- Integrated pest management strategy improves long-term durability and eliminates need for pesticides, herbicides.
- MERV 8 filters on HVAC to improve indoor air quality and reduce asthma and allergy triggers.
- Commissioning and testing of all systems to be sure all function properly.
- No smoking allowed within 25 feet of units.

Foundation Communities' green partners include:

Austin Energy Green Building - We have participated in several Austin Energy programs including: GreenChoice® Energy, Austin Energy Green Building Rating System, Commercial rebate programs for solar, insulation, solar screens; in addition, several of our properties have benefited from the free duct-sealing program and the Low Income Weatherization.

Energy Star Partner - Foundation Communities is proud to be an Energy Star® Partner. Through this partnership our building manager can "measure," "rate," or "benchmark" a facility's energy use by using the EPA's National Building Performance Rating System. In addition, we have access to online Energy Star resources that assist us in achieving our "green" initiatives.

Enterprise Green Communities - Foundation Communities has been the recipient of five Green Communities Green Building awards that have helped us push the green building envelope in our projects in the last five years. The Enterprise Foundation has successfully laid the groundwork for green building in affordable housing on a nation-wide scale for the last seven years.

List of Green Certifications:

Spring Terrace (rehab) – Green Communities Certified
 Skyline Terrace (rehab) – Green Communities Certified
 Capital Studios – LEED-H Platinum Rating, Green Communities Certified and 5-Star Austin Energy Green Building rating.
 M Station – LEED-H Platinum Rating, Green Communities Certified and 5-Star Austin Energy Green Building rating
 Sierra Vista – Green Communities Certified and 1-Star Austin Energy Green Building rating (S.M.A.R.T. Housing now requires all rehabs to score at least 1-Star Austin Energy Green Building rating)
 Arbor Terrace – Green Communities Certified and 4-Star Austin Energy Green Building rating (highest rated MF rehab in Austin)

Community Engagement

Foundation Communities believes the key to a project's true success is the support and engagement of the surrounding neighborhood and stakeholders. The first step in pursuing any new development is to approach the neighborhood and talk to key stakeholders about the project, target population and show examples of our projects. We have had some neighborhood challenges with true "Not In My Backyard Opposition" but have always been able to overcome and ultimately receive the support of the neighborhood. Listed below are the most recent development projects and the neighborhoods engaged and from whom we received votes of support:

- Capital Studios: Downtown Austin Neighborhood Association
Downtown Austin Alliance
- Sierra Vista: South Congress Combined Neighborhood Planning Area
- M Station: Austin Heights Neighborhood Association
Rosewood Neighborhood Planning Contact Team
McKinley Heights Neighborhood Association
Chestnut Neighborhood Association
Cherrywood Neighborhood Association
- Skyline Terrace: South Lamar Neighborhood Association
Southwood Neighborhood Association
- Spring Terrace: St. Johns Neighborhood Association

Knowledge of Real Estate Financing Methods

Foundation Communities, Inc. has experience utilizing all funding tools available for the development of affordable multifamily housing. We have an excellent track record of securing funding in competitive allocations such as the 9% LIHTC and the Federal Home Loan Bank Affordable Housing Program. We also have solid relationships with multiple lenders.

LIHTCs and BONDS

Foundation Communities has applied for and been awarded 9% LIHTCs for eight developments. Two of these awards were forward commitments by the Texas Department of Housing Board of Directors giving testament to Foundation Communities track record of high-quality developments with compelling missions. FC's development team is well-versed in the LIHTC program and application process. All applications are completed in-house by staff. Staff also closely follows the drafting of the Qualified Allocation Plan and is aware of changes to threshold and scoring items that impact a high-scoring application. FC has a staff team that has over 10 years of tax credit compliance with a record of no significant findings. FC also has relationships with multiple tax credit investors including Enterprise

Community Investment, Bank of America, and Raymond James. Our high-quality projects and healthy organizational financial health has historically allowed for higher-than-average pricing.

City of Austin RHDA

The City of Austin has been a major contributor on every project completed by Foundation Communities in the past 10 years. The FC Development team follows the release of the City's application rules and NOFA and has a solid working relationship with City of Austin NHCD/AHFC staff.

Private Mortgages

Foundation Communities has excellent relationships with several lenders that allow for competitive rates and pricing. We currently have private mortgages with BBVA Compass Bank, Bank of America, Wells Fargo and Greater Texas Federal Credit Union. While we have great relationships with these and many other conventional lenders, we have a fiduciary duty to bid out our finance opportunities, and we've always found this to end up with the best rate and terms.

Private Fundraising

Foundation Communities employs a diverse fundraising strategy. In 2014, private fundraising totaled over \$8,000,000 (not including capital funding from City of Austin). Foundation and corporate grants range from \$3,000 to millions of dollars, and fund both capital projects and FC's wide range of programs (education, supportive housing, etc.). For individual donations, we use the Benevon model, culminating in an annual A Place to Call Home fundraising luncheon. This year's luncheon was attended by over 700 invited guests, and raised more than \$1,250,000. We have applied for and received eight awards through the FHLB Affordable Housing Program and received the highest funding amount awarded for our M Station property of \$1,500,000.

WALTER J. MOREAU

My vocation the last twenty years has been to work with nonprofit organizations to create high quality, service rich, affordable housing for very low income, Texas families. I have successfully secured subsidy financing worth over \$80 million and provided other development services to create over 2,200 units of service enriched housing.

PROFESSIONAL EXPERIENCE:

EXECUTIVE DIRECTOR, Foundation Communities, Austin, Texas 1997-Present

- Lead one of the premiere affordable housing organizations in the region in pursuit of our mission “to create housing where families succeed”.
- Oversee the development, asset management, property management, and resident services of our growing portfolio of 2,100 units with a market value of over \$90 million. Our properties are places of great community pride and help over 2,000 families save over \$1.5 million in rent annually. I guide a staff of 150 and look after a \$15 million annual budget.

Development

- Overcoming neighborhood opposition and building **Trails at the Park**, a 200 unit family community adjacent to a 350-acre nature park. This \$15 million community includes a 3,200 square foot Learning Center and a beautiful fourplex design. Primary subsidy financing includes 9% tax credits and various grants.
- Purchased and renovated the **Village Green Apartments**, a 200 unit family property. This property underwent a complete transformation from high criminal activity to a safe, quiet environment. Opened a 2,000 square foot Learning Center. This property was financed with a 501(c)3 bond and a Neighborhood Reinvestment grant totaling \$7 million.
- Led the development and successful packaging of over \$14 million from eleven different grants, loans, bonds and tax credits to create the new **Southwest Trails Apartments**, a 160 unit community serving families at rents under the 50% income limit. This is the only new affordable housing developed in the more affluent Southwest Austin and it includes an 18-acre nature area.
- Developed the **Garden Terrace Residences**, the first Single Room Occupancy (SRO) community in Austin, with 85 units and a \$4.5 million capital budget paid for by public and private grants;

Asset and Property Management

- Created a financially self-reliant organization which owns its office building without a mortgage, and has refinanced our housing portfolio mortgages below 7% with fifteen year payoffs;
- Tripled our property management operation to cover 1,200 units, while capping cumulative rent increases under \$30 in six years and serving primarily families below 50% of median income;
- Significantly reduced deferred maintenance at all properties, while increasing our cash reserve balance from one million to three million dollars;
- Changed the name of the organization, creating new marketing materials, and winning selection as a United Way agency;
- Won the Metlife/Enterprise Foundation Award of Excellence in Asset Management for the Sierra Ridge Apartments;

Resident Services

- Fundraise approximately \$400,000 annually for resident service programs and matched this effort with property cash flow;
- Expanded our Learning Centers from one location to eight, managed by twelve professional full-time staff attended daily by over 600 youth and adults attending pre-school readiness, after-school tutoring, computer training, money management courses, ESL/GED, and classes;

- Created an Individual Development Account program with 400 accounts, as well as extensive financial literacy and homebuyer courses. Launched a new State IDA pilot program and SEED program.

DEVELOPMENT & ASSET MANAGEMENT DIRECTOR, Foundation Communities 1994 – 1996

- Secured grants and loans from four public and private sources (\$8.4 million) for the purchase and repair of four communities (731 units). I creatively structured a 0% mortgage with a desegregation lender to create 24 units serving extremely low-income households at the Peters Colony Apartments - a mixed income, suburban community.
- Served as the asset manager of the portfolio prepared and reviewed agency and property budgets, solved daily operations problems, and assisted with the strategic planning of our resident services.

PRIVATE CONSULTANT 1992 – 1994

- Worked with over fifteen nonprofit and public affordable housing organizations on a variety of client challenges. Raised over \$8.5 million in subsidy funds (tax credits, HOME, CDBG, HOPE 2, SRO, and Shelter Plus Care funds) for the development of 446 units in both urban and rural settings.
- Facilitated the sale and financing of four communities (871 units / \$9.2 million in value) from the Resolution Trust Corporation to nonprofit owners.
- Designed a Neighborhood Energy Conservation Program for Dallas Habitat for Humanity.
- Successfully helped the State troubleshoot three nonprofit funded projects that had stalled.
- Wrote two manuals and one technical report for the US Department of Health and Human Services on financial management issues for grantees of the Ryan White Care Act

PROJECT ASSOCIATE, Center for Housing Resources, Dallas, Texas 1990 – 1992

- Developed the concept of the Hillcrest House SRO (64 units) for homeless residents with AIDS, formed the developer partnership, secured the site, and financially packaged a successful Shelter Plus Care application worth \$2.6 million.
- Assisted a private developer in locating a suitable building to develop the first new SRO in Dallas – the Wales SRO (61 units). Secured a Section 8 SRO Mod Rehab grant (\$2.5 million) and low income housing tax credits worth \$450,000 for the project.
- Managed and doubled the size of the Volunteer Home Repair Program serving 250 volunteer home repair work crews annually.

MANAGEMENT TRAINEE, United Way of America 1989 – 1990

- Created a “blueprint” of housing solutions for the Homeless Services Task Force organized by the Community Council of Greater Dallas. Wrote a guidebook for nonprofit agencies on creating fair fee policies. Raised \$300,000 as a part of the United Way of Greater New Orleans campaign.

GOOD NEIGHBOR POLICY**

City of Austin Good Neighbor Checklist

The Neighborhood Housing and Community Development Office (NHCD) offers a Good Neighbor Policy to standardize process and identify expectations for all projects funded through the City of Austin's Rental Housing Development Assistance (RHDA) and Acquisition and Development (A&D) programs. Applicants of these programs are required to prepare and begin implementing a community engagement plan, including neighborhood notification activities. The community engagement plan is required whether the application is for funding for new construction or renovation of an existing building, regardless of whether there is a change in ownership.

A successful community engagement plan leads to open, ongoing two-way communication between developers and neighbors. This requires good-faith efforts and cooperation by developers, City officials and residents. A positive, open dialogue between housing developers and neighbors can prevent misunderstandings, facilitate prompt resolution of any inadvertent misunderstandings, and provide a fair, thoughtful, dependable means of resolving differences.

The following checklist of items is required of all applicants for funding:

(1) Preliminary Research

Review the Neighborhood Plan (if applicable) N/A

(2) Neighborhood Notification

Notify property owners within at least 500 feet of the site and registered neighborhood organizations with boundaries included in the proposed development site, using a written notice, letter or flyer. -> See Communications Plan

(3) Pre-Application Engagement

Contact neighborhood organizations to provide current information about the project, including any neighborhood association whose boundaries are included in the proposed development site and Neighborhood Planning Contact Team (if applicable). (see full City of Austin Good Neighbor Guidelines for more detailed information on what kind of information may be appropriate to share)

Appoint a Single-Point-of-Contact (SPOC) to serve as the liaison for exchanging information.

(4) Application requirements

Provide communications plan

Provide documentation showing the content of the notice, and proof of delivery

Provide signed copy of this checklist.

I have reviewed and completed all of the above checklist items required by the City of Austin's Good Neighbor Guidelines.

COMMUNICATIONS PLAN FOR NEIGHBORHOOD ENGAGEMENT

Foundation Communities believes the key to a project's true success is the support and engagement of the surrounding neighborhood and stakeholders. Before any other facets of a development are pursued, Foundation Communities approaches the neighborhood and talks to key stakeholders about the project, target population and shows examples of our projects.

The following steps have been taken to communicate with the neighborhood surrounding the proposed development located at 2301 S. Lamar Blvd., Austin, TX 78704.

1) Preliminary Research:

- December 2013 – Using the City of Austin's GIS mapping site, FC development staff researched the neighborhood organizations that contain or border the proposed site. We also confirmed the site was not located in a current neighborhood plan.

2) Neighborhood Contact: Foundation Communities believes it is important to make personal contact with the priority neighborhood organizations before a letter notification is received by the organizations.

- Early January 2014 - Walter Moreau called Nancy Maclaine and Mario Champion of South Lamar Neighborhood Association. Walter explained the proposed project and asked if he could come speak to the neighborhood association. We were scheduled on the SLNA zoning committee schedule for January 29, 2014.

3) Neighborhood Notification:

- The following neighborhoods were sent a public notification of the proposed Bluebonnet Studios project per the 2014 Qualified Allocation Plan which governs the LIHTC program administered by the Texas Department of Housing and Community Affairs:
 - South Central Coalition
 - South Lamar Neighborhood Association
 - Wildflower Church

Please see attached notification letter that was sent to all organizations above and proof of mailing.

- Owners within 500 ft of Site - The proposed site will not need a zoning change. While we respect most aspects of the City's Good Neighbor Policy, it gives us great reserve to have to notify the 30 plus property owners that are within 500 feet of our proposed site. Other market-rate rental and condo developers do not have this same requirement. It is hard enough to garner support for affordable housing. We luckily have a long-standing relationship with South Lamar Neighborhood Association through their support of our

Skyline Terrace supportive housing community. We feel that notifying the property owners within 500 feet is unnecessary and will create negative consequences that can be avoided without the notification.

4) Neighborhood Engagement – At each of our meetings with the neighborhood, Foundation Communities presents information about our organization, plans for design of the building (architect is usually present at meeting) and we talk about who will live at the property and what services will be offered. We usually invite one of our residents to speak when necessary. We also invite neighborhood members to visit our existing portfolio of properties.

- January 29, 2014 – Attended the South Lamar Neighborhood Association zoning committee meeting.
- February 20, 2014 – Attended the full South Lamar Neighborhood Association meeting and received a vote of support.
- August 20, 2015 – Attended the full South Lamar Neighborhood Association meeting. Provided a construction update and answered community member questions.
- We will have a web page on our main website – www.foundcom.org - that will contain the most updated information on the project for easy public dissemination.

5) Implementation/Ongoing Relations

Foundation Communities, Inc. will implement the following processes to encourage ongoing relations with neighborhood members:

- Neighborhood members will be invited to the Ground Breaking and Ribbon Cutting events that will be held for the property. Neighborhoods will be given recognition for their support.
- We will invite neighborhood members to participate in services programs being offered at our community.
- We will invite and educate neighborhood members on the many ways to volunteer with Foundation Communities.
- We will establish an open-door policy so that neighborhood members will feel comfortable communicating any concerns with either the on-site property management or the single point of contact.
