

# ANDERSON MILL ROAD REGIONAL MOBILITY PROJECT

## Spicewood Parkway to US 183

### DRAFT PRELIMINARY ENGINEERING RECOMMENDATIONS

- Maintaining 2 travel lanes in each direction
- Addition of new center left-turn lanes/bays
- A new raised median near the intersection of Anderson Mill and US 183
- Extension of the right-turn lane on Anderson Mill Rd eastbound approaching US 183
- Continuous shared-use paths on both sides of the road for people bicycling or walking
- Installation of underground infrastructure for possible future traffic signals
- Water-quality elements
