

Barton Springs Pool General Grounds Improvements Project

Update: January 06, 2014

Due to the holidays, this will be a brief update.

We added a protected pedestrian walkway near the main entrance construction fencing for increased safety.

Work completed:

- ADA ramp on north west is open
- Piers for north suspended walkway (in “Tree Court”)

Work in progress:

- Electric service work on south side started
- Grading for work on south woods path
- Irrigation and sub grade work
- Grading for work on south woods path
- Perimeter fence replacement

Work expected in next two weeks:

- Root enhancements at Tree Court
- Continued work on south woods path
- Irrigation and sub grade
- New pump installation

Potential Inconveniences:

- Lawn access will continue to be restricted.
- The pool entrance has been temporarily relocated to the west end of the bathhouse.
- For the duration of the project, the South Hike and Bike trail will be closed on weekdays. It will be open on weekends, unless otherwise posted. **(It has been open during holidays, and we expect to leave it open until January 13th.)**
- These closures have been posted on the City website as well as Facebook and Twitter. See detour map here: <http://austintexas.gov/department/barton-springs-pool-master-plan>.

Safety:

- **For your safety and safety of others, please respect construction signs and fencing.**
