# POTENTIAL PROJECT GOALS

The goal of the Colony Park Aquatics Facility AIPP Project is to select an artist/artist team who will design artwork that:

- creates a **colorful, family** friendly experience that draws **inspiration** from the facility and its surroundings;
- respects and is **inclusive** of the **diversity** of the Colony Park **community**;
- integrates nearby icons from **nature**, the **schools** and/or **peace**;
- is easily maintained and vandal resistant in an exterior environment; and
- is **unique** in its contribution to the depth/breadth of the City of Austin's public art collection.
