Screen Printing for Beginners

Carol Schwartz, Instructor

In this six-week course, students will design and screen print their own drawings and images. Students will learn about and execute screen printing processes from 'burning' images onto screens, to printing the materials, to reclaiming their screens for new drawings and images. This class is designed for the novice screen printer, but the more advanced student is always welcome. Students will come away from the course with their own designs printed onto stationery/note cards, single-color paper prints, multiple-color paper prints, t-shirt/fabric prints, and anything else they wish to print onto.

CLASS HELD IN 5W. MINIMUM 5 STUDENTS, LIMIT 8 STUDENTS.

ATTENDANCE & STUDIO ACCESS

- Program attendance is the responsibility of the participant. Failure to attend does not entitle a participant to a transfer or a refund. Make-ups are not available for absences. Fees will not be prorated for absences. (See Enrollment Policies)
- Due to safety, CHILDREN, FRIENDS, and PETS (except official, certified assistance animals) ARE NOT ALLOWED in the classes or open studio hours.
- The studio/classroom is only open and available to registered students during their registered class time.
- The studio cannot be used without supervision.
- If you arrive early and another class (not your class) is in session, please do not enter the studio out of courtesy for students that have paid for their time in class. Questions about class times can be directed to the registration office, program specialist, class brochure or found online.
- Students age 15-17 years may register for classes with the approval of the Arts School Administration and must have a parent/guardian sign a waiver release form.

PERSONAL CAUTION & SAFETY

PERSONAL BELONGINGS:

- DO NOT bring valuable items to class.
- DO NOT leave valuable items exposed in plain site in your vehicle.
- Keep handbag and backpack and supplies near your workstation.
- The City of Austin, Parks and Recreation Department, and Dougherty Arts Center staff is not responsible for lost or stolen items. Please report loss or theft to a staff member.

FOOD & DRINKS: are not allowed in the studio. Students and instructors may eat and drink in the lobby or picnic areas. Vending machines are available for student use. There is no change in the registration office.

SUPPLIES

Students must bring provide their own supplies.

- Other supplies may be added as the course progresses, as suggested by the instructor.
- Please keep your receipts in case the class is cancelled or to return unused supplies.

The Arts School provides equipment, safety supplies, and cleaning supplies and basic textile supplies including:

- *Basic set dye colors, fabric paint, print paste, soda ash and soy wax.*
- *No outside fabric dye, paint or other chemicals are allowed without prior approval of the Arts School Administration. All requests must be in writing and include a copy of the SDS.*

SUPPLIES FOR FIRST DAY OF CLASS

- 2 screens minimum-- 12"x 16" minimum (screens need to be a few inches larger than your design)
- wax/butcher paper must be larger than the screen
- 2-3 Pens and markers must be opaque (not the same as permanent) and block light. Sharpie poster paint markers fine and extra fine tip. These sharpie markers make a clicking noise when you shake them. Regular sharpie markers won't work since they're not opaque.
- transparencies to draw onto--Dura-lar is best. You can order this online at Dick Blick, Jerry's might have this in stock.
- smooth quality paper (Arches 88 is my personal favorite, but any smooth paper will do. Make sure paper is archival or acid free)
- car wash sponge
- paper for sketching
- TAPE: clear packing tape 2" wide & masking tape 1" wide
- bucket or large bowl for water
- paper towels
- squeegee (should be smaller than your screen, but larger than your screen design)

SUPPLIES AFTER FIRST CLASS

- Speedball fabric ink 6 pack with 4oz jars for about \$20 (suggest Jerry's Artarama)
- blank stationery/note cards and envelopes
- Lighter colored t-shirt or fabric to print on. 100% cotton and blends. The ink instructions say you can also print on polyester, linen, rayon, among others. You want a smooth surface, so corduroy is not a good fabric.
- large transparency sheet for registration- mylar-- 16 x 20 inches

- Ear protection (after first class)

CLOTHING & PERSONAL PROTECTIVE EQUIPMENT

- Appropriate clothing & closed-toe shoes
- Apron or smock to protect your clothing
- Glasses: protective eyewear
- Plastic, Nitrile or rubber gloves

SAFETY PERSONAL PROTECTION

EQUIPMENT

The products in the studio are relatively non-toxic, but it is best to avoid unnecessary exposure. Keep in mind that they are industrial chemicals and not intended for inhalation or ingestion. We encourage teachers to advise students about safety precautions and proper use of safety equipment, clean work habits and responsible use of products. All artists should use the following common sense safeguards:

- Work in a well-ventilated area.
- If you experience an adverse symptom to anything, move away from the area to fresh air. If the symptoms persist, stop using the product & consult your physician.
- Wear a disposable dust/mist respirator if you dye fabric occasionally. If you dye fabric on a regular basis wear a MSHA/NIOSH approved respirator with cartridges for dusts, mists, and fumes. Disposable dust/mist respirators don't help with fumes.
- Even though dyes are not absorbed by the skin you should wear rubber gloves, old clothes or protective clothing, and even old shoes. Avoid prolonged or repeated contact with the skin.
- Wear goggles when working with corrosive chemicals.
- Contact lens wearers should be careful around powders to avoid eye irritation.
- Cover your work area with dampened newspaper. Weigh and mix dyes and other powders with local exhaust ventilation or use a mixing box.
- Do not mix powders near furnace or air conditioner intake pipes.
- Use appropriate utensils to stir solutions and dye baths. If you use food utensils as dyeing tools don't reuse them for food preparation.
- Avoid exposure to dye powders, auxiliary chemicals and vapors during pregnancy or lactation.
- Vacuum/mop floors and surfaces, do not sweep.
- Keep dye and auxiliary containers closed and in a cool dry place, away from food and out of the reach of children when not in use.
- Wipe up spills immediately. Liquid dye dried to a powder can be accidentally inhaled or ingested.
- Label dye container with purchase date to insure out of date dye is not used.
- Clearly label all solutions/containers of powder, dyes and auxiliary chemicals. Do not remove the supplier's name or hazard labels. Keep in safe storage and out of the reach of children.

As per the Texas Hazard Communication Act, Chapter 502 of the Texas Health and Safety Code, requires public employers to provide employees with specific information on the hazard of the chemicals to which employees may be exposed in the work place. Employers

STUDIO CLEAN UP

Please keep the studio clean and safe for everyone! Students are responsible for cleaning their area and common areas.

- Turn off all electrical equipment; put away tools and supplies.
- Please clean and return all items to their original storage area.
- Clean up work area with damp sponge and towels.
- Remove dye stains with a household cleaner containing bleach.
- Do not use bleach to remove dye stains from hands. Instead use a specifically designed hand cleaner. While hands are dry, rub a small amount of hand cleaner on hands and work in well. Add a small amount of water and work until dye residue is loosened. Wash off thoroughly with soap and water and dry hands. Repeat as necessary.
- Please be considerate of closing hours and allow time for cleanup.

PROJECTS OR STUDENT SUPPLIES LEFT AT CLASS CONCLUSION

- Unless special arrangements have been made with the Studio Monitor or instructor, projects and supplies owned by students left after the end of a session will be re-moved and/or recycled back into the studio.
- The City of Austin is not responsible for personal property.

CONSUMPTION OF ALCOHOL

The studio/classroom environment contains potentially dangerous materials and equipment. DAC students, staff, instructors and contractors should not consume alcohol before or during class.

- Possession or consumption of alcoholic beverages is prohibited in all areas of the Dougherty Arts Center except the Julia C. Buttridge Gallery under special circumstances. Alcohol will only be available in the Gallery if the renter or organization **hosting the event** provides alcohol for consumption to the general public; has provided liability insurance and an alcohol license; and the Parks Department Director has given approval.
- No alcohol may be taken from the gallery into the studio/classroom or other areas of the Dougherty Arts Center.
- Students should not drink alcohol at the reception and return to the classroom. If alcohol is consumed the student will be asked to leave and no refunds will be given.

ENROLLMENT POLICIES & PROCEDURES

REGISTRATION

When can I register?

Registration dates are located on the back cover of the brochure, on the Dougherty Arts School website www.austintexas.gov/dougherty, and are also available from staff in the registration office. Each participant must complete a registration form (front and back), available on the Dougherty Arts School website. Full payment is required to secure a spot in a class. Registrations will be accepted in person at the Dougherty Arts School or by telephone. No registrations will be accepted prior to 9AM on the first day of each registration date (refer to registration dates prior to submittal). Registrations received prior to 9AM on the first day of registration will be returned without being processed.

REFUND

Cancellation / Refunds

Program attendance is the responsibility of the participant. Failure to attend a class does not entitle a participant to a transfer, make-up, prorate or refund. Substitutions, including family members, are not permitted. Registration fees are refundable in full only if the Arts School has cancelled the class. Registrations cancelled at least 7 days prior to the first day of class may be issued a refund, minus a \$35 non-refundable deposit. If the receipt amount is \$35 or less, the refund will be half of the class fee. **No refunds are issued for registrations that are cancelled without 7 days advanced notice of the first class day.** Refunds are issued to the charging credit card, by check from the City of Austin (please allow 4 - 6 weeks for processing) or you may apply the credit to your account, which may be used by any immediate family member for any program offered at the Dougherty Arts School for up to one year of the date placed on the account. Please note that refunds under \$10 will only be made to the charging credit card or to credit your account. We are sorry that we are unable to process refund checks under \$10 at this time. There is a \$25 cash fee on all returned checks.

Transfers

A transfer requires a cancellation and re-registration into another class. All procedures listed for cancellations apply to transfers. Failure to attend a class does not entitle a participant to a transfer, make-up, prorate or refund. Substitutions, including family members, are not permitted. If the Dougherty Arts School cancels a class due to low enrollment and you wish to transfer to another class you will not have to pay the \$35 non-refundable deposit.

Minimum Enrollment

Each class needs a minimum number of students to enroll before the class can "make". If the minimum enrollment has not been met 2 business days before the class begins, the class will be cancelled. All students who enrolled in the class will be notified by telephone or email, and may transfer to a different class or be issued a refund (see refund procedure). We encourage all students to enroll as soon as registration begins. Class receipts confirming processed registrations will be sent along with a copy of the Dougherty refund policy. Please check your phone and email messages in case a class is cancelled after the payment receipt has been sent.

Waiting Lists

One way to deliver quality service is by limiting the class size to provide a good student / teacher ratio. If a class has reached the maximum limit, names are placed on a waiting list and students are called in order received as openings become available. Students will be notified by telephone if the class is full and has a waiting list.

ADULT & SENIOR ARTS PROGRAM SPECIFICS

Safety

The Dougherty Arts Center promotes an environment in which all participants feel safe, secure and without obstacle to participation in their registered classes and other programs and activities. Unless accommodation arrangements have been made in advance with our Inclusion Office, adult and senior students must be able to participate independently in class. Family, friends, children and pets are not permitted to attend with the enrolled student. Students must be dressed appropriately and safely for the class, including wearing appropriate shoes, clothing and jewelry that fits properly not to catch or cause safety hazards around art supplies, chemicals, classroom tools or equipment.

Conduct

Each student is responsible for his/her own conduct. Students who are disruptive, who threaten, attempt injury or damage to people or property, who use abusive language, ignore staff instructions, or behave in a manner deemed inappropriate or unsafe by staff will be removed from the class for the remainder of the session without refund, transfer or make-up. Students are required to comply with all policies, procedures and direction of Dougherty Arts Center staff to ensure the safety and productivity of classes for all students. Students who violate these requirements may be suspended and / or removed from the property for a specified period of time to be communicated verbally or in writing by a City of Austin employee.

ADULT & SENIOR ARTS FORMS

Teen Request Form

This form is for students ages 15-17 years old that are interested in signing up for Adult Arts classes because they are in homeschool, developing their portfolio for art school or interested in general arts enrichment. Ages 12-14 are not considered. Requests to attend classes with descriptions that state students must be 18 years old and up will not be approved. Waivers for students under the age of 18 must be completed and signed by the parent or guardian before the student can attend class. Request must be submitted at least 5 business days before the class begins.

Adult Independent Study Request Form

This form is for students that are interested in signing up for our Independent Study/Open Studio time but have not completed the 4 prerequisite classes at the Dougherty Arts School. Students must demonstrate competency with: college classes/degree and/or professional experience. Experienced students might be asked to complete one Dougherty class for a current reference if they have not worked in a studio setting for over 3 years. Studio policies are available before registering by request.

PAYMENT

Adult and Senior Arts Programs

Adult and Senior programs require full payment at the time of the registration.

Dear DAC Customer:

This letter is to serve as official notification from the City of Austin, as per TCEQ requirements, to parents and other customers of the Dougherty Arts Center (DAC) about the presence of an old landfill under and adjacent to the DAC. There has been no change in the conditions of the Dougherty Arts Center building or the landfill; we are simply providing information so that you can make informed decisions.

The landfill lies under the majority of the building and extends under the lawn to the east of the building. The landfill has been thoroughly investigated for the safety of everyone involved. The City's Investigation and Evaluation Team included staff from the Health and Human Services Department, Watershed Protection and Development Review Department as well as outside environmental experts. The investigation has not identified an exposure risk to users of the DAC but we want parents and other customers to be aware of the situation and to know that the assessment is ongoing.

The City discovered this previously unknown landfill during the initial construction of Butler Park in April of 2006 and took immediate action by cordoning off the contaminated area and starting its investigation. Health risks from old landfills such as this would primarily be from direct contact with the buried materials or from landfill gases such as methane or carbon monoxide.

The results of the investigation indicated:

The landfill materials appear to be over 75 years old and relatively benign. The only identifiable materials are glass bottles, ceramic pieces and pieces of metal.

The materials are covered by a layer of soil that ranges from 8 inches to 6 feet in depth.

No methane gas nor carbon monoxide have been found in seven years of monitoring.

Based on initial testing, the primary contaminant of concern is the elevated lead levels within the buried materials. These elevated lead levels have not been identified in the surface soil where they would pose a health risk. We have contained the contaminated areas.

Per EPA and TCEQ directives, the City of Austin will continue to monitor the situation with the use of methane, natural gas, and carbon monoxide detectors both in the building and at bore holes drilled through the foundation to check gas levels below the building. The playground area and the gas monitors are checked by daily inspections and by quarterly visits from the Parks and Recreation Safety Officer who has also contributed to the safety measures taken.

We will remain vigilant in our efforts to manage this issue. We believe that the DAC and its surrounding parkland are safe but we want to be sure all interested parties are aware of the situation. If you have any questions, please do not hesitate to call:
