### FIELD TRIP GUIDELINES

The Elisabet Ney Museum offers free tours for groups of all ages. Tours may be scheduled outside of public hours, but we ask that you call in advance to arrange for a group visit. Museum tours are approximately an hour in length and may be followed by a hands-on art activity for students.

- **Chaperones:** The Elisabet Ney Museum and the City of Austin request that each group has one adult chaperone for every seven students.
- **Parking:** Buses may drop students off in front of the museum and park on Avenue G.
- **Facilities:** The Elisabet Ney Museum is located across the street from Shipe Park and there is ample space on the lawn to have a picnic before or after the tour. The museum also has a public restroom, but visitors should bring their own drinking water.
