# Values

What values does the community want to see embodied in the Nash Hernandez Building?

*Please write your values on a Post-it and add it to the board below.*

**Examples of Values:**  
*Honoring history of neighborhood,  
Promoting nutrition and healthy eating,  
Providing education and training opportunities*

# Possible Uses

What do you see as most beneficial to the community?

*Please rank the following possible uses of the Nash Hernandez Building by writing a 1, 2, 3, or 4 in the box next to the selection. If you add a suggestion on a note, please write 1, 2, 3, or 4 on the note.*

**PARD Aquatic Division location:** *To provide a more centralized location to support pool maintenance and recruit lifeguards from the community.*

**Community Space for meeting, dining, or other activities:** *To provide additional space that can be reserved for use by community members or organizations. Reservation fee may be assessed.*

**Space for Nonprofits:** *To be designated as space for nonprofit organizations to lease and use according to the contractual requirements of the City of Austin.*

**Other use consistent with the Master Plan or Community needs:** *Please write your suggested use and post it below.*
