Required Community Cost Match (%):	40%
Actual Community Cost Match (%):	40%

Project Scope & Description

- Project is for ADA compliant pedestrian-crossing improvements for the Davis Lane-Latta Ln. and intersections to better service the proposed Davis Lane Trail Segment and proposed Violet Crown Trail across a busy arterial.
- Proposal would provide an ADA compliant pedestrian refuge on Davis Lane.
- This application is a companion item to Hill Country Conservancy's Neighborhood Partnership Program Davis Lane trail segment proposal.

Description of Support, Participation & Maintenance

Evidence of Support

Impacted Households	N/A
Evidence of Support Households	N/A
Percentage	N/A

It was determined that this project has no directly impacted stakeholders.

- Sendera Mesa Homeowners Association has executed an easement agreement with the City of Austin for a piece of property that will serve as a portion of the Violet Crown Trail.
- Hill Country Conservancy is providing a cash match for the remaining portion of the cost match.
- On March 5th, 2013 a special meeting of the members (residents) was held and a ballot was cast. The vote tally in favor of supporting the Violet Crown Trail in its entirety including but not limited to current and future pedestrian crosswalk enhancements was 97%.
- In May 2012, University of Texas Civil Engineering class examined this intersection and Hill Country Conservancy's segment of the Violet Crown Trail as a class project.

Quality of Life Enhancements & Incorporation of City Initiatives

- Increased connectivity and safer crossing for the Violet Crown Trail across a busy arterial.
- The upgrading of the pathways promote walkability and increased activity.
- This project is not in an Adopted Neighborhood Plan area.
