RE: RBJ Center, 21 Waller Street, Austin, Texas 78702

Dear David:

Please find one original copy of the Application for Multi-Family Housing Bond Financing for RBJ Center. *RBJ Center* is a proposed 1003 unit multi-family development of 17 acres within the Water Front Overlay at Festival Beach along Lady Bird Lake. The project consists of the rehabilitation of 225 units in the existing RBJ Tower and the construction of 778 new units throughout the project site. Fifty percent of the total development will be affordable to households at or below 80% MFI and will include the Tower units, and 277 new units in a wrap product around the Tower, all serving seniors.

The remaining new residential construction will be market-rate to provide for a mix of incomes within what will be a mixed use, inter-generational, and pedestrian-friendly master planned community. Located in the heart of Austin, RBJ Center is amenity rich while also providing access to green space, Lady Bird Lake, and the Ann and Roy Butler Hike-and-Bike Trail. New commercial construction will also allow for a variety of amenities on site.

The Austin Geriatric Center is the founder and operator of RBJ and has provided housing and services for low-income seniors for nearly 40 years. DMA Development Company, LLC has a distinguished track record in conceptualizing, developing, and maintaining affordable housing for seniors throughout the State of Texas, and within the city of Austin.

We will forward a copy of the complete application to Mr. Mark Malveaux, and Mr. Blake Roberts. If you have any questions regarding the application or need additional information, please contact me directly at 512.328.3232 x 4505.

DMA DEVELOPMENT COMPANY PORTFOLIO — MIXED USE/HIGH RISE DEVELOPMENTS

DMA Development Company recently completed two high density, mid- to high-rise developments. Wildflower Terrace in Austin is a LEED certified building consisting of 201 units, ground floor commercial space, and a four story parking garage on 2.4 acres. Samuel J. Simmons NCBA Estates is a 174-unit senior development in Washington, DC originally constructed in 1981 under the HUD Section 202 Supportive Housing for the Elderly Program. DMA Development Company partnered with the National Caucus and Center on Black Aged to refinance and renovate the development.

DMA DEVELOPMENT COMPANY PORTFOLIO — SENIOR COMMUNITIES

DMA Development Company has perfected its senior independent living design in recent years. The typical DMA senior community consists of one two- or three-story elevator structure surrounded by single story cottages. The elevator structure is attractive to seniors who want the security of proximity to the onsite staff and amenities, while the single story cottages, which often have integrated carports, are attractive to independent residents who are perhaps downsizing from single family homes.

DMA PROPERTIES — CREATING COMMUNITIES

DMA's apartment communities are all managed by DMA Properties, LLC, which is 100% owned by Diana McIver. DMA Properties provides a different menu of services at every property, depending on the resident needs in that particular community, but intended to foster a sense of community and resident responsibility. At our workforce housing communities, for example, DMA may offer services such as an aftercare program for school age children to include tutoring, computer classes, art and music classes, recreational activities, and character building curriculum. Adult classes are also offered in the areas of financial counseling/literacy, first time homebuyer education, English as a second language, and computer classes. At our senior communities, services are offered that encourage health and wellness, such as exercise classes and health screenings; facilitate social interaction such as potluck suppers, coffee gatherings, and movie nights; foster creativity, such as art and writing classes; and stimulate the mind, such as book clubs, literary salons, and computer classes. DMA encourages and supports volunteerism at all properties, both from the standpoint of encouraging our residents to volunteer in the community, as well as encouraging community volunteers to be active with our resident programs.

DMA DEVELOPMENT COMPANY, LLC.

Company History

DMA Development Company, LLC., is the outgrowth of Diana McIver & Associates, Inc. incorporated in January 1987, as the successor company to Conroy & McIver, a Texas general partnership founded by Pat Conroy and Diana McIver in 1979. DMA is wholly owned by Diana McIver and is certified by the State of Texas as a Historically Underutilized Business (HUB). Since inception, the company has expanded its focus from one of assisting nonprofit housing organizations with the development of housing for the elderly under a specialized federal program to one of providing a comprehensive package of services to address the needs of housing providers who must compete in an increasingly more complex environment. Today, DMA provides both development and financial services to a wide-ranging clientele including for profit companies, nonprofit organizations, and governmental agencies.

Major Accomplishments

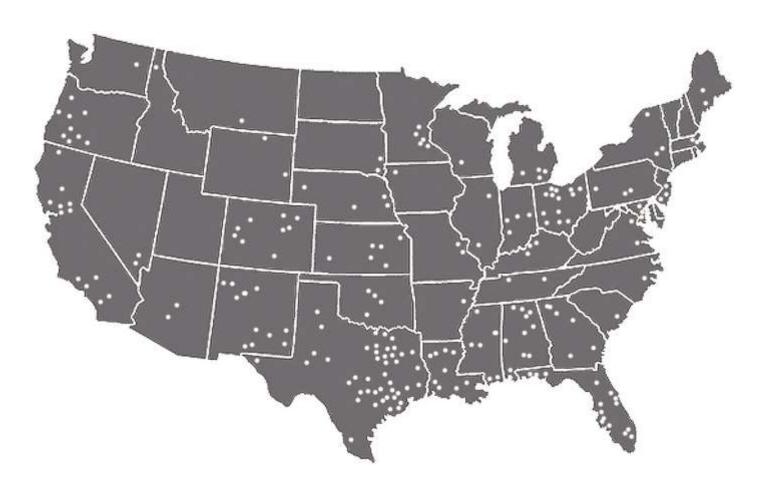

Major accomplishments of **DMA** include:

- Affordable Special Needs Housing. Since 1980, the firm has provided development services to nonprofit organizations resulting in the successful development of nearly 300 projects of affordable special needs housing in 41 states. Many of these are financed under HUD's 202 Housing for the Elderly, HUD's 811 Housing for Persons with Disabilities, or the Housing Tax Credit Program (Section 42 of the Internal Revenue Code).
- Affordable Multifamily Housing Development. Since 1998, Diana McIver & Associates and its development affiliate, DMA Development Company, LLC, have been actively involved in the development of affordable multifamily housing through the utilization of the Housing Tax Credit Program. To date, DMA and DMA Development Company have successfully obtained funding for more than 48 tax credit developments in Texas, Colorado, Utah, Louisiana, Georgia, Kansas, and Washington, DC. Diana McIver is General Partner in a majority of these.

DIANA MCIVER & ASSOCIATES, INC.

- Affordable Housing Acquisition and Preservation. DMA provided consulting services to nonprofit purchasers of existing federally assisted housing under the Low Income Housing Preservation & Resident Homeownership Act of 1990 (LIHPRHA) from 1994 until the program was terminated by the Congress in 1997. DMA served as consultants for the first sale to a community-based nonprofit in the country under the LIHPRHA program and successfully assisted nonprofit purchasers in obtaining more than \$76 million in financing to acquire and rehabilitate 17 LIHPRHA projects, totaling 1,660 units in 9 states.
- **Public Policy.** Ms. McIver's previous work for the U.S. Senate Committee on Aging has kept her involved in public policy issues affecting the elderly and persons with disabilities. In Texas, she is past president of the Texas Affiliation of Affordable Housing Providers, and has served on its Board of Directors since 2002. Since 2010, she has served on the Board of Directors of the Texas Association of Local Housing Finance Agencies (TALHFA). In January 2001, Diana received a congressional appointment to the fourteen-member Commission on Affordable Housing and Health Care Facility Needs of Seniors in the 21st Century. It was created as a bipartisan Commission, which released its report to the Congress in June 2002. In March 1995, Ms. McIver led the Special Housing Needs component of the White House Conference on Aging Mini-Conference on Elderly Housing. Executive Vice President, JoEllen Smith, has served on the Housing Committee of the Texas Association of Homes and Services for the Aging (TAHSA).
- Affordable Housing Research. In 2006, the City of Austin contracted with DMA to develop an Affordable Housing Element in conjunction with each of the City's planned Transit Oriented Districts (TODs), which accompany a planned commuter rail system for the Austin area. This study was completed in January 2009. Additionally, DMA provided consulting services for the City of Austin Affordable Housing Incentives Task Force, which recommended affordable housing incentives to the City Council in February 2007. DMA was also a consultant to ROMA Design Group in the development of Austin's Downtown Plan.

DIANA MCIVER & ASSOCIATES, INC. — HUD SECTION 202 AND 811 DEVELOPMENT MAP

DMA has been involved in the award and development of more than 11,840 units of affordable housing under the HUD Section 202 and 811 programs.
