1.04 City Certified Minority- and Women-Owned and Local Small Business Participation.

- (a) GENERAL. The Company shall comply with the applicable standards and principles of Chapters 2-9A (Construction), 2-9B (Professional Services), 2-9C (Nonprofessional Services) and 2-9D (Commodities) of the City's Code and Program Rules for M/WBEs ("**M/WBE Program**") in the purchase of commodities at its Austin Center by its employees at the Austin Center, and design and construction of its Austin Center (including leasehold improvements), in effect at the time of the solicitation for the particular scope of work or commodity purchase is to be completed. It is the Company's responsibility to contact the City's Small and Minority Business Resources Department ("**SMBR**") to ensure the Company is complying with the current and applicable ordinances and rules.
- (b) INFORMATIONAL MEETING. Prior to the Company expending money subject to the requirements of this Section 1.04, or no less than ninety (90) days from the Effective Date, the local representatives of each party will meet to discuss the

requirements for compliance with the M/WBE Program and the City will advise the Company of all available resources to assist with compliance.

- (c) SUPPLIES/COMMODITIES. In an effort to further stimulate and positively impact the local economy, the Company shall use commercially reasonable efforts to provide minority-owned, women-owned and local small businesses certified by the City an equal opportunity to participate as suppliers for materials and services purchased by the Company exclusively for use at its Austin Center. To assist in recruiting efforts, the Company is required to contact SMBR for a list of available City certified minority-owned, women-owned and local small businesses prior to procuring supplies.
1. SUPPLIER DIVERSITY POLICY. Within ninety (90) days after the Effective Date, the Company shall submit to the City a reasonable supplier diversity policy which will not conflict with the Program regarding the Company's procurement of materials and services to be used exclusively at the Austin Center which may be reasonably modified from time to time by the Company, provided the policy and all modifications are approved by SMBR.
 2. THRESHOLD AMOUNT. The Company agrees to adhere to this policy for the procurement of materials and services for which the cost is more than the purchasing authority established for the City Manager on an annual basis pursuant to Article VII (Finance) § 15 (Purchase Procedure) of the City Charter, and for which there are qualified local certified M/WBE suppliers, providing competitive prices and with sufficient financial resources in light of the particular materials and services to be supplied. The City Manager's purchasing authority is \$57,000.00 for the City's fiscal year 2013-2014, and may increase or decrease per the formula in the Charter. The City shall advise the Company annually of any changes to this threshold amount, or the Company may contact the City at any time for such information.
 3. EXISTING CONTRACTS. This Section 1.04 shall not apply to valid contracts the Company has in existence on the Effective Date of this Agreement for the procurement of supplies.
- (d) NON-COMPLIANCE. Failure to comply with this obligation shall be considered a breach of this Agreement. Should SMBR determine that the Company has failed to satisfy its obligation under this section 1.04 the Company will forfeit the next anticipated Chapter 380 Payment as described in paragraph (j). With respect to any individual procurement of materials or services for which the cost is less than the amount established in subsection 1.04 (c)2 above, the Company is encouraged, but not required, to adhere to the requirements of this section 1.04. The Company shall maintain and provide documentation of its efforts to comply with this paragraph to SMBR as part of its monthly reports required under subsection 1.04(i) below.
- (e) DESIGN AND CONSTRUCTION. The Company shall comply with the applicable standards and principles of the **M/WBE Program** in the design and construction of its Austin Center, including leasehold improvements, in effect at the time of solicitation for the particular scope of work to be completed. It is the Company's

responsibility to contact SMBR to ensure the Company is complying with the current and applicable ordinances and rules.

1. With respect to any design or construction projects for the Company's Austin Center, including, but not limited to, leasehold improvements, the Company, the architect and the general contractor shall meet the gender and ethnic-specific participation goals or subgoals for each year in which design or construction occurs as determined by the Director of SMBR in accordance with the M/WBE Program.
 2. Prior to advertising a bid for any portion of the design or construction work, the Company shall submit to SMBR a copy of a proposed solicitation in order for the City to determine the gender and ethnic-specific participation goals or subgoals for the project. The determination by the Director shall be based on the proposed size, type and scope of work to be undertaken by the Company and described in the bid documents, and the availability of each group of M/WBEs to perform elements of the work. The City may utilize either the cumulative M/WBE goal or the subgoals for each group of minority persons in the proposed solicitation, or set project M/WBE participation goals as provided in Section 2-9A-19 (*Establishment of MBE/WBE Participation Levels for Individual Contracts in Construction*), or as may subsequently be amended. The Director shall have ten business days from receipt of a bid package from the Company in order to evaluate and determine the required level for utilization of M/WBE project or phase-specific goals or subgoals, if any, and shall notify the Company in writing of the Director's determination.
- (f) OUTREACH. In an effort to meet the gender and ethnic-specific M/WBE utilization goals, the Company shall implement an outreach program designed to solicit participation of M/WBEs. These outreach efforts should also target small businesses generally. The Company may seek the assistance of SMBR in these outreach efforts as described in paragraph (h) below.
- (g) For any year in which the Company, the architect and the general contractor fail to meet each of the goals or subgoals established by the Director, the Company, the architect and the general contractor must demonstrate good faith efforts to meet the goals as described in the City's M/WBE Program Ordinance. The Company shall submit documentation demonstrating its own and the architect's and general contractor's good faith efforts to meet the goals as is required under the following paragraph (i). If the Company provides documentation to SMBR evidencing its own and its architect's and general contractor's good faith efforts, the Company shall be deemed in compliance with these paragraphs (e),(f) and (g). Failure to perform this obligation shall be considered a material breach of this Agreement. The City acknowledges that this obligation does not require the Company to modify, nullify or abrogate any contracts that the Company has entered into prior to the Effective Date of this Agreement.
- (h) The Company shall apprise SMBR when the Company desires assistance from SMBR in its efforts to meet the gender and ethnic specific M/WBE utilization goals established for the purchase of commodities and supplies procured by and for the Austin Center, and design and construction of improvements. This assistance may include providing a list of certified M/WBE firms from which the

Company may solicit or cause the architect or its general contractor to solicit participation in the design and construction of any improvements, identifying potential scopes of work, establishing the bid packages, scheduling and hosting outreach meetings, and assisting the Company, its architect, or general contractor in soliciting M/WBE firms to provide bids. The Company is not required to solicit participation during a period in which the Company is not engaged in designing and/or constructing its Austin Center, but rather, the Company is required to incorporate the standards and principles of the City's M/WBE Program including the M/WBE utilization goals established by the Director into its development process as and when such process exists in connection with the Austin Center.

- (i) The Company shall provide monthly reports to SMBR no later than the 10th day of each month to track (i) the utilization on a percentage basis of M/WBE firms in the design and construction of the improvements; (ii) the utilization on a percentage basis of M/WBE firms in the purchase of commodities and/or supplies by and for the Austin Center; and (iii) a summary of the Company's efforts to implement the standards and principles of the City's M/WBE Program. SMBR shall provide the forms to be used by the Company in submitting such reports.
- (j) Within thirty (30) days of receipt of the Company's final monthly report (as is required under paragraph (i) above for the preceding year, January 1st through December 31st (the "**SMBR Compliance Period**"), SMBR shall determine whether the Company is in compliance with the requirements of this Section 1.04. Should SMBR determine that the Company (or its architect or general contractor), has not complied with the obligations of this Section 1.04, the Company will forfeit the next anticipated Chapter 380 Payment. For example, if the Company (or its architect or general contractor) fails to comply with its obligations under Section 1.04 for one year, the Company will be required to forfeit one Chapter 380 Payment. If the Company fails to comply with the obligations for two years, the Company will be required to forfeit two Chapter 380 Payments, and so on.

1.05 Construction Worker Requirements.

- (a) The Company agrees to pay and shall require its contractors to pay workers retained for any construction on the Project described in section 1.01 (Investment in the Desired Development Zone), or as may otherwise be amended and increased by the City, including remodeling and leasehold improvements:
 - 1. Prevailing wages, as defined by the City and as may be subsequently amended (see subsection (b) below); or
 - 2. Living Wage (\$11 per hour).
- (b) Wage Rates Defined. The City has adopted prevailing wage rates by ordinance as the wage specified in a Department of Labor (DOL) published wage determination for a particular construction trade in Travis County (Davis Bacon Wage Rates) or as the result of a City wage survey conducted according to DOL established methodology.

- (c) Company's Responsibilities. Prior to commencement of and during construction of the Austin Center, in order to comply with this section 1.05 (Construction Worker Requirements), it is the Company's responsibility to:
1. Contact the City's Contact Management Department (CMD) and obtain the current prevailing wage rates in effect for Building Construction Type (BC) and Heavy Highway Construction (HH) for the construction workers performing work on the particular scope of work to be completed for all or part of the Project described in section 1.01;
 2. Maintain certified weekly payrolls on-site for every contractor and subcontractor performing work on the project. Certified weekly payrolls must contain the name, address and occupation of each worker employed by the Company, its contractor or subcontractor, and the actual per diem wages paid to each worker;
 3. Employee Certification. The Company and its contractor or subcontractor shall identify in writing the classification agreed to by each worker, and pay no less than the specified wage rate or Living Wage. A form designating the worker's classification and wage rate shall be signed by each worker, and if work performed by the worker is different than the rate or trade classification agreed upon, the worker shall be paid for the work completed no less than the minimum prevailing wage rate for that specified trade or Living Wage.
 4. Payroll Deduction Authorization Form. The Company or its contractor or subcontractor shall prepare for each worker's signature a payroll deduction authorization form identifying all payroll deductions **excluding** those required by law, such as federal income taxes, Medicare and Social Security.
 5. A statement of Compliance shall be signed and dated by the party responsible for supervising the payment of persons employed or contracted by the Company, contractor or subcontractor, and identify the name of the signatory party and title, name of project, payroll period and name of contractor or subcontractor. The statement shall attest that the payroll complies with the terms of this Agreement and 29 CFR issued by the Secretary of Labor.
 6. Provide a single point of contact responsible for monitoring and enforcing the Company's construction process.
 7. Erect and maintain a wage rate postings board in English and Spanish (form posting available from the City) displaying the wage rate per worker classification that may be working on the site, placed in a conspicuous place at the Project site accessible for all workers to view.
 8. Coordinate with city staff or its authorized representatives.
- (d) The Company shall allow CMD staff or other staff designated by the City Manager, or third party representatives retained by the City to:

1. Access the Project site, provided that such access does not unreasonably interfere with the Project,
 2. Audit documents related to construction worker wages paid to determine wage compliance,
 3. Interview workers, provided that such interviews do not unreasonably interfere with the Project,
 4. Conduct on-site observations related to wage compliance, provided that such observations do not unreasonably interfere with the Project, and
 5. Review all construction-related certified payroll reports on-site once a month or as requested by the City.
- (e) Wage Rate Infraction. The City shall notify the Company of any wage rate issues identified by the City. The ninety day opportunity to cure of Section 3.04 (Event of Default) shall not apply to individual wage rate infractions in this section 1.05. Depending on the severity of the infraction, the Company shall or require its contractors to correct and remediate any wage rate issues identified within the timeframe specified in the notice provided by the City, not to exceed thirty days. The parties may agree to shorten or extend the time period for the Company or its contractor to comply depending on the type and severity of the wage rate infraction.
- (f) The Company shall make commercially reasonable efforts to ensure that all contractors and subcontractors constructing the Austin Center cover all their construction workers with workers' compensation insurance. The Company shall make commercially reasonable efforts to ensure that contractors and subcontractors constructing the Austin Center provide their construction workers with OSHA 10-hour safety training and shall provide evidence of compliance with this requirement to the City or to third party representatives retained by the City.
- 1.06 Compliance with City Regulations. For the construction of real property improvements to the Company's Austin Center, or the construction or remodeling of any future facilities in the City's planning jurisdiction during the term of this Agreement, the Company will comply with all City Code regulations, including water quality regulations in effect at the time any site plan application is filed, unless the Company has negotiated an agreement with the City to comply with overall impervious cover limits and provide the currently required water quality controls. This means the Company will not assert possible Chapter 245 rights to avoid compliance with water quality regulations during the term of this Agreement. If, during the term of this Agreement, a development does not comply with water quality regulations in effect at the time any site plan application is filed for such development, after proper notice and opportunity to cure the deficiency in accordance with Section 3.04, below, the City may terminate this Agreement by giving the Company written notice of its election to terminate.

1.07 Certificate of Compliance and Inspection.

- (a) Beginning March 31, 2015 and continuing each year thereafter during the term of this Agreement, the Company shall deliver to the City before March 31 of each year a Certificate of Compliance utilizing the form attached as Exhibit "B".
- (b) In the Certificate of Compliance, the Company shall warrant to the City that it is in full compliance with each of its obligations under this Agreement.
- (c) The City, and/or its representative(s), including third-parties contracted by the City, has the right to inspect all relevant records of the Company as are reasonably necessary to verify compliance with all requirements of this Agreement. Inspections shall be preceded by at least two weeks' notice in writing to the Company.

1.08 Texas Government Code Chapter 2264. In accordance with Chapter 2264 of the Texas Government Code, the Company agrees not to knowingly employ any person who is not lawfully admitted for permanent residence to the United States or who is not authorized under law to be employed in the United States ("Undocumented Worker").

- (a) During the term of this Agreement, the Company shall notify City of any complaint brought against the Company alleging that the Company has employed Undocumented Workers.
- (b) If the Company, or a branch, division or department of the Company is convicted of a violation under 8 U.S.C. Section 1324a(f), the total amount of economic development grants it has received, together with interest at the rate of five percent (5%) from the date of each payment of an economic development grant, shall be repaid by the Company to the City not later than the one hundred twentieth (120th) day after the date the City notifies the Company of the violation.
- (c) The City shall recover court costs and reasonable attorney's fees incurred if it prevails in an action brought pursuant hereto to recover past economic development grants and interest. The Company shall not be liable for a violation of Chapter 2264 by a subsidiary, affiliate, or franchisee, or by a person with whom the Company contracts.

1.09 Failure to Meet Obligations. In the event that the Company fails to fulfill its obligations under this Agreement, and does not cure such failure after City sends notice of an Event of Default (as hereafter defined) to the Company and expiration of the cure period described in Section 3.04 below, City may, at its option, terminate this Agreement in accordance with Section 3.08 (b) below. Upon termination of this Agreement for the Company's failure to cure an Event of Default, the City shall not be required to further pay, and the Company shall not be entitled to receive any further payments under this Agreement. The foregoing sentence shall not release the City from its obligation to make payment for any prior year(s) of this Agreement during which the Company did fulfill its obligations under the performance guidelines set forth in Sections 1.01 through 1.08, above.

II. City's Obligations

- 2.01 Economic Development Incentive. As consideration for the Company's performance of its obligations under this Agreement, during the Term of the Agreement City shall pay to the Company annual Chapter 380 payments (the "Chapter 380 Payments") calculated according to the following formula:
- (a) The City's total obligation to the Company under this Agreement shall not exceed Four hundred thirty eight thousand and No/100 Dollars (\$438,000).
 - (b) For the Company obligations performed under Article I during calendar years 2014 through 2023, the City shall pay the Company \$100 for each New Full-Time Job created and retained as of December 31st of the applicable year if the Company has complied with all of its obligations under this Agreement.
- 2.02 The City's first payment shall be made on or before October 31, 2015 for the Company's performance for the year ending December 31, 2014. The City's final payment shall be in consideration for the Company's performance during the year ending December 31, 2023. The City shall make the payments required under this section on or before October 31 following each qualifying year. The City is not obligated to make a grant payment for any year which does not qualify (*i.e.*, the City has determined that the Company has failed to meet the required performance measure or condition applicable to the Company for that year), has provided written notice to the Company of such determination on or before October 31st of the following year, and has given the Company an opportunity to cure such failure in accordance with Section 3.04 below).

III. General Terms

- 3.01 Term. The term for this Agreement is ten (10) years. This Agreement shall become enforceable upon execution and delivery by the City and the Company. Unless this Agreement is terminated earlier in accordance with Section 3.08, the Company's obligations to perform under this Agreement shall be completed on December 31, 2023 and the City shall make its final payment to the Company under this Agreement on or before October 31, 2024.
- 3.02 Payments Subject to Future Appropriation. This Agreement shall not be construed as a commitment, issue, pledge or obligation of any specific taxes or tax revenues for payment to the Company.
- (a) All payments or expenditures made by the City under this Agreement are subject to the City's appropriation of funds for such payments or expenditures to be paid in the budget year for which they are made.
 - (b) The payment(s) to be made to the Company, or other expenditure(s) under this Agreement, if paid, shall be made solely from annual appropriations of the City as may be legally set aside for the implementation of Article III, Section 52a of the Texas Constitution, Chapter 380 of the Texas Local Government Code, or any other economic development or financing program authorized by statute or home-rule powers of the City under applicable Texas law, subject to any applicable limitations or procedural requirements.

- (c) In the event the City does not appropriate funds in a given fiscal year for payments due or expenditures under this Agreement, the City shall not be liable to the Company for such payments or expenditures unless and until appropriation of the necessary funds is made; provided, however, that the Company, in its sole discretion, shall have the right, but not the obligation, to terminate this Agreement and shall have no obligations under this Agreement for the year in which the City does not appropriate the necessary funds.
 - (d) To the extent there is a conflict between this Section 3.02 and any other language or covenant in this Agreement, this Section 3.02 shall control.
- 3.03 Representations and Warranties. The City represents and warrants to the Company that the economic development program and this Agreement are within its authority, and that it is duly authorized and empowered to establish the economic development program and enter into this Agreement, unless otherwise ordered by a court of competent jurisdiction. The Company represents and warrants to the City that it has the requisite corporate authority to enter into this Agreement.
- 3.04 Event of Default. If either the City or the Company should fail in the performance of any of its obligations under this Agreement, such failure or omission to perform shall constitute an “Event of Default” under this Agreement. When an Event of Default occurs, the non-defaulting party shall provide the defaulting party with written notice of the alleged Event of Default (pursuant to Section 3.09, below), and allow the defaulting party a minimum period of ninety (90) calendar days after the receipt of this notice to cure such Event of Default, prior to terminating this Agreement, instituting an action for breach of contract or pursuing any other remedy for the event of default.
- 3.05 Entire Agreement. This Agreement contains the entire agreement between the Parties. All prior negotiations, discussions, correspondence, and preliminary understandings between the parties and others relating to the Parties’ obligations are superseded by this Agreement. This Agreement may only be modified, altered or revoked by written amendment signed by the City and the Company.
- 3.06 Binding Effect. This Agreement shall be binding on and inure to the benefit of the Parties, their respective successors and assigns.
- 3.07 Assignment. Except as provided below, the Company may not assign its rights or obligations under this Agreement to a third party without prior written approval of the City. The City’s approval of the assignment shall not be unreasonably withheld, conditioned or delayed. Notwithstanding anything to the contrary, the Company may assign all or part of its rights and obligations under this Agreement without the prior consent of the City to an affiliate of the Company in which the Company owns at least a fifty percent (50%) interest, or to a third party lender advancing funds for the acquisition, construction or operation of the Company’s Austin Center.
- 3.08 Termination.
 - (a) Termination by the Company for convenience. In the event the Company elects not to proceed with the Project as contemplated by this Agreement, the Company shall notify the City in writing, and this Agreement and the obligations on the part of both Parties shall be deemed terminated and of no further force or effect.

- (b) Termination for Cause. If either Party to this Agreement fails to meet its obligations under this Agreement, and the non-defaulting party provides notice of the Event of Default as set forth in Section 3.04, above, and the Event of Default is not cured within the ninety (90) calendar day cure period, this Agreement may be terminated by the non-defaulting party after expiration of the ninety (90) calendar day cure period.
