§	Requirement	Procedure	Report Narrative	Status
3	NBC will hire, or cause its contractors to hire, a minimum of seventy-five percent of its cast, crew and extras from residents of the Austin Metropolitan Statistical Area ("AMSA"), per episode. Staffing levels will vary between two hundred and seven hundred individuals per episode. NBC shall keep at least seventy-five percent of all such positions filled with residents of the AMSA during the time required to complete filming of each season. For purposes of this section, employee requirements do not include or apply to ancillary support services or contractors over which NBC does not exercise personnel hiring authority, including but not limited to dry cleaning, catering and equipment rental services.	Identify Cast members as AMSA or outside AMSA residents	Friday Night Lights identified 185 Cast members, including 92 AMSA residents and 93 non-residents of the AMSA.	The agreement requires that 75% of Cast, Crew and Extras were to have been AMSA residents. 75% of Cast, Crew and Extras were AMSA residents when Season 3 was filmed.
		Identify Crew members as AMSA or outside AMSA residents	Friday Night Lights identified 499 Staff and Crew members, including 418 AMSA residents and 81 non-residents of the AMSA.	
		Identify Extras as AMSA or outside AMSA residents	Friday Night Lights identified 3219 Extras, including 2412 AMSA residents and 807 non-residents of the AMSA.	
		Confirm that a sample of Cast who are reported AMSA residents are AMSA residents.	A random sample of 10% of the Cast members who are AMSA residents was selected. Of the 10 Cast members selected, residency in the AMSA has been verified for 10.	Verified
		Confirm that a sample of Crew who are reported AMSA residents are AMSA residents.	A random sample of 10% of the Staff and Crew members who are AMSA residents was selected. Of the 42 Staff and Crew members selected, residency in the AMSA has been verified for 42.	Verified
		Confirm that a sample of Extras who are reported AMSA residents are AMSA residents.	A random sample of 10% of the Extras who are AMSA residents was selected. Of the 242 Extras selected, residency in the AMSA has been verified for 242.	Verified
		Review support documents for Season 3 regarding Employees. Calculate the percentage of reported AMSA Residents relative to the reported number of Total Cast, Crew and Staff, and Extras.	Friday Night Lights reported 3903 total Cast, Crew and Extras for Season 3, including 2922 AMSA residents and 981 who reside outside the AMSA. Overall 75% of the Season 3 Cast, Crew and Extras are residents of the AMSA.	Compliant

4	NBC agrees to place in the credits of each program episode of the second and following seasons the following message: "Filmed on location in Austin, Texas, U.S.A.", or a similar statement, placement to be at the producer's discretion.	Review the credits of the 13 episodes to determine whether the message "Filmed on location in Austin, Texas, U.S.A.", or a similar statement is included in the credits.	The message "Filmed on location in Austin, Texas, U.S.A.", or a similar statement is included in the credits of each episode.	Compliant
5	NBC agrees to continue to use commercially reasonable efforts to purchase or acquire goods and services related to program production in the Austin area.	Determine what percentage of the vendors in Vendor List Season 3 1 <sup>st</sup> Blue, September 11, 2008 and Friday Night Lights Season 3 Vendor Listing, both provided by Friday Night Lights, are located inside the AMSA.	60% of all Friday Night Lights vendors are located in the AMSA.	Compliant
6	An annual report, verified by an NBC official, is due on or before sixty (60) days following the end of production filming. The report shall be on a form provided by the City, and shall verify that:			
	(a) filming of a season has been completed,	Confirm that the required information is in the report.	The 13 episode season was completed, but prior to Amendment 1, 13 episodes did not meet the agreement's definition of a season (which was then 21 episodes). Amendment 1 redefined a season as 12 episodes; based on this definition, filming of Season 3 has been completed.	Compliant
	(b) the required number of Austin area employees were hired and maintained throughout the season,		Friday Night Lights' Season 3 report includes this information.	Compliant
	(c) NBC purchased goods and services locally, and		Friday Night Lights' Season 3 report includes this information.	Compliant

§	Requirement	Procedure	Report Narrative	Status
2	After Season 2, for each subsequent season of the Program filmed in the Austin area in accordance with the requirements of this Agreement, the City agrees to pay to FNL an economic development grant equal to 50% of the sum of:	Verify or determine the amounts of City sales/use taxes and City fees paid by Friday Night Lights during filming of Season 3; verify or determine the average weekly number of total employees, including residents and non-residents of the AMSA. Calculate 50% of the sum of City sales/use taxes paid + City fees paid + \$95 multiplied by the average weekly number of employees.		
	A) City sales and use taxes paid;		Based on reports and documents provided by FNL, the City verified \$6,897.84 in City sales and use taxes paid during filming of Season 3. 50% of \$6,897.84 is \$3,448.92.	Friday Night Lights is eligible for a Season 3 Chapter 380 economic development incentive payment of \$48,544.11, which is the sum of \$3,448.92 plus \$2,962.69 plus \$42,132.50.
	B) City fees paid; and		Based on reports and documents provided by FNL, the City verified \$5,925.37 in City fees paid during filming of Season 3. 50% of \$5,925.37 is \$2,962.69.	
	C) \$95 per employee. In calculating the number of employees for this purpose, employees shall include residents and nonresidents of the Austin Metropolitan Statistical Area ("AMSA"), and shall be based on the average weekly number of total employees.		Based on payroll reports provided by FNL, the City verified that the average weekly number of employees during filming of Season 3 was 887, including 50 cast, 230 crew and staff and 607 extras. The product 887 multiplied by \$95 is \$84,265.00. 50% of \$84,265.00 is \$42,132.50.
