---

**Post Event**

The event organizer must provide evidence which documents that waste management services were provided. This documentation can include copies of invoices, receipts, and description of services. The event organizer may be asked to provide information on trash disposal and recycling diversion tonnages and any re-use or food recovery tonnages.

☐ I am an authorized representative of the event and agree on behalf of the event to the waste management requirements. The information provided in this form is true and correct to the best of my knowledge. I understand and agree to all rules, terms and conditions.

Please forward the completed plan to Austin Resource Recovery at **ARRspecialevents@austintexas.gov**
