

An illustration of a business meeting from a top-down perspective. In the center is a clipboard with a brown clip at the top, holding a white sheet of paper titled "Compliance". The paper has a checklist with four items, each preceded by a checkbox. The first two checkboxes are checked with yellow checkmarks, and the last two are empty. A blue pen lies horizontally below the clipboard. Surrounding the clipboard are several hands and arms of different skin tones, some wearing watches. One hand points at the clipboard, another at a document with a bar chart, and others are near a calculator, a cup of coffee, and various papers and folders. The background is a solid light brown color.
