Why Attend? Participating airports and airport car rental concessionaires will be holding a simultaneous, single-day outreach event to provide contracting opportunities to small businesses.

Join us if you are interested in finding out what these contracting opportunities are. Find out how certain business certifications can benefit your small business firm with car rental concessionaires. We will provide information on how the Airport Concessions Disadvantaged Business Enterprise (ACDBE) and other Supplier Diversity certifications can benefit your small business. You do not have to be certified to attend.
