To Whom It May Concern:

LDG Multifamily, LLC - (development contact: Jason Trevino: 512.578.8488 (o); JTrevino@LDGDevelopment.com) is planning to develop a 228 unit multi-family development at 916/918 Norwood Park Blvd, Austin TX 78753. The project will be subject to a 5 year affordability period after issuance of a certificate of occupancy, unless funding requirements are longer.

The applicant has submitted evidence that they have contacted Heritage Hills Property Owners Association. The applicant provided documentation where they are being responsive to neighborhood residents concerns.

Neighborhood Housing and Community Development (NHCD) certifies the proposed project meets the S.M.A.R.T. Housing standards at the pre-submittal stage. This development is not in accordance with the requirements under the Texas Local Government Code, Chapter 395.16(g) and 42 U.S.C. Section 12745 (A)(1) as it relates to how housing qualifies as affordable housing and therefore is not eligible to receive any Austin Water Utility CRF fee waivers under the S.M.A.R.T. Housing Ordinance. The expected fee waivers include, but are not limited to, the following fees:

~~AWU Capital Recovery Fees~~

~~Building Permit
Concrete Permit
Electrical Permit
Mechanical Permit
Plumbing Permit~~

Site Plan Review

Misc. Site Plan Fee
Construction Inspection
Subdivision Plan Review
Misc. Subdivision Fee
Zoning Verification

Land Status Determination

Building Plan Review
Parkland Dedication (by
separate ordinance)

Prior to issuance of building permits and starting construction, the developer must:

- ◆ Obtain a signed Conditional Approval from the Austin Energy Green Building Program stating that the plans and specifications for the proposed development meet the criteria for a Green Building Rating. (Contact Austin Energy Green Building: 512-482-5300 or greenbuilding@austinenergy.com).
- ◆ Submit plans demonstrating compliance with the required accessibility standards.

Before a Certificate of Occupancy will be granted, the development must:

- ◆ Pass a final inspection and obtain a signed Final Approval from the Green Building Program. (Separate from any other inspections required by the City of Austin or Austin Energy).
- ◆ Pass a final inspection to certify that the required accessibility standards have been met.

- ◆ An administrative hold will be placed on the building permit, until the following items have been completed: 1) the number of affordable units have been finalized and evidenced through a sealed letter from project architect and/or engineer, 2) a Restrictive Covenant stating the affordability requirements and terms has been filed for record at the Travis County Clerk Office.

The applicant must demonstrate compliance with S.M.A.R.T. Housing standards after the after the certificate of occupancy has been issued or repay the City of Austin, in full, the fees waived for this S.M.A.R.T. Housing certification.
