Just head on over to Vendor Connections now at <a href="https://www.austintexas.gov/financeonline/vendor\_connection/index.cfm">https://www.austintexas.gov/financeonline/vendor\_connection/index.cfm</a>. Once that is squared away, please continue with these instructions.

## Application

Organizations choosing to apply for GTOPs 2019 must create a new application in the grant management website and complete the application by 5pm on November 30, 2018.

If you are currently receiving GTOPs funding, you may log into the website at <a href="https://www.ctkodm.com/austin">https://www.ctkodm.com/austin</a> using your unique username and password to continue.

The **2019 GTOPs APPLICATION** submission must be **COMPLETED** and **CERTIFIED** no later than 5pm, CST, November 30, 2018.

This application consists of accurately editing an "Agency Intake" form **AND** completing, uploading supporting attachment files, and certifying a second form entitled, "Program Application for GTOPs."

The first form, entitled "Agency Intake," describes to TARA particular information about your organization, mission, key personnel, organizational services/programs, etcetera.

The second form, entitled "Program Application for GTOPs," is a multi-purpose form, which requires a combination of data-entry and uploading of supporting documentation as file attachments. This second form, "Program Application for GTOPs," should not be started until the "Agency Intake" form is completed and accurate.

You may edit as often as you like through 5:00pm CST, November 30, 2018, or upon organizational certification, whichever comes first.

Do not complete the "Agency Certification of GTOPs Application" section until you are ABSOLUTELY SURE you are ready to do so. Once the "Program Application for GTOPs" form is certified and saved, you may log-out of the website.

The organizational contact identified on the form will receive an auto-generated, message receipt from <a href="mailto:digital.inclusion@austintexas.gov">digital.inclusion@austintexas.gov</a> indicating that your certified application was received. If you did not get this message, either you did not certify or your junk mail settings are set to block the <a href="mailto:digital.inclusion@austintexas.gov">digital.inclusion@austintexas.gov</a> resource account. If it is the later, go into your junk email options settings and make sure "Never Block Sender's Domain" is selected so all messages originated from the city of Austin (i.e., <a href="mailto:firstname.lastname@austintexas.gov">firstname.lastname@austintexas.gov</a> and <a href="mailto:resourcename@austintexas.gov">resourcename@austintexas.gov</a>) are added to your safe senders list.

Please be advised that TARA personnel will make contact with you based on their following schedule:

```
November 30, 2018 – Last GTOPs Applications Accepted
January 14, 2019 – Written Responses Due from Applicants
February 8, 2019 – Tentative Oral Presentations
