The City's Digital Inclusion - PC Community Loan Program Pilot has 291 refurbished City computers available for request through the 2018 GTOP's grant cycle!

The PC Community Loan Program was created by the Digital Inclusion Program to supply refurbished City computers to awardees who provide a public benefit of connectivity, access, and opportunity. With this program, city computers can avoid the landfill, provide hardware training for refurbishment interns, and be given to Austin area non-profits in need.
