The PC Community Loan Program was created by the Digital Inclusion Program to supply refurbished City computers to awardees who provide a public benefit of connectivity, access, and opportunity.

- *To support the full utilization of the devices, the City secured a Microsoft Certified Refurbisher License.*
- *The program has refurbished over 400 devices with help from student interns and fellows which have since been allocated to several Austin Area Non-profits.*

## Device Details

- **Applicants can request for 10-30 devices**
- **Dell Optiplex desktops**
- **4 GB of RAM**
- **Minimum of 160 GB of hard drive space**
- **At least an Intel I3 processor**
- **Windows 10 and Microsoft Office Suite can be pre-installed for $6 per license (GTOPs funding cannot be requested to cover the license cost)**
- **Peripherals including monitor, keyboard, mouse and cables are not guaranteed. Notice is provided within 1 week of contract execution regarding peripheral availability.**

*these City computers will be on loan to non-profit organizations, with the intent to fully grant the awarded devices at a future time.
