

MEMORANDUM

Austin Police Department *Office of the Chief of Police*

TO: Mark Washington, Director of Civil Service

FROM: Art Acevedo, Chief of Police

DATE: January 7, 2014

SUBJECT: Temporary Suspension of Police Officer Robert Thompson #5199
Internal Affairs Control Number 2013-0958

Pursuant to the provisions of Chapter 143 of the Texas Local Government Code, Section 143.052, and Rule 10, Rules of Procedure for the Firefighter's and Police Officers' Civil Service Commission, I have temporarily suspended Police Officer Robert Thompson #5199 from duty as a City of Austin, Texas police officer for a period of one (1) day. The temporary suspension is effective on January 9, 2014.

I took this action because Officer Thompson violated Civil Service Commission Rule 10.03, which sets forth the grounds for disciplinary suspensions of employees in the classified service, and states:

No employee of the classified service of the City of Austin shall engage in, or be involved in, any of the following acts or conduct, and the same shall constitute cause for suspension of an employee from the classified service of the City:

- L. Violation of any of the rules and regulations of the Fire Department or Police Department or of special orders, as applicable.

The following are the specific acts committed by Officer Thompson in violation of Rule 10:

On September 12, 2013, Officer Thompson participated in a traffic stop and subsequent field investigation during which he seized apparent narcotics evidence. Prior to the conclusion of the field investigation, Officer Thompson lost that evidence.

By these actions, Officer Thompson violated Rule 10.03(L) of the Civil Service Rules by violating the following rules and regulations of the Austin Police Department:

➤ **Austin Police Department Policy 701.1: Property and Evidence Collection Procedures: Purpose and Scope**

701.1 Purpose and Scope

It is the duty and obligation of employees of the Department to properly seize, control, care for, store, process, and dispose of property and evidence that may come into their possession. Employees will adhere to the property handling procedures described in this document. For the purposes of this document, all items that come into police care and control will be considered property or evidence and will be handled equally.

By copy of this memo, Officer Thompson is hereby advised of this temporary suspension and that the suspension may be appealed to the Civil Service Commission by filing with the Director of Civil Service, within ten (10) days after receipt of a copy of this memo, a proper notice of appeal in accordance with Section 143.010 of the Texas Local Government Code.

By copy of this memo and as required by Section 143.057 of the Texas Local Government Code, Officer Thompson is hereby advised that such section and the Agreement Between the City of Austin and the Austin Police Association provide for an appeal to an independent third party hearing examiner, in accordance with the provisions of such Agreement. If appeal is made to a hearing examiner, all rights of appeal to a District Court are waived, except as provided by Subsection (j) of Section 143.057 of the Texas Local Government Code. That section states that the State District Court may hear appeals of an award of a hearing examiner only on the grounds that the arbitration panel was without jurisdiction or exceeded its jurisdiction, or that the order was procured by fraud, collusion or other unlawful means. In order to appeal to a hearing examiner, the original notice of appeal submitted to the Director of Civil Service must state that appeal is made to a hearing examiner.

In addition, if this disciplinary suspension is for three (3) days or less, Officer Thompson is advised of the following provisions of Article 18, Section 1, of the Meet and Confer Agreement:

The parties agree that when an officer is suspended for 1, 2, or 3 days the officer may choose one of two methods of dealing with the suspensions as listed below.

- a) **Suspensions that may not be appealed.** The officer may choose to use vacation or holiday time to serve the suspension with no loss of paid salary and no break in service for purposes of seniority, retirement, promotion, or any other purpose. The officer must agree that there is no right to appeal if this method of suspension is chosen.
- b) **Suspensions that may be appealed.** The officer may appeal the suspension to arbitration or the Civil Service Commission. If the officer chooses to appeal the suspension, the arbitrator or Civil Service Commission's authority is limited to ruling on whether or not the charges against the officer are true or not true. If the arbitrator or Civil Service Commission finds the charges to be true, there is no authority to mitigate the punishment. If the arbitrator or Civil Service Commission finds the charges to be not true, the officer shall be fully reinstated with no loss of pay or benefit.

Arbitration Costs on Appealable Suspensions

In the event that an officer appeals a 1, 2 or 3 day suspension to arbitration, it is agreed that the party that loses the arbitration shall be responsible for all costs of the arbitrator, including travel and lodging if necessary.

To facilitate such payment on the part of the officer he shall submit, at the time of appeal, a signed payroll deduction agreement that if the arbitrator rules in favor of the City he authorizes up to one hundred dollars (\$100.00) per month to be deducted from his regular pay until such time as what would usually be the City's portion of the arbitrator's costs have been satisfied.
