By signing, I hereby confirm that I have been issued the confirmed amount of combined residential parking permit decals and hang tags above and have made payment to either the designated area coordinator or appropriate Austin Transportation Department Staff. By signing, I am also acknowledging that I have read and agree to abide by the following rules, guidelines and RPP do's and don'ts for owning Residential Parking Permits:

- Permits shall be valid from January till the end of December each year. Permits will be renewed before the first day of February annually, **NO EXCEPTIONS**.
- Each decals permit shall be valid only for the area for which it is issued. License plate number of the vehicle must be written on window decal permit and match vehicle in which it is placed. Visitor hang-tags are to display the street name and block number.
- The fee for the purchase of residential parking permits will be **\$15 each plus sales tax**. Subsequent residential (i.e. sticker) permits may be issued in lieu of visitor hang-tags. There is a maximum allowable total of four permits per household, with a maximum of two visitor hang-tags. A re-issuance fee of **\$15** plus tax, will be charged for lost or stolen permits.
- The residential parking permit shall be affixed on the lower left corner of the front windshield (above the vehicle registration sticker). The visitor hang tag is to be presented so that the writing is visible through the front windshield. The visitor hang tag may be hung from the rear-view mirror.
- Replacement permits for vehicles traded, new vehicles etc. will be issued, free of charge, provided the original permit is returned when the request for re-issuance is made.
- Failure to abide by the rules and guidelines may result in the reduction or revocation of permit privileges.

RESIDENTIAL PERMIT PARKING (RPP) PROGRAM INSTRUCTION SHEET FOR PERMIT PLACEMENT AND DISPLAY PERMIT “DO’S AND DON’TS”

DO:

Sticker Decal Permit Placement:

- Place your vehicle sticker so that it is above or adjacent to the vehicle registration sticker on the **lower** left portion of your front windshield. The sticker should be **flush** against the surface of the windshield. If not placed correctly, the permit could be hard to see and enforcement may issue a citation if not seen.
- For sticker decal permits, verify that the license plate number is correctly shown on the permit and is placed on the vehicle with matching license plate.

Visitor Hang Tag usage:

- Make sure that hang tags has address written on hanger.
- Hang your visitor parking permit from the rear view mirror so that the writing is **visible** through the front windshield. If the hanger does not fit around the rear view mirror, use a rubber band or other string large enough to fit around mirror and hang permit from that.

Other important Information for permit holders:

- Inform your guests of the proper display of permits.
- Protect your permit. Lost or stolen permits cost **\$15** each to replace.
- Communicate a lost or stolen permit to City Staff or your RPP Coordinator contact person so that you may quickly purchase a replacement.
- Permits expire yearly and will need to be renewed by start of the renewal period. Please visit RPP website for renewal dates by area. Link located below.

Day/Construction passes

- Request permits from the City of Austin RPP staff at a max of 20 passes per event and cost \$1 each.
- Day pass request should be done in a timely manner but can be picked up at the Parking Operations office at 1111 Rio Grande Street between 8:30am - 5:00pm Mon - Friday.
- Place permit on dash so that the writing is clearly visible and readable from windshield.

DON’T:

Improper permit usage

- Place your permit where it can’t be easily read by enforcement personnel – you will be ticketed.
- Use permits that don’t have address on hang tags or license plate numbers on decal permits – you will be ticketed for invalid permit.
- Park your vehicle illegally and display a permit – you will be ticketed.
- Use old, out of date permits – you will be ticketed you will be ticketed for invalid permit.
- Leave your permit where it can be stolen or “borrowed.”
- Park in other RPP area’s that your permit doesn’t belong – you will be ticketed for invalid permit.

Improper Day/Construction passes

- Display a day/construction pass that is unreadable due to placement – you will be ticketed.
- Use an expired day/construction pass – you will be ticketed.
- Use a day/construction passes that doesn’t match the current region permit color/ zone# – you will be ticketed.
- Duplicate or manipulate a day/construction pass – you will be ticketed.

The rules regarding the placement and display of permits will be strictly enforced. Failure to abide by the rules and guidelines may result in the reduction or revocation of permit privileges.
