

# Electric Vehicle Incentive Guidelines, Dealerships, and Vehicles

## Application Guidelines

1. Applicant must be an Austin Energy electric customer.
2. Applicant intends to live in the Austin Energy service area for a minimum of five years.
3. Five (5) qualifying electric vehicles, of any combination, per applicant are eligible.
4. Qualifying all-electric vehicle must be new and purchased from the approved dealership list.
5. Applicant may receive the following incentives:
  - o \$500 for Gasoline Engine Conversions to all-electric cars.
  - o \$500 for all-electric Low-Speed Vehicles.
  - o Up to \$250 for all-electric motorcycles.
  - o Up to \$150 for all-electric scooters and bikes.
6. Funding is limited and offered on a first-come, first-served basis.
7. Final incentive level determined after Austin Energy verifies the electric vehicle is a qualifying model and sold by an approved dealership.
8. Incentive application must be submitted within sixty (60) days of vehicle purchase.
9. Approved participants will receive the incentive check six (6) to eight (8) weeks from the date the application is approved.
10. Austin Energy reserves the right to perform a one-time spot inspection to verify the purchase is a qualifying electric vehicle.
