SHARED STREETS PILOT ON RAINEY STREET

BICYCLE ADVISORY COUNCIL

NOVEMBER 19, 2019

RAINEY NEIGHBORHOOD

- Feedback on Rainey:
 - Transit into Rainey
 - Access points
 - Emergency access
 - Traffic related to late night entertainment activity
 - Mix of all transportation modes in the streets
 - Sidewalk/pedestrian/scooter infrastructure
- Initiatives
 - Shared Streets Pilot on Rainey Street
 - Rainey Mobility Study
 - Austin Core Transportation Plan

SHARED STREETS PILOT RESOLUTION

Resolution 20190619-186, adopted on June 19, 2019

• "The City Manager is directed to immediately initiate a shared streets pilot on Rainey Street in coordination with the Rainey local mobility study.

• Be it further resolved

That the City Manager shall determine the appropriate dates, times, and duration of this pilot in consultation with the Rainey Business Association, area neighborhood associations, and the Emma S. Barrientos Mexican American Cultural Center Board.

• Be it further resolved

That the pilot should include consideration of options for electric vehicle shuttles from offsite parking facilities on city property and/or city right-of-way as well as designated queueing areas for taxis and transportation network companies."

RAINEY MOBILITY STUDY

- The purpose of the Rainey Mobility Study is to identify transportationrelated improvements that address multimodal needs, mobility needs, and safety needs in the area.
- Currently finalizing documentation

PRELIMINARY FINDINGS OF RAINEY MOBILITY STUDY

- Data Collection:
 - Heavy pedestrian volumes starting on Thursday around 8:00 pm
 - Peaking at 900 pedestrians on Saturday at I 1:00 pm, making up to 80% of the total traffic
 - More than 7,000 pedestrians counted between 6:00 pm and 2:00 am each Friday and Saturday night
- Vehicular Circulation Analysis:
 - Red River Extension project
 - Alley and intersection improvements
 - Tested closing Rainey Street to vehicular traffic
- Business Input on Shared Street Pilot:
 - Daytime operational considerations (deliveries, trash pickup, parking)
 - Closure days of the week and time of day

SHARED STREETS PILOT DETAILS -DRAFT

- Proposed as a "safety closure"
- Details are being determined in coordination with APD and neighborhood stakeholders
 - **Days of the week:** Thursday, Friday, and Saturday nights
 - Times of day: 9:00pm to 2:30am
 - Pilot start and end dates: December 5th until March 8th (SXSW starts March 13th)
 - Other considerations:
 - Bicycles, scooters, pedicabs, and electric lowspeed vehicles <u>will</u> be allowed in the pilot area
 - Designated passenger loading/unloading zones
 - Taxi zones
 - On- and off-street parking

Closure between Davis Street and River Street Days of the week:Thursday, Friday, and Saturday nights Time of day: 9:00pm to 2:30am

Closure from the north end of Rainey Street

Closure from the south end of Rainey Street

- Vehicle circulation
- \rightarrow Alley access
- Passenger loading and unloading
- No stopping/No parking
 - Paid Parking
 - Paid Parking Lot

10

MEASURES OF SUCCESS OF PILOT

- Safety no crashes
- Customer satisfaction survey
- Business satisfaction survey
- Resident satisfaction survey
- Observed travel behavior
 - Vehicle speeds and volumes
 - Pedestrian, bicycle & scooter volumes
- Other measures that capture the use of the street as a "place" instead of for "mobility"?
 - Pedestrian average dwell time

THANK YOU!

• Liane Miller, Austin Transportation
