

Welcome!

Austin Transportation Department

WALK + BIKE TALKS

A community conversation

Pedestrian Safety Action Plan

Learn about this planning effort to improve pedestrian safety. Share your concerns related to walking safely on Austin streets.

Implementing the Bicycle Master Plan

Provide feedback on how the City should prioritize projects to complete gaps in the bicycle network.

How To Participate

The purpose of today's meeting is to share information about City plans and projects for 2017 and beyond.

Your comments today will help the City respond to real community desires and needs.

We value your input! Please:

- **Sign in.**
- **Move through the stations in order. (1, 2, 3)**
- **Talk with City staff and ask questions.**
- **Hear the presentation by City staff.**
- **Share your comments in writing.**

Thank you so much for coming!
