Austin City Hall, Room 1029; 301 W. 2nd St; Austin, TX; 78701

AGENDA

1) 2:00 – 2:10 PM Introductions & agenda overview

2) 2:10 – 2:30 PM Universal Recycling Ordinance

- a. Update on the stakeholder process to amend [Section 8.0 of the ARR Administrative Rules](#)
- b. Orientation to the [Universal Recycling Ordinance \(URO\)](#) and specifics related to Restaurants/Bars

3) 2:30 – 3:55 PM Facilitated discussion and information exchange

ARR staff seeks stakeholder input on recycling and food waste diversion (donation, composting, etc.) in Restaurants and Bars. The objectives of the discussion are:

- For staff to learn more about how diversion works in the food service industry
- For stakeholders to learn more about the City of Austin's policies and strategies related to Zero Waste, specifically the Universal Recycling Ordinance
- To foster a discussion around how to facilitate recycling and food waste diversion in the food service industry

Come prepared to share stories about your current diversion practices and future opportunities!

4) 3:55 – 4:00 PM Wrap up & next steps
