

8.1	Background and Scope
8.1.1	Section intent maintained, wording simplified from original
8.1.2	New language added by CoA staff defining the amendments to the Rules
8.1.3	New language added by CoA staff to reference the rules back to the ordinance
8.2	Applicability
8.2.1	Section has not been revised.
8.2.2	Dates of affected properties were re-located to this section from a unique "Implementation Dates" Section. Language was modified to align ordinance, rules, and business outreach regarding the number of dwelling units.
8.2.3	Organic diversion added to implementation schedule. Organics diversion for mobile food to start in 2017 per CoA staff recommendation.
8.2.4	Language modified by CoA staff to be more specific as to the methods that staff will use to verify property square footage
8.3	General Principles
8.3.1	Multiple additions to benefits of the URO were added by CoA staff to align with outreach
8.3.2	Section relocated, intent maintained, and wording simplified from original.
8.4	General Requirements
8.4.1	"Property Owner" revised to "Responsible Party." "Customer" deleted from Rules to align with Ordinance. Both based on stakeholder input. "Responsible Party" explained in definitions.
8.4.2	Section relocated, intent maintained, and wording simplified from original.
8.4.4	Section relocated, intent maintained, and wording simplified from original.
8.4.5	Primary intent of section has remain intact. 8.4.5.5 Transportation of material to farms, food bank, etc has been added, based on stakeholder feedback.
8.4.6	Section relocated, intent maintained, and wording simplified from original.
8.5	Performance Measures
8.5.1	New section that combines the former capacity measure and diversion waivers into one section that allows for two "paths" of compliance rather than a single capacity path with waivers. Based on stakeholder input and CoA staff recommendations.
8.5.2	New section proposed by CoA staff to address properties who have a maximum potential divertible material of less than 50%
8.5.3	Section intent maintained, wording simplified from original
8.5.4	New section added to allow for "reduction and reuse" to be acknowledged. Based on stakeholder input.
8.6	Recycling Plan
8.6	This report is currently called the "Recycling Plan" - name change proposed to accommodate the inclusion of organics diversion
8.6.1	Section intent maintained, wording simplified from original
8.6.2	Section intent maintained, wording simplified from original
8.6.3	Section intent maintained, wording simplified from original
8.6.4	Section intent maintained, wording simplified from original
8.7	Recyclable & Organic Materials
8.7	Organic materials added to title
8.7.1	Section relocated and intent maintained.

8.7.2	Section relocated and intent maintained.
8.7.3	This item was relocated to emphasize and clarify
8.7.4	New section added to address organic diversion and food hierarchy. Based on ordinance, stakeholder feedback, and staff recommendation.
8.7.5	Section relocated and intent maintained.
8.7.6	Section relocated and intent maintained.
8.8	Exterior Collection Areas, Points, and Containers
8.8.1	Section relocated, intent maintained, and wording simplified from original.
8.8.2	Section remains primarily unchanged, wording simplified from original (Re-located). The reference the waivers section is important based on stakeholder input.
8.8.3	Exterior Collection requirements have been isolated and condensed based on stakeholder input and CoA Staff recommendation. The former Signs, labels, and identification section was absorbed into this section to provide a defined set of requirements a user could look toward if they were looking for requirements for an exterior collection area.
8.8.3	8.8.3.5 Revised "dumpster" requirements to "all exterior containers" to accommodate toters
8.8.3	8.3.3.5 Minimum sizes have been provided by CoA Staff based on stakeholder input
8.8.3	8.8.3.6 Language requirements revised to allow for alternate language flexibility based on stakeholder input
8.8.4	New section based on CoA Staff input to clarify allowable waivers at exterior conditions
8.8.5	This item is re-located and slightly modified from original rules primarily to clarify that access must be given to proper parties for locked containers
8.8.6	Section relocated, intent maintained, and wording simplified from original. 8.8.6.3 Vector population and odor control has been added based on Health Dept stakeholder input.
8.8.7	Section relocated, intent maintained, and wording simplified from original.
8.9	Interior Collection Areas, Points, and Containers
8.9	Interior Collection requirements have been isolated and condensed based on stakeholder input and CoA Staff recommendation. The former Signs, labels, and identification section was absorbed into this section to provide a defined set of requirements a user could look toward if they were looking for requirements for an interior collection area.
8.9.1	Relocated text emphasizing that indoor collection is not required by code. Based on stakeholder input.
8.9.2	New section clarifying that interior collection is not required by code, but IF you do provide interior collection you shall pair landfill trash with recycling and organics diversion. Also indicates exempted business and populations.
8.9.3	New section provided for consistency with exterior collection areas by CoA Staff. Provides RECOMMENDED (not required) standards for interior signage.
8.10	Promotion and Education
8.10.1	Section relocated, intent maintained, and wording simplified from original.
8.10.2	Section relocated, intent maintained, and wording simplified from original. 8.10.2.4 minimum language requirements added for consistency with ordinance requirements.
8.10.3	Section relocated, intent maintained, and wording simplified from original.
8.11	Self-Haul Semi-Annual Quantity Report
8.11.1	Section relocated. No revision.

8.11.2	Section relocated. No revision.
8.11.3	Section relocated. No revision.
8.11.4	Section relocated. No revision.
8.12	Waiver Process
8.12.1	New section added to consolidate types of waivers. Based on CoA Staff input. 8.12.1.4 added by CoA Staff to address infrastructure concerns by stakeholders.
8.12.2	New section which describes the waiver process . Based on CoA staff input.
8.12.3	Section relocated. No revision.
8.13	Compliance and Enforcement
8.13.1	Section relocated. No revision.
8.13.2	Section relocated. No revision.
8.13.3	Section relocated. No revision.
8.13.4	Section relocated. No revision.
8.13.5	Section relocated. No revision.
8.13.6	Section relocated. No revision.
8.13.7	8.13.7.4 Address the right of the City to review invoices, etc. at a property. Existing verbage has been relocated to this section to clarify where in the review process this could potentially take effect.
8.13.8	Section relocated. No revision.
8.13.9	Section relocated. No revision.
8.13.10	Section relocated. No revision.
8.13.12	Section relocated. No revision.
