Austin Water Services Are Increasingly Affordable

Austin Water’s 2020 Affordability Metrics Report shows the average annual bill as a percentage of median household income (MHI) fell to from 1.47% in FY2017 to 1.31% in FY2020. The report projects that residential customers will spend less of their annual income on water and wastewater bills in FY2021. Austin Water’s Customer Assistance Program is among the best in the country, offering some of the deepest discounts and the most robust assistance to customers in need. CAP customers received an 11.4% average rate reduction in FY2018, no rate increase in FY2019, an 8.3% average rate reduction in FY2020, and a 10% average rate reduction in COVID-19 Relief for FY2021.

Business Excellence & Innovation

The Advanced Metering Infrastructure contract was executed the last week of April. A pilot installation of 5,000 meters will begin in the Fall, supported by software integrations to allow for billing and data analysis, as well as customer notifications through a customer portal. Full installation will commence in about one year.

Leak Detection Technology
Linear feet of leak detection performed on large diameter water transmission lines
Annual Target: > 52,800

2018 2019 2020
Target: 0 ft. 30,000 ft. 60,000 ft.

Employee Engagement

Listening to the Workforce survey – Employee Satisfaction
Respondents that noted a positive response (Strongly Agree or Agree) about their overall job satisfaction level at Austin Water.

72% 2017
76% 2018
80% 2019

58% Participation Rate in 2019!
The higher the participation rate %, the truer picture we get about what our workforce likes or dislikes about working at Austin Water.

Affordability

Reduced residential water (Tiers 1-3) and wastewater (Tiers 1-2) volume rates in response to COVID-19 are currently in place and will be extended until October 31, 2021. Austin Water will continue a 10 percent reduction in water and wastewater rates for our most vulnerable low-income customers enrolled in the City of Austin’s Customer Assistance Program (CAP) for the entirety of fiscal year 2021.

Annual Residential Bill is to stay at or below 1.5 percent of Austin Median Household Income (MHI)
Avg. Bill as % of MHI
FY 2020 Target <= 1.5%

Financial Health

Standard & Poor’s Bond Rating
2019 Standard & Poor’s rates companies on a scale from AAA to D. Austin Water’s target is a rating of AA indicating a very strong capacity to meet financial commitments.

Employee Turnover Rate
FY Annual Target: < 8.5%

Monthly Vacancy Rate Fiscal Year 2020
Monthly Target: < 5%
**Customer Collaboration**

- **Current J.D. Power overall customer satisfaction index:** 759
- **Overall Industry Average:**
  - 749 in 2019
  - 707 in 2018
  - 690 in 2019

**Sanitary Sewage Overflows Investigated within one hour of customer calls**

- **Quarterly Target:** 95%

**Priority 1 Leaks responded to within three hours**

- **Monthly Target:** 90%

**Infrastructure Stability**

- **Water Leak Management Index (Infrastructure Leak Index)**
  - The current annual real losses divided by the unavoidable annual real losses. The data that this calculation is based on is derived from the annual water loss audit.
  - **Annual Target:** < 2.7
  - 2019 Infrastructure Leak Index dropped to 3.71

**Reduce operational risks by successfully completing at least 80% of the Austin Water Capital Improvements Program on identified priority infrastructure needs annually.**

- **Percentage of actual CIP spending to budgeted CIP spending**
  - **Annual Target:** 80%

**Subsurface Water Management Index**

- **2019 Subsurface Water Management Index**
  - 2.6

**Reduce operational risks by successfully completing at least 80% of the Austin Water Capital Improvements Program on identified priority infrastructure needs annually.**
